Plan Summary

The following is a summary of the material provisions of the plan. This summary is not a complete description of all terms of the plan and is qualified in its entirety by reference to the plan. You should carefully review the summary below and the provisions of the plan that may be important to you before participating in the plan.

Administration

The plan is administered by the individual (who may be an employee of ours), bank, trust company or other entity, including us, whom we appoint from time to time to act as the administrator of the plan. As of the date of this prospectus, we are the administrator. The administrator administers the plan, receives cash from participants, holds participants' shares of our common stock acquired under the plan, keeps records, sends statements of account activity to participants and performs other duties related to the plan. The administrator will forward funds that are to be used to purchase shares, and orders to sell shares, in the open market to an independent agent that we select and which is an "agent independent of the issuer," as that term is defined under the Securities Exchange Act of 1934, as amended. We reserve the right to continue serving as the administrator or to appoint another qualified person or entity to serve in that capacity.

Participants may contact the administrator by writing, telephoning, or sending facsimiles to:

CenterPoint Energy, Inc.
Investor Services Department
P. O. Box 4505
Houston, Texas 77210-4505

Telephone toll-free (business days from 8:00 a.m. to 5:00 p.m., Central Time):

(800) 231-6406 nationally
(713) 207-3060 in Houston

Facsimile: (713) 207-3169

Eligibility

Any person or entity, whether or not a record holder of our common stock, is eligible to participate in the plan, provided that:

- the person or entity fulfills the requirements of participation described below under “Enrollment Procedures,” and
- in the case of citizens or residents of a country other than the United States, its territories and possessions, participation would not violate local laws applicable to us, the plan and the participant.

Enrollment Procedures

After being furnished with a copy of this prospectus, eligible applicants may join the plan by returning a completed and signed enrollment form to the administrator and choosing one of the following options:

- making an initial cash investment in the plan to purchase shares of our common stock of at least \$250 for applicants who are not registered holders of our common stock or \$50 for applicants who are registered holders of our common stock,
- electing to have a minimum of 10% up to a maximum of 100% of cash dividends paid on each share of our common stock held in the plan reinvested into additional shares of our common stock, or
- depositing certificates representing shares of our common stock into the plan for safekeeping, provided that at least 10% of cash dividends paid on each share of our common stock held in the plan for a participant are reinvested in our common stock.

Applicants may obtain enrollment forms from the administrator upon written, facsimile or telephone request. Current registered holders of our common stock should sign their name(s) on the enrollment form exactly as they appear on the certificates representing their shares of our common stock.

A beneficial owner of our common stock registered in street name (*i.e.*, the name of a bank, broker or trustee) may participate in the plan by:

- directing the financial intermediary to transfer the common stock into the participant’s name, and
- depositing transferred shares of our common stock into the plan for safekeeping and electing to reinvest cash dividends on transferred shares of our common stock in our common stock through the plan.

Alternatively, the beneficial owner may make arrangements with the financial intermediary who is the registered holder to participate in the plan on behalf of the beneficial owner.

To the extent required by applicable law in specified jurisdictions, including Alabama, Arizona, Arkansas, Delaware, Florida, Indiana, Maryland, Massachusetts, Mississippi, Montana, Nevada, New Hampshire, New Jersey, North Dakota, Puerto Rico, Rhode Island, Utah, Virginia, Washington, West Virginia and Wyoming, we are offering shares of common stock under the plan to persons who are not presently record holders of our common stock only through a registered broker/dealer in those jurisdictions.

An eligible applicant will become a participant as soon as practicable after the administrator has received and accepted a properly completed enrollment form.

Initial Cash Investments and Additional Cash Investments

Interested investors, whether or not registered holders of our common stock, may become participants by making an investment through the plan as described in this prospectus. To become a participant through a cash investment, an applicant who is not a registered holder of our common stock must include a minimum initial cash investment of \$250 with a completed enrollment form, while an applicant who is a registered holder of our common stock must include a minimum initial cash investment of \$50 with a completed enrollment form. Additional cash investments, which participants may make at their discretion, must be at least \$50 for any single investment. However, cash investments in the aggregate, including both initial and additional cash investments, may not exceed \$120,000 per account per calendar year. Participants may make cash investments by check or through automatic investing as described below under “Cash Investment Procedures.”

The administrator will make cash investments in our common stock beginning on the next investment date that is at least one business day after the administrator receives the funds and instructions. Cash investment funds, pending investment, will be credited to a participant’s account and held in a trust account that is separated from our other funds. Cash investments not invested for a participant within 30 days of receipt will be promptly returned to the participant. **No interest will be paid on amounts held by the administrator pending investment.** If a participant does not designate the level of reinvestment of cash dividends on shares of our common stock purchased by an initial cash investment or an additional cash investment, then such participant shall be treated as having elected to have 100% of the cash dividends paid on such shares of our common stock reinvested in our common stock until the administrator receives written instructions from such participant designating the level of reinvestment.

The administrator will return to a participant any cash investment that has not already been invested if it receives the participant’s request to stop investment at least two business days prior to the applicable investment date. However, no refund of a check or money order will be made until the administrator has collected funds. Accordingly, refunds may take three weeks or more to be remitted.

Cash Investment Procedures

Cash investments may be made by check or automatic deduction from predesignated bank accounts, as described below. Participants should **never send cash** for an investment.

Investment by Check. Cash investments may be made by personal check or money order payable in U.S. dollars to CenterPoint Energy, Inc. Investor’s Choice Plan and mailed to the administrator. Initial cash investments should be accompanied by enrollment forms while additional cash investments should be accompanied by the stub attached to each statement of account or transaction advice sent to participants.

Automatic Investing. Participants may make automatic monthly or quarterly investments of a specified amount, not less than \$50 per purchase nor more than \$120,000 per calendar year, by electronic automatic transfer of funds from a predesignated bank account.

To initiate automatic deductions, a participant must execute an automatic investing form that is available from the administrator and return it to the administrator, along with a voided check or deposit slip on the bank account from which funds are to be drawn. If the monthly investment option is chosen, automatic investing will begin on or about the 10th day of each month approximately 30 days after receipt of the authorization form. If the quarterly investment option is chosen, investments will begin on or about the 10th day of each March, June, September and December. In either case, automatic investing deductions will be made two business days before the investment date. **A participant’s bank may charge the participant a returned**

check fee if the designated bank or savings account does not have sufficient funds to cover the authorized deduction.

Participants may change the amount of their automatic investment by notifying the administrator in writing or by facsimile of the new amount, and the change will take place approximately two weeks after the notice is received. Similarly, a participant may cancel automatic investing by instructing the administrator in writing or by facsimile. Cancellation will be effective approximately two weeks after the notice is received. To change a designated bank account, a participant must notify the administrator in writing at least 30 days before the change is to take effect and supply a voided check or deposit slip for the new account.

All cash investments are subject to collection by the administrator for full face value in U.S. funds. The method of delivery of any cash investment is at the election and risk of the investor and will be deemed received when actually received by the administrator.

Investment Dates

The plan's "investment dates" occur at least once every five business days. However, purchases will be made every business day when deemed practicable by the administrator. A participant's cash investment will generally be invested within five business days of receipt. For exceptions under specified circumstances involving open market purchases, see "Source and Price of Shares" below.

Dividend Payment Options

The plan requires that participants reinvest a minimum of 10% of cash dividends paid on each share of our common stock held in the plan in our common stock. With respect to cash dividends on shares of our common stock for which partial reinvestment is elected, the plan offers the option of direct deposit or check payment, as described below.

Reinvestment of Cash Dividends. Participants are required to reinvest a minimum of 10% and may reinvest up to 100% of the cash dividends paid on each share of our common stock held (or to be held) in the plan by making the election on their initial enrollment forms or by delivering written or facsimile instructions to the administrator. Participants electing partial reinvestment of cash dividends must designate the specific percentage of cash dividends to be reinvested for each share of common stock held in the plan by such participant, which specified percentage is referred to as the partial reinvestment percentage. If a participant that has elected partial reinvestment does not specify the partial reinvestment percentage, then such participant shall be treated as having elected to have 100% of the cash dividends paid on each share of our common stock held by such participant in the plan reinvested in our common stock until the administrator receives written instructions from such participant designating the partial reinvestment percentage. If a participant does not designate the level of reinvestment of cash dividends on shares of our common stock purchased by an initial cash investment or an additional cash investment or deposited in the plan for safekeeping, then such participant shall be treated as having elected to have 100% of the cash dividends paid on such shares of our common stock reinvested in our common stock until the administrator receives written instructions from such participant designating the level of reinvestment. The amount reinvested will be reduced by any amount required to be withheld under any applicable tax or other statutes. Cash dividends not being reinvested will be sent to the participant by direct deposit or check, as appropriate.

