This Post-Effective Amendment to the Registration Statement on Form S-8 is being filed pursuant to Rule 414 under the Securities Act of 1933, as amended (the "Securities Act"), by the Registrant, the successor to Reliant Energy, Incorporated, a Texas corporation, following a merger to effect a holding company reorganization effective as of August 31, 2002. The Registrant hereby expressly adopts the Registration Statement of Reliant Energy on Form S-8 (Registration No. 333-60260) as its own registration statement for all purposes of the Securities Act and the Securities Exchange Act of 1934, as amended, and hereby sets forth any additional information necessary to reflect any material changes made in connection with or resulting from the succession, or necessary to keep this Registration Statement from being misleading in any material respect.

=====

## INTRODUCTORY STATEMENT

Effective August 31, 2002, pursuant to the Agreement and Plan of Merger among Reliant Energy, Incorporated ("Reliant Energy"), Reliant Energy MergerCo, Inc. ("MergerCo") and CenterPoint Energy, Inc. ("CenterPoint Energy" or "Registrant"), MergerCo merged into Reliant Energy, as a result of which the outstanding shares of common stock, without par value, of Reliant Energy were exchanged automatically on a share-for-share basis for shares of common stock, par value \$0.01 per share, of CenterPoint Energy, and Reliant Energy became a subsidiary of CenterPoint Energy.

Accordingly, all stock issued under the Long-Term Incentive Plan of Reliant Energy, Incorporated (the "Plan") will be shares of the common stock of CenterPoint Energy rather than shares of the common stock of Reliant Energy. Additionally, the sponsor of the Plan will be CenterPoint Energy rather than Reliant Energy.

The applicable registration fees were paid at the time of the original filing of this Registration Statement.

ITEM 4. DESCRIPTION OF SECURITIES.

Not applicable.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

Not applicable.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Article 2.02.A.(16) and Article 2.02-1 of the Texas Business Corporation Act and Article V of the Registrant's Amended and Restated Bylaws provide the Registrant with broad powers and authority to indemnify its directors and officers and to purchase and maintain insurance for such purposes. Pursuant to such statutory and Bylaw provisions, the Registrant has purchased insurance against certain costs of indemnification that may be incurred by it and by its officers and directors.

Additionally, Article IX of the Registrant's Amended and Restated Articles of Incorporation provides that a director of the Registrant is not liable to the Registrant for monetary damages for any act or omission in the director's capacity as director, except that Article IX does not eliminate or limit the liability of a director for (i) any breach of such director's duty of loyalty to the Registrant or its shareholders, (ii) any act or omission not in good faith that constitutes a breach of duty of such director to the Registrant or an act or omission that involves intentional misconduct or a knowing violation of law, (iii) a transaction from which such director received an improper benefit, whether or not the benefit resulted from an action taken within the scope of the director's office or (iv) an act or omission for which the liability of a director is expressly provided for by statute.

Article IX also provides that any subsequent amendments to Texas statutes that further limit the liability of directors will inure to the benefit of the directors, without any further action by shareholders. Any repeal or modification of Article IX shall not adversely affect any right of protection of a director of the Registrant existing at the time of the repeal or modification.

See "Item 9. Undertakings" for a description of the Commission's position regarding such indemnification provisions.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Houston, Texas 77002

Ladies and Gentlemen:

As set forth in Post-Effective Amendment No. 1 (the "Post-Effective Amendment") to the Registration Statement on Form S-8 (Registration No. 333-60260) to be filed by CenterPoint Energy, Inc. d/b/a Reliant Energy, Incorporated, a Texas corporation (the "Company"), with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Act"), relating to up to 15,000,000 shares (the "Shares") of common stock, par value \$0.01 per share, of the Company (the "Common Stock") and associated rights to purchase Series A Preferred Stock, par value \$0.01 per share, of the Company (the "Rights"), which may be offered and sold from time to time pursuant to the Long-Term Incentive Plan of Reliant Energy, Incorporated (the "Plan"), certain legal matters in connection with the Shares subject to original issuance by the Company and the Rights associated therewith are being passed upon for you by us. At your request, this opinion is being furnished to you for filing as Exhibit 5 to the Post-Effective Amendment.

In our capacity as your counsel in the connection referred to above, we have examined the Amended and Restated Articles of Incorporation and the Amended and Restated Bylaws of the Company, each as amended to date, the Rights Agreement dated as of January 1, 2002 between the Company and JPMorgan Chase Bank, as Rights Agent (the "Rights Agreement"), as amended to date, and the originals, or copies certified or otherwise identified, of corporate records of the Company, including minute books of the Company as furnished to us by the Company, certificates of public officials and of representatives of the Company, statutes and other instruments and documents as a basis for the opinions hereinafter expressed. In giving such opinions, we have relied upon certificates of officers of the Company and of public officials with respect to the accuracy of the material factual matters contained in such certificates.

In making our examination, we have assumed that all signatures on documents examined by us are genuine, that all documents submitted to us as originals are accurate and complete, that all documents submitted to us as copies are true and correct copies of the originals thereof and that all information submitted to us was accurate and complete.

On the basis of the foregoing, and subject to the assumptions, limitations and qualifications set forth herein, we are of the opinion that:

1. The Company is a corporation duly organized and validly existing in good standing under the laws of the State of Texas.
2. In the case of Shares originally issued by the Company pursuant to the provisions of the Plan, following due authorization of a particular award thereunder by a duly constituted and acting committee of the Board of Directors of the Company as provided in and in accordance with the Plan, the Shares issuable pursuant to such award will have been duly authorized by all necessary corporate action on the part of the Company. Upon issuance and delivery of such Shares from time to time pursuant to the terms of such award for the consideration established pursuant to the terms of the Plan and otherwise in accordance with the terms and conditions of such award, including, if applicable, the lapse of any restrictions relating thereto, the satisfaction of any performance conditions associated therewith and any requisite determinations by or pursuant to the authority of the Board of Directors of the Company or a duly constituted and acting committee thereof as provided therein, and, in the case of stock options, the exercise thereof and payment for such Shares as provided therein, such Shares will be validly issued, fully paid and nonassessable.
3. The issuance of the Rights associated with the Shares has been duly authorized by all requisite corporate action on the part of the Company, and upon issuance from time to time in connection with the issuance of the associated Shares as provided above and in accordance with the terms of the Rights Agreement, the Rights associated with such Shares will be validly issued.

The opinion set forth in paragraph 3 above is limited to the valid issuance of the Rights under the Texas Business Corporation Act. In this connection, we do not express any opinion herein on any other aspect of the Rights, the effect of any equitable principles or fiduciary considerations relating to the adoption of the Rights Agreement or the issuance of the Rights, the enforceability of any particular provisions of the Rights Agreement, or the provisions of the Rights Agreement which discriminate or create unequal voting power among shareholders.

This opinion is limited to the original issuance of Shares and Rights by the Company and does not cover shares of Common Stock and related Rights delivered by the Company out of shares and related Rights reacquired by it.

We are members of the Texas Bar and the opinions set forth above are limited in all respects to the laws of the State of Texas as in effect on the date hereof. Additionally, we hereby consent to the filing of this opinion with the Commission as Exhibit 5 to the Post-Effective Amendment. In giving such consent, we do not admit that we are within the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the Commission thereunder.

Very truly yours,

BAKER BOTTS L.L.P.
