CenterPoint Energy, OGE Energy and ArcLight Capital's Enable Midstream Partners Files Registration Statement for Initial Public Offering

IPO expected in the first quarter of 2014

HOUSTON, OKLAHOMA CITY, and BOSTON, Nov. 26, 2013 /PRNewswire/ -- CenterPoint Energy, Inc. (NYSE: CNP), OGE Energy Corp. (NYSE: OGE) and ArcLight Capital Partners, LLC announced today that Enable Midstream Partners, LP has filed a registration statement on Form S-1 with the U.S. Securities and Exchange Commission (SEC) related to the proposed initial public offering of its common units representing limited partner interests. The offering is expected to occur in the first quarter of 2014. Enable Midstream expects the common units will trade under the ticker symbol "ENBL" on the New York Stock Exchange. The number of common units to be offered and the price range for the offering have not yet been determined. Enable Midstream expects to receive gross proceeds from the offering in the amount of approximately \$500 million, excluding proceeds from any exercise of the underwriters' over-allotment option to purchase additional common units. Enable Midstream intends to retain the net proceeds of the offering, primarily to fund expansion opportunities.

Enable Midstream owns, operates and develops strategically located natural gas and crude oil infrastructure assets. Enable Midstream's initial assets include approximately 11,000 miles of gathering pipelines, 11 major processing plants with approximately 1.9 billion cubic feet per day of processing capacity, approximately 7,800 miles of interstate pipelines, approximately 2,300 miles of intrastate pipelines and eight storage facilities comprising 86.5 billion cubic feet of storage capacity.

Enable Midstream is a Delaware limited partnership formed by affiliates of CenterPoint Energy, OGE Energy and ArcLight Capital Partners, LLC. The partnership is managed by a general partner whose governance is shared by CenterPoint Energy and OGE Energy on a 50/50 basis.

Morgan Stanley, Barclays and Goldman, Sachs & Co. are acting as joint book-running managers for the proposed offering. The offering will be made only by means of a prospectus. Once it becomes available, potential investors can obtain a preliminary prospectus related to this offering from:

A registration statement relating to these securities has been filed with the SEC but has not become effective. These securities may not be sold nor may offers to buy be accepted prior to the time the registration statement becomes effective. This news release shall not constitute an offer to sell or the solicitation of an offer to buy the securities, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such state or jurisdiction.

CenterPoint Energy, Inc., headquartered in Houston, Texas, is a domestic energy delivery company that includes electric transmission & distribution, natural gas distribution and competitive natural gas sales and services operations. CenterPoint Energy owns a 58.3 percent limited partner interest in Enable Midstream and a 50 percent management interest in the general partner of Enable Midstream.

OGE Energy Corp. is the parent company of Oklahoma Gas & Electric, a regulated electric utility with approximately 805,000 customers in Oklahoma and western Arkansas. OGE Energy owns a 28.5 percent limited partner interest in Enable Midstream and a 50 percent management interest in the general partner of Enable Midstream.

ArcLight Capital Partners, LLC is one of the leading private equity firms focused on North American energy infrastructure assets. Since its establishment in 2001, ArcLight has invested over \$10 billion across multiple energy cycles in more than 100 power, midstream and production assets. Headquartered in Boston, Massachusetts with an additional office in Luxembourg, the firm's investment team brings extensive energy expertise, industry relationships, and specialized value creation capabilities to its portfolio. ArcLight owns a 13.2 percent limited partner interest in Enable Midstream.

This news release includes forward-looking statements. Statements contained in this release that state the companies' or managements' expectations or predictions of the future are forward-looking statements within the meaning of the federal securities laws. The words "believe," "expect," "should," "estimates," "intend," and other similar expressions identify forward-looking statements. Actual events and results may differ materially from those projected. The statements in this news release regarding the proposed initial public offering of Enable Midstream's common units and other statements that are not historical facts are forward-looking statements. Each forward looking statement contained in this release speaks only as of the date of this release. Factors that could affect actual results include the ability to successfully launch, price and close the proposed initial public offering, which will depend on general market conditions and other factors, the financial and operational results of Enable Midstream and other factors discussed in CenterPoint Energy's and its subsidiaries' and OGE Energy Corp.'s annual reports on Form 10-K for the fiscal year ended December 31, 2012, and quarterly reports on Form 10-Q, Enable Midstream's registration statement on Form S-1 filed with the SEC and other filings with the SEC.