A participant may change such participant's prior reinvestment election from time to time by delivering a new enrollment form or written or facsimile instructions to the administrator. To be effective for a particular dividend payment, the administrator must receive instructions of such change on or before the record date of

the dividend. The record date for common stock dividends is usually the 16th day of each February, May, August and November.

Dividends will be invested beginning either on the date of payment, if the payment date is an investment date, or on the first investment date following payment. Dividends not invested within 30 days of receipt will be returned promptly to the participant. Funds pending investment will be credited to a participant's account and held in a trust account that will be separated from any of our other funds or monies. **No interest will be paid on funds held by the administrator pending investment.**

Direct Deposit of Dividends on Common Stock. Through the plan's direct deposit feature, a participant may elect to have any cash dividends on common stock not designated for reinvestment automatically deposited into a designated bank or savings account. The cash dividends will be deposited on the dividend payment date. Participants who wish to have dividends automatically deposited must execute a direct deposit authorization form that is available from the administrator and send it to the administrator, along with a voided check or deposit slip for the designated bank account.

The administrator must receive direct deposit authorization at least 30 days before an applicable common stock dividend payment date to be effective for that payment date. Participants can cancel direct deposit of dividends by notifying the administrator in writing or by facsimile. In order to be effective for an applicable dividend payment date, the administrator must receive the cancellation notice at least 30 days before that dividend payment date. To change a designated bank account for direct deposit of dividends, the administrator must receive written notice, accompanied by a voided check or deposit slip for the new bank account, at least 30 days before an applicable dividend payment date.

Check Payments of Dividends. Cash dividends paid on shares of common stock held in the plan not designated for reinvestment or direct deposit will be paid by check to the participant. A check for the amount of funds payable will be sent through the mail so that it will reach the participant as close as possible to the dividend payment date.

Source and Price of Shares

To fulfill plan requirements, shares of our common stock will be, at our discretion, purchased either directly from us or on the open market by an independent agent. Shares purchased from us will be either authorized but unissued shares or shares held in our treasury. Purchases of our common stock under the plan are subject to such terms and conditions, including price and delivery, as the administrator may accept.

Purchases from CenterPoint Energy. The price of our common stock purchased from us will be the average of the high and low sales price of our common stock reported on the New York Stock Exchange Composite Tape as published in *The Wall Street Journal* for the trading day immediately preceding the relevant investment date, and the purchase will be made on the investment date. In the event no trading is reported for the relevant trading day, we may determine the purchase price on the basis of market quotations we deem appropriate. No brokerage fee will be charged on shares acquired directly from us.

Open Market Purchases and Sales. The price of our common stock purchased or sold on the open market will be the weighted average price of all shares purchased or sold, as the case may be, through the plan for the investment date. The weighted average price will be increased for brokerage fees and commissions, any related service charges and applicable taxes. As of the date of this prospectus, we do not expect the brokerage fees and commissions and related service charges to exceed \$0.10 per share.

An independent agent will make purchases and sales of our common stock on the open market beginning on the relevant investment date. These purchases and sales will be completed not later than five days from that date, except where completion at a later date is necessary or advisable under any applicable laws or regulations. Funds not invested within 30 days of receipt will be returned promptly to participants. The independent agent will make purchases and sales on any securities exchange where shares of our common stock are traded, in the over-the-counter market, or by negotiated transactions. These purchases and sales may be subject to such terms and conditions regarding price, delivery and other terms as agreed to by the administrator. The independent agent will have sole authority to direct the time or price at which shares may be purchased or sold, the markets on which the shares are to be purchased or sold, and the selection of the broker or dealer, other than the independent agent, through or from whom purchases or sales are to be made.

The independent agent may commingle each participant's funds with those of other participants for the purchases and sales of our common stock but will hold the funds at all times in a separate trust account apart from our funds.

The number of shares, including any fraction of a share rounded to three decimal places, of our common stock credited to a participant's account for a particular investment date will be determined by dividing the total amount of cash dividends and/or cash investments to be invested for the participant on the investment date by the relevant purchase price per share. Dividend and voting rights will commence upon settlement, whether shares are purchased from us or on the open market.

Safekeeping Service

Participants may use the plan's free safekeeping service at any time, provided that at least 10% of cash dividends paid on each share of our common stock held in the plan for a participant are reinvested in our common stock. Participants may deposit common stock into the plan by delivering the stock certificate(s) without endorsement to the administrator, along with written instructions designating the level of reinvestment of cash dividends on such shares of our common stock. **If the delivery is by mail, we recommend that participants use properly insured, registered mail with return receipt requested.** If a Participant does not designate the level of reinvestment of cash dividends on shares of our common stock deposited for safekeeping, then such participant shall be treated as having elected to have 100% of the cash dividends paid on such shares of our common stock reinvested in our common stock until the administrator receives written instructions from such participant designating the level of reinvestment. Shares deposited in the plan for safekeeping will be transferred into the name of the administrator or its nominee and credited to the participant's account under the plan. Thereafter, the shares will be treated in the same manner as shares purchased through the plan. Because shares deposited for safekeeping are treated in the same manner as shares purchased through the plan, they may be efficiently and economically transferred or sold if the participant desires.

Sale of Common Stock

Participants may request the administrator to sell any number of whole shares held in their accounts at any time by written, telephone or facsimile instructions. Unless the request is received between the record date and the dividend payment date which is discussed in the following paragraph, as soon as practicable after receipt of the request, but within five business days, the administrator will instruct the independent agent to sell the shares. The independent agent will sell the shares as soon as practicable thereafter. Proceeds of the sale, less applicable brokerage fees and commissions and service charges and any applicable taxes, will be sent to the participant within five business days after the independent agent has completed the sale. The sales

price will be determined in the same way as the price for shares of common stock purchased for participants on the open market. See “Source and Price of Shares” above.

If the administrator receives a request to sell shares between the record date and the dividend payment date, the dividends on those shares will be reinvested on the investment date and newly purchased shares will be credited to the participant’s account. If the request for sale does not include all shares in the participant’s account, the number of shares requested will be sold within five days after receipt of the request and the proceeds from the sale will be sent to the participant. Newly purchased shares will be retained in the participant’s account after the investment date. If the request for sale covers all shares in the participant’s account, the sale will be delayed until after the dividend payment date and all shares, including newly purchased shares, will be sold within five days after the investment date and the proceeds from the sale will be sent to the participant.

If a participant wishes to sell shares held in the participant’s account through a broker, the participant may request the administrator to issue a certificate for a specific number of whole shares by written, telephone or facsimile instruction. A certificate will be sent to the participant within two business days after receipt of the request. Alternatively, a participant may request its broker to electronically transfer the requested number of shares to their brokerage account for sale; any such request must be made through such participant’s broker.

Withdrawal, Transfers, and Gifts of Common Stock

Withdrawals and Transfers Outside the Plan. A participant may withdraw shares of common stock credited to the participant’s plan account by so instructing the administrator in writing, by telephone or by facsimile or, if the participant will not be the record holder after withdrawal, by delivering written instructions, specifying the recipient’s name, address, Social Security number and telephone number and a stock assignment or stock power, with the participant’s signature guaranteed by a member of the Medallion Signature Guarantee program (a participating broker, bank, savings and loan association, etc.). If shares are to be sent to a broker, the participant must provide in writing the number of whole shares to be withdrawn, the broker’s name, business name, address, telephone number and the brokerage account number, if applicable. Certificates representing whole shares withdrawn from the plan will be mailed to the participant or designated recipient within two business days of receipt of a properly documented request. Withdrawal of shares of common stock does not affect reinvestment of cash dividends on the shares withdrawn unless:

- the participant is no longer the record holder of the shares,
- the participant specifically changes the level of reinvestment with respect to such shares, or
- the participant terminates participation in the plan.

If the administrator receives a withdrawal request between the record date and the dividend payment date, the dividends on those shares will be reinvested on the investment date and newly purchased shares will be credited to the participant’s account. If the request for withdrawal does not include all shares in the participant’s account, the number of shares requested will be withdrawn within two business days after receipt of the request and sent to the designated recipient. Newly purchased shares will be retained in the account of the participant making the request. If the request for withdrawal covers all shares in the participant’s account, the withdrawal will be delayed until after the dividend payment date and all shares, including newly purchased shares, will be withdrawn within two business days after the investment date. All shares in the participant’s account will be sent to the designated recipient.

Gifts and Transfers of Common Stock Within the Plan. If a participant wishes to transfer all or a part of the participant's shares to a plan account for another person, whether by gift, private sale or otherwise, the participant may effect the transfer by giving transfer instructions, in writing, to the administrator. Transfers of less than all of the shares in the participant's account must be made in whole share amounts. Requests for such transfers are subject to the same requirements applicable to transfers of common stock generally, including the requirement of a stock power with a Medallion Signature Guarantee. The transfer will be effected as soon as practicable following the administrator's receipt of the required documentation. Gifts and transfers within the plan are subject to the same provisions as described above under "Withdrawals and Transfers Outside the Plan."

The administrator will continue to hold under the plan shares that are transferred within the plan. If the transferee is not already a participant, a plan account will be opened in the name of the transferee, and the transferee will promptly receive an enrollment form to elect any applicable services offered through the plan. Until the transferee elects otherwise or the transferor specifically requests that the new account be enrolled in one or more of the plan's options, the transferee's account will be treated as having elected (i) to have shares held in safekeeping under the plan and (ii) to have 100% of cash dividends paid on such shares reinvested in our common stock. If the transferee is already a participant, the shares transferred will be treated as other shares already in the account of the transferee with respect to plan options.

As a result of the transfer, the transferor and the transferee will receive a statement confirming the transaction. The transferor may request that a holiday or all occasion gift certificate be provided, either to the transferor for personal delivery to the transferee or directly to the transferee, in connection with a transfer.

Reinvestment of Dividends on Remaining Shares

When a participant sells, withdraws or transfers a portion of the shares credited to the participant's account, the number of shares credited to the account is reduced. For a participant who is reinvesting cash dividends paid on only a portion of the shares credited to the participant's account, unless the participant gives specific instructions to the contrary, the reduction will first be made to shares for which partial reinvestment has been elected before it is made to shares for which full reinvestment has been elected.

Reports to Participants

The administrator will send each participant a quarterly statement of year-to-date activity showing the amount invested, purchase price, the number of shares purchased, deposited, sold, transferred and withdrawn, total shares accumulated and other information. The administrator will also send each participant a confirmation promptly after each cash investment, deposit, sale, withdrawal or transfer. Dividend reinvestments will not be individually confirmed, but rather will appear on the quarterly statement. Participants should retain statements and confirmations in their permanent records to establish the cost basis of shares purchased under the plan for income tax and other purposes.

The administrator will send each participant copies of all communications sent to holders of our common stock, including our annual report to shareholders, notice of our annual meeting, proxy statement and form of proxy, as well as federal tax reporting statements, if applicable, for reporting taxable income received from us.

The administrator will send all payments, notices, statements and reports to the participant's address on the administrator's records. It is therefore imperative that participants promptly notify the administrator of any change of address.

Certificates for Shares

The administrator will hold shares of our common stock purchased under, or deposited for safekeeping into, the plan and credited to participants' accounts in an automated electronic record keeping system in the administrator's name or the name of its nominee, as custodian. The number of shares, including fractional shares, held for each participant will be shown on each statement of account.

A participant may obtain a certificate for all or part of the whole shares held in the participant's account at any time upon a written, telephone or facsimile request to the administrator. Requested certificates will be mailed, free of charge, to the participant within two business days after the administrator receives the request. The administrator will continue to hold any remaining whole or fractional shares in the participant's account. A participant may request that shares of our common stock held in its account be electronically transferred to its brokerage account by authorizing its broker to do so; any such request must be made through such participant's broker.

Shares held in a participant's account cannot be pledged or assigned. A participant who wishes to pledge or assign any shares must request that they be withdrawn and issued to the participant in certificate form.

Certificates for fractional shares of our common stock will not be issued under any circumstances.

Termination of Participation

A participant may terminate participation in the plan at any time by notifying the administrator in writing, by telephone or by facsimile. As soon as practicable after receipt of notification, the administrator will mail the participant:

- a certificate for all of the whole shares credited to the participant's account,
- any dividends and cash investments credited to the participant's account, and
- a check for the cash value of any fraction of a share of our common stock credited to the participant's account.

A fraction of a share will be valued at the average of the high and low sales prices of our common stock reported on the New York Stock Exchange Composite Tape as published in *The Wall Street Journal* for the trading day preceding the date of termination.

Costs

We will pay all administrative costs and expenses of the plan. **Participants will bear the cost of brokerage fees and commissions, related service charges and any applicable taxes incurred on all purchases and sales of our common stock on the open market.** These costs will be included as adjustments to the purchase and sale prices. As of the date of this prospectus, shares of stock are being purchased directly from us. There are no brokerage fees and commissions or related service charges for shares of common stock purchased directly from us.

U.S. Federal Income Tax Consequences

The following is a summary of the U.S. federal income tax consequences of participating in the plan. Tax consequences will vary among participants depending upon individual circumstances and state, local

and foreign laws. Each participant should consult the participant's own tax advisor regarding the tax consequences for the participant as a result of participating in the plan.

A participant will be required to include as income for U.S. federal income tax purposes the gross amount of all dividend payments on our common stock reinvested in our common stock as though the participant received the dividends in cash. In addition, a participant will be taxed on any brokerage commissions, fees or service charges that we pay for in connection with a purchase of our common stock for the participant under the plan.

To the extent distributions by us to our participants are treated as made from our current or accumulated earnings and profits, the distributions will be dividends taxable as ordinary income. The amount of any dividends in excess of earnings and profits will reduce a participant's tax basis in our common stock with respect to which the dividend was received, and, to the extent in excess of basis, result in capital gain (provided such common stock is held as a capital asset by such participant).

As a general rule, a participant's tax basis for shares of our common stock (or any fraction of a share) acquired under the plan will be equal to the cash value of dividends attributable to the purchase of the shares on the applicable purchase date, as adjusted for brokerage commissions, fees and service charges, if any. A participant's tax basis in shares purchased with cash investments will be the cost of the shares plus any allocable brokerage commissions, fees and service charges, if any, on the applicable purchase date.

A participant will not realize any taxable income when the participant receives certificates for whole shares credited to an account under the plan. The participant will recognize gain or loss upon the sale of whole shares and upon the sale of any fractional share credited to the participant's account under the plan. The gain or loss will be equal to the difference between the amount received for shares (or a fractional share) and the participant's tax basis in such shares and will be capital gain or loss, provided such shares are held as a capital asset by such participant. Unless a participant makes a contrary election, we will report the tax basis of a participant's shares held in the plan on an average basis which means that the tax basis of each share will equal the participant's aggregate basis in all shares of identical stock held in the plan regardless of when such shares were acquired divided by the number of such shares for the account of such participant held in the plan. Shares of our common stock purchased under the plan will have a holding period beginning on the day after the applicable purchase date.

Under Internal Revenue Service backup withholding regulations, dividends reinvested under the plan may be subject to the withholding tax generally applicable to dividends unless the participant provides the administrator with the participant's taxpayer identification number (in the case of individual taxpayers the taxpayer identification number is their Social Security number). Any amount so withheld will be treated as taxable income received by the participant and will be reflected on Form 1099-DIV mailed annually to all our investors, including plan participants.

Stock Splits, Stock Dividends, and Rights Offerings

Any shares or other noncash distributions, including stock splits, stock dividends, combinations, recapitalizations and similar events affecting our common stock, will be credited to a participant's account on a pro-rata basis. In the event of a rights offering, a participant will receive rights based upon the total number of whole shares of our common stock credited to the participant's account.

Voting of Proxies

Participants have the exclusive right to vote all whole shares credited to their plan accounts, either in person or by proxy, at any annual or special meeting of our shareholders. Fractions of shares cannot be voted. The administrator will forward to each participant all shareholder materials relating to shares credited to that participant's account.

Limitation of Liability

Neither we nor the administrator nor any independent agent will be liable for any act done in good faith or for any good faith omission to act, including, without limitation, any claim of liability arising from failure to terminate a participant's account upon the participant's death prior to receipt of notice in writing of such death, or with respect to the prices or times at which shares of our common stock are purchased or sold for participants, or fluctuations in the market value of our common stock.

Written Provisions of the Plan Controlling

With respect to any matter relating to the plan, including, without limitation, the timing and pricing of purchases and sales of our common stock for participants, the written provisions of the plan are controlling. Participants should not rely on any oral representations inconsistent with the written provisions of the plan. Neither we nor the administrator nor any independent agent will be liable for a participant's reliance on oral statements inconsistent with the written provisions of the plan.

Interpretation and Regulation of the Plan

Our officers are authorized to take actions to carry out the plan consistent with the plan's terms and conditions. We reserve the right to interpret and regulate the plan as we deem desirable or necessary in connection with the plan's operations.

Change or Termination of the Plan

We may suspend, modify or terminate the plan at any time, in whole, in part or in respect of participants in one or more jurisdictions, without the approval of participants. Notice of suspension, modification or termination will be sent to all affected participants. Upon any whole or partial termination of the plan by us, each affected participant will receive:

- a certificate or book-entry position on our stock transfer records for all of the whole shares credited to the participant's account,
- any dividends and cash investments credited to the participant's account, and
- a check for the cash value of any fraction of a share of our common stock credited to the participant's account.

A fraction of a share will be valued at the average of the high and low sales prices of our common stock reported on the New York Stock Exchange Composite Tape as published in *The Wall Street Journal* for the trading day preceding the date of termination.

Termination of Participation by CenterPoint Energy

If a participant does not have at least one whole share of our common stock credited to the participant's account, or does not own any shares of our common stock for which cash dividends are designated for reinvestment under the plan, we shall terminate the participant's participation in the plan. Additionally, we may terminate, in our sole discretion, any participant's participation in the plan after written notice mailed in advance to the participant's address appearing on the records of the administrator. A participant whose participation has been terminated will receive:

- a certificate or book-entry position on our stock transfer records for all of the whole shares credited to the participant's account,
- any dividends and cash investments credited to the participant's account, and
- a check for the cash value of any fraction of a share of our common stock credited to the participant's account.

A fraction of a share will be valued at the average of the high and low sales prices of our common stock reported on the New York Stock Exchange Composite Tape as published in *The Wall Street Journal* for the trading day preceding the date of termination.

Plan of Distribution

We are offering shares of our common stock by this prospectus pursuant to the plan. The terms of the plan provide for the purchase of shares of our common stock directly from us or, at our option, by an independent agent on the open market. As of the date of this prospectus, shares of our common stock purchased for participants under the plan are being purchased directly from us. The plan provides that we may not change our determination regarding the source of purchases of shares more than once in any three-month period. We expect our primary consideration in determining the source of shares to be used for purchases under the plan will be our need to increase equity capital. If we do not need to raise funds externally or if financing needs are satisfied using non-equity sources of funds to maintain our targeted capital structure, shares of our common stock purchased for participants will be purchased in the open market, subject to the limitation on changing the source of shares of our common stock.

We will pay all administrative costs and expenses associated with the plan. Participants will bear the cost of brokerage commissions and fees, related service charges and any applicable taxes incurred on all purchases and sales made in the open market. These costs will be included as adjustments to purchase and sales prices. There are no brokerage fees and commissions or related service charges for shares of common stock purchased directly from us.

Item 15. Indemnification of Directors and Officers.

Title 1, Chapter 8 of the Texas Business Organizations Code (“TBOC”) and Article V of the Company’s Amended and Restated Bylaws provide the Company with broad powers and authority to indemnify its directors and officers and to purchase and maintain insurance for such purposes. Pursuant to such statutory and Bylaw provisions, the Company has purchased insurance against certain costs of indemnification that may be incurred by it and by its officers and directors.

Article IX also provides that any subsequent amendments to Texas statutes that further limit the liability of directors will inure to the benefit of the directors, without any further action by shareholders. Any repeal or modification of Article IX shall not adversely affect any right of protection of a director of the Company existing at the time of the repeal or modification.

See “Item 17. Undertakings” for a description of the Commission’s position regarding such indemnification provisions.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule

424(b) of the Securities Act of 1933 if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Houston, the State of Texas, on December 30, 2010.

Participation

Section 2.1. Participation. Any Person, whether or not a record holder of Common Stock, may elect to participate in the Plan; provided, however, that if such Person is a Foreign Person, he must provide evidence satisfactory to the Administrator that his participation in the Plan would not violate local laws applicable to the Company, the Plan or such Foreign Person.

An election by a Person to participate in the Plan shall be made by properly completing and returning to the Administrator an Enrollment Form and (i) electing to have Dividends on Eligible Securities of which such Person is the record holder invested in Common Stock pursuant to Section 2.2 hereof, (ii) electing to have Interest on Eligible Securities of which such Person is the registered owner invested in Common Stock pursuant to Section 2.3 hereof, (iii) depositing certificates representing Common Stock of which such person is the record holder into the Plan pursuant to Section 4.1 hereof or (iv) making an initial cash investment pursuant to Section 2.4 hereof.

Any Person who has met such requirements, has had his completed Enrollment Form accepted by the Administrator and has made and not revoked such election is herein referred to as a “Participant.” Notwithstanding the foregoing, each participant in the ICP (other than any participant in the ICP that has not elected prior to the Effective Date to reinvest in Common Stock at least 10% of the Dividends on each of such participant’s Account Shares) or the Plan on the Effective Date is automatically a Participant without submitting a new Enrollment Form; provided, however, that any such Participant who wishes to change his current participation in any way must submit written or facsimile instructions or a new Enrollment Form

to the Administrator. For the avoidance of doubt, any participant in the ICP that has not elected prior to the Effective Date to reinvest in Common Stock at least 10% of the Dividends on each of such participant's Account Shares shall not become a Participant until such participant submits a new Enrollment Form to the Administrator. A Participant (or a Person completing an Enrollment Form in order to become a Participant) may elect to participate in any or all forms of investment provided in Sections 2.2 through 2.5 hereof and to utilize the Plan's safekeeping services provided in Section 4.1 hereof by submitting an Enrollment Form designating such election to the Administrator; provided, however, that any such Participant elects to reinvest in Common Stock at least 10% of the Dividends on each of such Participant's Account Shares; and provided, further, that so long as a Participant meets the minimum dividend reinvestment requirement, such Participant may, in lieu of an Enrollment Form, submit to the Administrator (i) written or facsimile instructions in order to elect Dividend and/or Interest reinvestment pursuant to Sections 2.2 and/or 2.3 hereof, (ii) a completed optional cash investment stub attached to a quarterly Statement of Account in order to elect to make optional cash investments pursuant to Section 2.5 hereof and (iii) the stock certificates representing the Common Stock to be deposited into the Plan in order to elect to utilize the safekeeping services provided by the Plan.

Section 2.2. Dividend Reinvestment. A Participant may elect to have all or a portion of any Dividend on each of his Reinvestment Eligible Securities invested in shares (and/or a fraction of a share) of Common Stock to be credited to his Account in lieu of receiving such Dividend directly; provided, however, that each Participant must reinvest in Common Stock at least 10% of the Dividends on each of such Participant's Account Shares. Subject to Section 3.1, if a Participant elects to reinvest only a portion of the Dividends received on his Reinvestment Eligible Securities, the portion of Dividends not reinvested will be sent to the Participant by check in the manner otherwise associated with payment of such Dividends or, if such Reinvestment Eligible Securities are also Account Shares, by electronic direct deposit if the Participant has elected the direct deposit option provided in Section 7.7 hereof.

Section 2.3. Interest Reinvestment. A Participant may elect to have all or a portion of any Interest on his Reinvestment Eligible Securities invested in shares (and/or a fraction of a share) of Common Stock to be credited to his Account in lieu of receiving such Interest directly. If a Participant elects to reinvest only a portion of the Interest on his Reinvestment Eligible Securities, that portion of Interest not reinvested in Common Stock will be sent to the Participant by check in the manner otherwise associated with payment of Interest.

Section 2.4. Initial Cash Investment. A Person not already a Participant may become a Participant by (i) making an initial cash payment of at least \$250, or (ii) in the case of a Person who is already a record or registered holder of Eligible Securities, of at least \$50, by personal check, money order or wire transfer payable to CenterPoint Energy, Inc. Investor's Choice Plan, to be invested in Common Stock pursuant to Section 3.4 hereof; provided, however, that such initial cash payment may not exceed \$120,000 and payment for such initial cash investment must be accompanied by a completed Enrollment Form. Any Participant that makes an initial cash investment pursuant to this Section 2.4 and does not designate his reinvestment election with respect to shares of Common Stock purchased with such investment shall be deemed to have elected that all Dividends paid on each such share of Common Stock shall be reinvested in Common Stock pursuant to Article III hereof.

Section 2.5. Optional Cash Investments. A Participant may elect to make cash payments at any time or from time to time to the Plan, by personal check, money order or wire transfer payable to CenterPoint Energy, Inc. Investor's Choice Plan, or by automatic deductions from a predesignated bank, savings or credit union account pursuant to Section 7.8 hereof, for investment in Common Stock pursuant to Section 3.4 hereof; provided, however, that any Participant who elects to make optional cash investments pursuant to this Section 2.5 must invest at least \$50 for any single investment and may not invest more than \$120,000 in aggregate amount in any calendar year (the "Maximum Amount"). For purposes of determining whether the Maximum Amount has been reached, initial cash investments shall be counted as optional cash investments. Any Participant that makes an optional cash investment pursuant to this Section 2.5 and does not designate his reinvestment election with respect to shares of Common Stock purchased with such investment shall be deemed to have elected that all Dividends paid on each such share of Common Stock shall be reinvested in Common Stock pursuant to Article III hereof.

Section 2.6. Receipt of Cash Investments. All cash investments are subject to collection by the Administrator for full face value in U.S. funds. The method of delivery of any cash investment is at the election and risk of the Participant and will be deemed received when actually received by the Administrator.

ARTICLE III

Dividend and Interest Reinvestment and Stock Purchase

Section 3.1. Dividend and Interest Reinvestment. Each Participant must elect to reinvest in Common Stock at least 10% of the Dividends on each of such Participant's Account Shares. Any Participant that makes an initial cash investment pursuant to Section 2.4 or an optional cash investment pursuant to Section 2.5 and does not designate his reinvestment election with respect to such shares of Common Stock shall be deemed to have elected that all Dividends paid on each such share of Common Stock shall be reinvested in Common Stock pursuant to this Article III. Any Participant that deposits shares of Common Stock into the Plan pursuant to Section 4.1 and does not designate his reinvestment election with respect to such shares of Common Stock on the Enrollment Form accompanying such stock certificate(s) shall be deemed to have elected that all Dividends paid on each such share of Common Stock shall be reinvested in Common Stock pursuant to this Article III. If a Participant that has elected partial reinvestment on an Enrollment Form or a returned stub from a Statement of Account does not specify the partial reinvestment percentage, then such Participant shall be treated as having elected to have 100% of the cash dividends paid on each Account Share reinvested in Common Stock until the Administrator receives written instructions from such Participant designating the partial reinvestment percentage. Dividends and Interest as to which reinvestment has been elected (or deemed elected) by a Participant shall be paid to the Administrator or its nominee on behalf of such Participant. Dividends and Interest shall be reinvested, at the Company's election, in either (i) newly issued shares of Common Stock or shares of Common Stock held in the Company's treasury purchased from the Company or (ii) shares of Common Stock purchased in the open market. Any reinvestment of Dividends or Interest in, or other purchases of, Common Stock pursuant to this Article III shall be subject to Section 3.5 hereof.

Section 3.2. Dividend and Interest Reinvestment in Newly Issued or Treasury Shares. Dividend and Interest reinvestment in newly issued shares of Common Stock or shares of Common Stock held in the Company's treasury shall be governed by this Section 3.2. On an Investment Date with respect to which the Company elects to issue new shares or sell shares of Common Stock held in the Company's treasury to the Plan in order to effect the reinvestment of Dividends and/or Interest, the Company shall issue to the Administrator upon the Company's receipt of the funds described in (a) below, for crediting by the Administrator to the Account of a Participant, a number of shares (and/or fraction of a share rounded to three decimal places) of Common Stock equal to (a) the amount of any Dividends and/or Interest paid to the Administrator on behalf of such Participant since the preceding Investment Date plus the amount of any Dividends paid to the Administrator on behalf of such Participant on such Investment Date divided by (b) the Company Share Purchase Price on the trading day immediately preceding such Investment Date. Such shares shall be issued or sold to, and registered in the name of, the Administrator or its nominee as custodian for such Participants. No interest shall be paid on Dividends or Interest held pending reinvestment pursuant to this Section 3.2.

Section 3.3. Dividend and Interest Reinvestment in Shares Purchased in the Open Market. Dividend and Interest reinvestment in shares of Common Stock purchased in the open market shall be governed by this Section 3.3. On an Investment Date with respect to which the Company elects to effect reinvestment of Dividends and/or Interest in shares of Common Stock purchased in the open market, the Administrator shall (if it is an Independent Agent), or shall cause an Independent Agent to, apply the amount of any Dividends and/or Interest paid to the Administrator on behalf of the Participants since the preceding Investment Date plus the amount of any Dividends paid to the Administrator on behalf of the Participants on such Investment Date to the purchase of shares of Common Stock in the open market. Purchases in the open market pursuant to this Section 3.3 and Subsection 3.4.2 hereof may begin on the applicable Investment Date and shall be completed no later than five days from such date unless completion at a later date is necessary or advisable under applicable law, including without limitation any federal securities laws. Any Dividends, Interest, optional cash investments and initial cash investments to be reinvested in shares of Common Stock purchased in the open market pursuant to this Section 3.3 and Subsection 3.4.2 hereof not reinvested in shares of Common Stock within 30 days of receipt by the Administrator, or if the Company is not the Administrator by the Company, shall be promptly returned to the Participant at his address of record by First Class Mail. Open market purchases pursuant to this Section 3.3 and Subsection 3.4.2 hereof may be made on any securities exchange on which the Common Stock is traded, in the over-the-counter market or by negotiated transactions, and may be upon such terms and subject to such conditions with respect to price and delivery to which the Independent Agent (including the Administrator if it is also an Independent Agent) may agree. With regard to open market purchases of shares of Common Stock pursuant to this Section 3.3 and Subsection 3.4.2 hereof, none of the Company, the Administrator (if it is not also serving as the Independent Agent) or any Participant shall have any authority or power to direct the time or price at which shares of Common Stock may be purchased, the markets on which such shares are to be purchased (including on any securities exchange, in the over-the-counter market or in negotiated transactions) or the selection of the broker or dealer (other than the Independent Agent) through or from whom purchases may be made. For the purpose of making, or causing to be made, purchases of shares of Common Stock pursuant to this Section 3.3 and Subsection 3.4.2 hereof, and sales of Account Shares pursuant to Section 5.1 hereof, the Independent Agent shall be

entitled to commingle each Participant's funds with those of all other Participants and to offset purchases of shares of Common Stock against sales of shares of Common Stock to be made for Participants, resulting in a net purchase or a net sale of shares. The number of shares (and/or fraction of a share rounded to three decimal places) of Common Stock that shall be credited to a Participant's Account with respect to an Investment Date to which this Section 3.3 applies shall be equal to (a)(i) the amount of any Dividends and/or Interest paid to the Administrator on behalf of such Participant since the preceding Investment Date plus (ii) the amount of any Dividends paid to the Administrator on behalf of such Participant on such Investment Date less (iii) any Dividends and/or Interest to be returned to such Participant pursuant to this Section 3.3 divided by (b) the Market Share Purchase Price with respect to such Investment Date. Such shares shall be registered in the name of the Administrator or its nominee as custodian for the Participants. No interest shall be paid on Dividends or Interest held pending reinvestment pursuant to this Section 3.3.

Section 3.4. Investment of Optional Cash Payments and Initial Cash Payments. Any optional cash investments and initial cash investments received by the Administrator from a Participant at least one business day prior to an Investment Date shall be invested, beginning on such Investment Date, in either (i) newly issued shares or shares of Common Stock held in the Company's treasury in the manner provided in Subsection 3.4.1 hereof, or (ii) Common Stock purchased in the open market in the manner provided in Subsection 3.4.2 hereof. Optional cash investments and initial cash investments not received by the Administrator at least one business day prior to an Investment Date need not be invested on such Investment Date; provided, however, that any such optional cash investments and initial cash investments not invested on such Investment Date shall be invested beginning on the next succeeding Investment Date. No interest shall be paid on optional cash investments and initial cash investments held pending investment pursuant to this Section 3.4.

Subsection 3.4.1 Newly Issued or Treasury Shares. On an Investment Date with respect to which the Company elects to issue new shares or sell shares of Common Stock held in the Company's treasury to the Plan in order to effect the investment of optional cash investments and initial cash investments, the Company shall issue to the Administrator upon the Company's receipt of the funds described in (a) below, for crediting by the Administrator to the Account of a Participant, a number of shares (and/or fraction of a share rounded to three decimal places) of Common Stock equal to (a) the amount of any optional cash investments and/or initial cash investment received by the Administrator from such Participant since the preceding Investment Date (excluding any amounts received from such Participant within one business day of such Investment Date but including any amounts received from such Participant within one business day prior to the preceding Investment Date that were not invested on the preceding Investment Date as set forth in Section 3.4 hereof) divided by (b) the Company Share Purchase Price on the trading day immediately preceding such Investment Date. Such shares shall be issued or sold to, and registered in the name of, the Administrator or its nominee as custodian for the Participants.

Subsection 3.4.2 Shares Purchased in the Open Market. On an Investment Date with respect to which the Company elects to effect the investment of optional cash investments and initial cash investments in shares of Common Stock purchased in the open market, the Administrator shall (if it is an Independent Agent), or shall cause an Independent

Agent to, purchase for crediting by the Administrator to the Account of a Participant a number of shares (and/or fraction of a share rounded to three decimal places) of Common Stock in the open market equal to (a)(i) the amount of any optional cash investments and/or initial cash investment received by the Administrator from such Participant since the preceding Investment Date (excluding any amounts received from such Participant within one business day of such Investment Date but including any amounts received from such Participant within one business day prior to the preceding Investment Date as set forth in Section 3.4 hereof) less (ii) any optional cash investments and/or initial cash investments to be returned to such Participant pursuant to Section 3.3 hereof divided by (b) the Market Share Purchase Price with respect to such Investment Date. Such purchases shall be made in the manner set forth in Section 3.3 hereof. Such shares shall be registered in the name of the Administrator or its nominee as custodian for the Participants.

Subsection 3.4.3 Request to Stop Investment. If a written request to stop investment of optional cash investments or an initial cash investment is received by the Administrator from a Participant at least two business days before the next Investment Date, any optional cash investments or initial cash investment from such Participant then held by the Administrator shall not be invested in Common Stock and shall be returned to such Participant. If such a request is not received by the Administrator at least two business days prior to an Investment Date, any such optional cash investments or initial cash investment shall be invested in shares of Common Stock for such Participant's Account.

Section 3.5. Exhaustion of Fractional Share Account. Prior to any purchase of Common Stock by the Administrator or an Independent Agent pursuant to this Article III, the Administrator shall first purchase, at the Company Share Purchase Price on the trading day immediately preceding the Investment Date, the Fractional Account Shares from the Fractional Share Account. To the extent made, such purchases from the Fractional Share Account shall substitute for purchases required by this Article III.

Section 3.6. Minimum Dividend Reinvestment. At a minimum, each Participant shall reinvest in Common Stock at least 10% of the Dividends on each of such Participant's Account Shares. In no event shall any Participant elect (or be deemed to have elected) to reinvest in Common Stock less than 10% of the Dividends on each of such Participant's Account Shares.

ARTICLE IV

Safekeeping Services for Deposited Common Stock

Section 4.1. Deposited Common Stock. A Participant who has already delivered an Enrollment Form to the Administrator may elect to have certificate(s) representing shares of Common Stock of which the Participant is the record holder deposited into the Plan by delivering such certificate(s) to the Administrator, while a Person meeting the requirements set forth in Section 2.1 hereof who is not yet a Participant may elect to have his certificate(s) representing shares of Common Stock of which he is the record holder deposited into the Plan by completing an Enrollment Form and delivering such certificate(s) and Enrollment Form to the Administrator; provided, however, that any such Participant or Person, as the case may be, elects

(or has previously elected) to reinvest in Common Stock at least 10% of the Dividends on each of such Participant's Account Shares (including the shares of Common Stock represented by such certificate(s)). Shares of Common Stock so deposited shall be transferred into the name of the Administrator or its nominee and credited to the depositing Participant's Account. Dividends paid on shares of Common Stock deposited into the Plan pursuant to this Section 4.1 shall be reinvested in Common Stock pursuant to Article III hereof in accordance with the depositing Participant's reinvestment election designated on a completed Enrollment Form. Any Participant that deposits shares of Common Stock into the Plan pursuant to this Section 4.1 and does not designate his reinvestment election with respect to such shares of Common Stock on the Enrollment Form accompanying such stock certificate(s) shall be deemed to have elected that all Dividends paid on each such share of Common Stock shall be reinvested in Common Stock pursuant to Article III.

Section 4.2. Withdrawal of Common Stock Deposited Pursuant to Section 4.1. Shares of Common Stock deposited pursuant to Section 4.1 hereof may be withdrawn from the Plan pursuant to Section 7.2 hereof.

ARTICLE V

Sale of Account Shares; Gift or Transfer of Account Shares

Section 5.1. Sale of Account Shares. At any time, a Participant may request, by written, telephone or facsimile instructions, that the Administrator sell all or a portion of his whole Account Shares. The Administrator (if it is not also an Independent Agent) shall forward such sale instructions to the Independent Agent as soon as practicable, but within five business days, after receipt thereof (except in the case of instructions to sell all whole Account Shares of a Participant described below in the immediately following paragraph). The Independent Agent shall make such sales as soon as practicable (in accordance with stock transfer requirements and federal and state securities laws) after processing such sale instructions. Within five business days after the sale has been completed by the Independent Agent, the Administrator shall mail by First Class Mail to such Participant at his address of record a check in an amount equal to (a) the Market Share Sales Price multiplied by (b) the number of his Account Shares sold.

If instructions for the sale of Account Shares are received by the Administrator on or after the record date relating to a Dividend Payment Date but before the Dividend Payment Date, the shares of Common Stock purchased from the reinvestment of such Dividends shall be credited to the Participant's Account, and (i) if the Participant's sale instructions cover less than all of his whole Account Shares, the sale shall be processed as described above in the immediately preceding paragraph or (ii) if the Participant's sale instructions cover all of his whole Account Shares, the sale instructions shall not be processed until after such Dividends have been reinvested pursuant to the Plan and the shares of Common Stock purchased therewith have been credited to his Account. In the case of clause (ii) of the immediately preceding sentence, the Administrator shall forward such sale instructions to the Independent Agent promptly (within at least five business days) after such Dividend Payment Date.

With regard to open market sales of Account Shares pursuant to this Section 5.1, none of the Company, the Administrator (if it is not also serving as the Independent Agent) or

any Participant shall have any authority or power to direct the time or price at which shares of Common Stock may be sold, the markets on which such shares are to be sold (including on any securities exchange, in the over-the-counter market or in negotiated transactions) or the selection of the broker or dealer (other than the Independent Agent) through or from whom sales may be made, except that the timing of such sales must be made in accordance with the terms and conditions of the Plan.

Section 5.2. Gift or Transfer of Account Shares. A Participant may elect to transfer (whether by gift, private sale or otherwise) ownership of all or a portion of his Account Shares to the Account of another Participant or establish an Account for a Person not already a Participant by delivering to the Administrator written or facsimile instructions to that effect and a stock assignment (stock power) with the Participant's signature guaranteed by a member of the Medallion Signature Guarantee program (or a successor signature guarantee program acceptable to the Administrator), acceptable to the Administrator. No fraction of a share of Common Stock credited to the transferor's Account shall be transferred unless the transferor's entire Account is transferred.

Account Shares transferred in accordance with the preceding paragraph shall continue to be registered in the name of the Administrator as custodian and shall be credited to the transferee's Account. If the transferee is not already a Participant, an Account shall be opened in the name of the transferee and the Administrator shall send the transferee an Enrollment Form as soon as practicable after such transfer. Until the transferee elects otherwise or the transferor specifically requests that the new Account be enrolled in one or more of the Plan's options, the new Account will be treated as having elected (i) to have shares held in safekeeping under the Plan and (ii) to have all Dividends paid on such Account Shares reinvested in Common Stock pursuant to Article III hereof. If the transferee is already a Participant, the Account Shares so transferred shall be treated as other Account Shares of the transferee already in such Participant's Account. The transferor may request that the Administrator deliver a Statement of Account to the transferor for personal delivery to the transferee and/or the transferor may request that the Administrator deliver to such transferee a gift certificate. The transferor may request that the Administrator send the gift certificate directly to such transferee with the first Statement of Account following such transfer or request that the Administrator deliver such gift certificate to the transferor for personal delivery to the transferee. The Administrator shall comply with any such request of a transferor relating to Statements of Account and/or gift certificates as soon as practicable following receipt of such request.

If transfer instructions with regard to Account Shares are received by the Administrator on or after the record date relating to a Dividend Payment Date but before the Dividend Payment Date, the shares of Common Stock purchased from the reinvestment of such Dividends shall be credited to the Participant's Account, and (i) if the Participant's transfer instructions cover less than all of his whole Account Shares, the transfer shall be processed as described above in the immediately preceding paragraph or (ii) if the Participant's transfer instructions cover all of his whole Account Shares, the transfer shall not be processed until after such Dividends have been reinvested pursuant to the Plan and the shares of Common Stock purchased therewith have been credited to his Account. In the case of clause (ii) of the immediately preceding sentence, the Administrator shall effect such transfer as soon as practicable after such Dividend Payment Date.

Subsection 5.2.1 Transfer of Account Shares to a Broker. Upon receipt of customary documentation from a Participant's broker to electronically transfer a specified number of whole Account Shares from such Participant's Account to such Participant's brokerage account at such broker, the Administrator shall transfer the requested number of whole Account Shares from such Participant's Account to such Participant's broker.

Section 5.3. Reinvestment of Dividends on Remaining Account Shares. If a Participant has elected to reinvest Dividends on less than all of such Participant's Account Shares and the Participant elects to (i) sell a portion of his Account Shares pursuant to Section 5.1 hereof, (ii) transfer a portion of his Account Shares pursuant to Section 5.2 hereof or (iii) withdraw a portion of his Account Shares pursuant to Section 7.2 hereof, the Account Shares which are subject to partial reinvestment shall be sold, transferred or withdrawn, as the case may be, before any Account Shares which are subject to full reinvestment are sold, transferred or withdrawn unless the Participant gives specific instructions to the contrary in connection with such sale, transfer or withdrawal of Account Shares.

ARTICLE VI

Section 6.1. Eligible Securities. As of the Effective Date, shares of Common Stock are the only debt and equity securities of the Company and its subsidiaries that shall be Eligible Securities.

Section 6.2. Additional Eligible Securities. The Company may from time to time or at any time designate other debt or equity securities of the Company and its subsidiaries as Eligible Securities by notifying the Administrator in writing of the designation of such securities as Eligible Securities.

ARTICLE VII

Treatment of Accounts

Section 7.1. Changing Plan Options. A Participant may elect to change his Plan options, including (i) changing the reinvestment levels of Dividends and Interest on Reinvestment Eligible Securities subject to the minimum reinvestment requirement set forth in Sections 3.1 and 3.6 hereof, and (ii) changing the designation of Reinvestment Eligible Securities, by delivering to the Administrator written or facsimile instructions or a new Enrollment Form to that effect. To be effective with respect to any Dividend or Interest payment, the instructions or Enrollment Form with respect to such Reinvestment Eligible Securities must be received by the Administrator on or before the record date relating to such Dividend and/or Interest. If the instructions or Enrollment Form are not received by the Administrator on or before the record date relating to such Dividend and/or Interest, such instructions shall not become effective until after the payment of such Dividend and/or Interest. The shares of Common Stock purchased from the reinvestment of such Dividend and/or Interest shall be credited to the Participant's Account. After the Administrator's receipt of effective option changing instructions, Dividends and Interest on Reinvestment Eligible Securities as to

which the reinvestment election has been revoked will be paid in cash or with regard to Dividends on Common Stock, by direct deposit to the Participant's designated direct deposit account, if such Participant has elected the direct deposit option pursuant to Section 7.7 hereof.

Section 7.2. Right of Withdrawal. A Participant may, at any time or from time to time, withdraw from the Plan all or any part (other than fractions) of his Account Shares by delivering to the Administrator (i) appropriate withdrawal instructions to that effect, if such Participant will be the record holder of such Account Shares after withdrawal or (ii) written instructions specifying the recipient's name, address, Social Security number and telephone number (or such items as required by the Administrator) and a stock assignment (stock power) to that effect with the Participant's signature guaranteed by a member of the Medallion Signature Guarantee program (or a successor signature guarantee program acceptable to the Administrator), if the Participant will not be the record holder of such Account Shares after withdrawal. If Account Shares are to be withdrawn and sent to a broker, the Participant must provide in writing the number of whole Account Shares to be withdrawn, the broker's name, business name, address, telephone number and the brokerage account number, if applicable. Subject to the limitations described in the immediately following paragraph, within two business days of the Administrator's receipt of (i) appropriate withdrawal instructions or (ii) appropriate written transfer instructions and a stock assignment (stock power) with the Participant's signature guaranteed by a member of the Medallion Signature Guarantee program (or a successor signature guarantee program acceptable to the Administrator), as the case may be, which indicates the Participant's desire to withdraw certain of his whole Account Shares, the Administrator shall mail by First Class Mail to the Participant at his address of record, or to the address of any Person that the Participant designated, certificates representing such designated Account Shares.

If withdrawal instructions with regard to Account Shares are received by the Administrator on or after the record date relating to a Dividend Payment Date but before the Dividend Payment Date, the shares of Common Stock purchased from the reinvestment of such Dividends shall be credited to the Participant's Account, and (i) if the Participant's withdrawal instructions cover less than all of his Account Shares, the withdrawal shall be processed as described above in the immediately preceding paragraph or (ii) if the Participant's withdrawal instructions cover all of his whole Account Shares, the withdrawal instructions shall not be processed until after such Dividends have been reinvested pursuant to the Plan and the shares of Common Stock purchased therewith have been credited to his Account. In the case of clause (ii) of the immediately preceding sentence, the Administrator shall mail by First Class Mail to the Participant at his address of record, or to the address of any Person that the Participant designated, certificates representing the withdrawn Account Shares as soon as practicable following such Dividend Payment Date.

Withdrawal of Account Shares shall not affect reinvestment of Dividends on the Account Shares withdrawn unless (i) the Participant is no longer the record holder of such Account Shares, (ii) such reinvestment is changed by the Participant by delivering to the Administrator written or facsimile instructions or an Enrollment Form to that effect pursuant to Section 7.1 hereof or (iii) the Participant has terminated his participation in the Plan.

Section 7.3. Right of Termination of Participation. If a Participant's written, telephone or facsimile instructions to the Administrator indicate the Participant's desire to terminate his participation in the Plan, the Administrator shall treat such request as a withdrawal of all of such Participant's whole Account Shares pursuant to Section 7.2 hereof. As soon as practicable after receipt of termination instructions, the Administrator shall (i) at its discretion, either mail certificates representing all whole Account Shares, if any, pursuant to Section 7.2 hereof or record (or cause the transfer agent of the Common Stock to record) a book-entry position on the Company's stock transfer records representing all whole Account Shares, if any, pursuant to Section 7.2 hereof, and (ii) mail by First Class Mail to the Participant at his address of record a check for an amount equal to the sum of (x) the amount of cash credited to such Participant's Account pending investment in Common Stock and (y) the cash value of any fraction of a share of Common Stock credited to his Account. Such fraction of a share shall be valued at the Company Share Purchase Price for the trading day immediately preceding the date of termination.

Section 7.4. Stock Splits, Stock Dividends and Rights Offerings. Any shares or other securities representing stock splits or other noncash distributions on Account Shares shall be credited to such Participant's Account. Stock splits, combinations, recapitalizations and similar events affecting the Common Stock shall, as to shares credited to Accounts of Participants, be credited to such Accounts on a pro rata basis. In the event of a rights offering, a Participant shall receive rights based upon the total number of whole shares of Common Stock credited to his Account.

Section 7.5. Shareholder Materials; Voting Rights. The Administrator shall send or forward to each Participant all applicable proxy solicitation materials, other shareholder materials or consent solicitation materials. Participants shall have the exclusive right to exercise all voting rights respecting Account Shares credited to their respective Accounts. A Participant may vote any of his whole Account Shares in person or by proxy. A Participant's proxy card shall include his whole Account Shares and shares of Common Stock of which he is the record holder. Account Shares shall not be voted unless a Participant or his proxy votes them. Fractions of shares of Common Stock shall not be voted.

Solicitation of the exercise of Participants' voting rights by the management of the Company and others under a proxy or consent provision applicable to all holders of Common Stock shall be permitted. Solicitation of the exercise of Participants' tender or exchange offer rights by management of the Company and others shall also be permitted. The Administrator shall notify the Participants of each occasion for the exercise of their voting rights or rights with respect to a tender offer or exchange offer within a reasonable time before such rights are to be exercised. Such notification shall include all information distributed to the shareholders of the Company by the Company regarding the exercise of such rights.

Section 7.6. Statements of Account. As soon as practicable after each calendar quarter, the Administrator shall send to each Participant a quarterly Statement of Account. Additionally, the Administrator shall send a confirmation to each Participant promptly after each cash investment, deposit of Common Stock into the Plan pursuant to Section 4.1 hereof or sale, transfer or withdrawal of Account Shares by such Participant. The Administrator need not

confirm Dividend and Interest reinvestments individually but shall confirm any such reinvestments on quarterly Statements of Account.

Section 7.7. Direct Deposit Option. A Participant may elect to have any Dividends on Account Shares not being reinvested in Common Stock pursuant to the Plan paid by electronic direct deposit to the Participant's predesignated bank, savings or credit union account. To receive such direct deposit of funds, a Participant must complete and return a Direct Deposit Authorization Form to the Administrator, along with a voided check or deposit slip for the designated account. Direct deposit authorizations must be received by the Administrator at least 30 days before an applicable Dividend Payment Date to be effective for that Dividend Payment Date. Participants can cancel direct deposit of Dividends by notifying the Administrator in writing or by facsimile. In order to be effective for an applicable Dividend Payment Date, the Administrator must receive the cancellation notice at least 30 days before that Dividend Payment Date. To change a designated bank, savings or credit union account for direct deposit of Dividends, the Administrator must receive written notice, accompanied by a voided check or deposit slip for the new bank account, at least 30 days before an applicable Dividend Payment Date.

Section 7.8. Automatic Investing Option. A Participant may elect to make automatic monthly or quarterly investments of a specified amount (not less than \$50 per purchase nor more than \$120,000 per calendar year) by electronic automatic transfer of funds from a predesignated bank, savings or credit union account. A Participant must complete an Automatic Investing Authorization Form and return it to the Administrator, along with a voided check or deposit slip for the designated account, at least 30 days before initiating automatic investing. If the monthly investment option is chosen, automatic investing shall be made on the first Investment Date that is on or after the 10th day of such month. If the quarterly investment option is chosen, investments shall be made on the first Investment Date that is on or after the 10th day of each March, June, September and December. Automatic investing deductions shall be made two business days before the Investment Date. A Participant shall be charged a returned check fee by his bank if the designated bank, savings or credit union account does not have sufficient funds to cover the authorized deduction.

A Participant may change the amount of his automatic investment by notifying the Administrator in writing or by facsimile of the new amount, and the change shall be effective approximately two weeks after the notice is received. A Participant may cancel automatic investing by instructing the Administrator in writing or by facsimile to cancel the automatic investing, and the cancellation shall be effective approximately two weeks after the notice is received. To change a designated bank, savings or credit union account, a Participant must notify the Administrator in writing, by telephone or by facsimile at least 30 days before the change is to take effect and supply a voided check or deposit slip for the new account.

Section 7.9. No Pledging or Assigning Account Shares. Account Shares held in a Participant's Account cannot be pledged or assigned. A Participant who wishes to pledge or assign any of such Participant's Account Shares must request that they be withdrawn from the Plan and issued to the Participant in certificate form.

ARTICLE VIII

Certificates and Fractions of Shares

Section 8.1. Certificates. Shares of Common Stock purchased for a Participant will be held in an automated, electronic record keeping system by the Administrator in its name or the name of its nominee. The number of shares, including fractional shares, held for each Participant will be shown on each Statement of Account. A Participant, at any time or from time to time, may request in writing, by telephone or by facsimile to receive a certificate for all or a portion of his whole Account Shares. The Administrator shall mail such certificate(s) within two business days after the receipt of such request to such Participant at his address of record; provided, however, that upon the mailing of such certificate(s) the shares of Common Stock represented by such certificate(s) shall no longer be Account Shares but shall remain Reinvestment Eligible Securities (to the extent such Participant has elected to have Dividends on such Account Shares reinvested in Common Stock). A Participant may request that whole Account Shares be electronically transferred to such Participant's brokerage account by authorizing his broker to do so, which request must be made through such Participant's broker and contain customary documentation acceptable to the Administrator.

Section 8.2. Fractional Shares. Fractions of shares of Common Stock shall be credited to Accounts as provided in Article III hereof; provided, however, that no certificate for a fraction of a share shall be distributed to any Participant at any time; and provided, further, that the Company shall issue and sell only whole shares of Common Stock to the Administrator in respect of Dividends and Interest reinvested in, and purchases made by the Administrator hereunder of, newly issued shares or shares of Common Stock held in the Company's treasury.

Section 8.3. Fractional Share Account. In the event that, upon a Participant's termination of participation in the Plan, the Account of such Participant is credited with a fraction of a share of Common Stock, such fraction of a share shall be purchased by the Administrator for the Fractional Share Account at the Company Share Purchase Price determined as of the trading date specified in Section 7.3, 9.1 or 9.4 hereof, as the case may be, and the proceeds thereof shall be remitted to such Participant as set forth in Section 7.3, 9.1 or 9.4 hereof, respectively. The Company shall from time to time credit the Fractional Share Account with such amounts of money as may be necessary to fund such purchases for the Fractional Share Account; provided, however, that the Company may, at any time or from time to time, direct the Administrator to repay, and thereupon the Administrator shall repay to the Company such portion of the cash as the Company may, in its discretion, deem to be in excess of the amount needed to fund the operations of the Fractional Share Account.

As set forth in Section 3.5 hereof, on each Investment Date, the Administrator shall first apply the aggregate amount of optional cash investments, initial cash investments, Dividends and Interest to the purchase of all currently existing Fractional Account Shares. If the remaining aggregate amount of optional cash investments, initial cash investments, Dividends and Interest is not sufficient to purchase a whole number of shares of Common Stock, the Company shall provide to the Administrator, as agent for the Company, such additional amount of money as may be necessary to enable the Administrator (or the Independent Agent, as the case may be) to purchase an additional share of Common Stock. The fraction of a share that has been

purchased with funds provided by the Company shall be credited to the Fractional Share Account, and the remaining fraction of a share shall be allocated among the Participants' Accounts as necessary.

ARTICLE IX

Concerning the Plan

Section 9.1. Suspension, Modification and Termination. The Company may at any time and from time to time, at its sole option, suspend, modify, amend or terminate the Plan, in whole, in part or in respect of Participants in one or more jurisdictions; provided, however, no such amendment shall decrease the Account of any Participant or result in a distribution to the Company of any amount credited to the Account of any Participant. Upon complete termination of the Plan, the Accounts of all Participants (or in the case of partial termination of the Plan, the Accounts of all affected Participants) shall be treated as if each such Participant had elected to terminate his participation in the Plan pursuant to Section 7.3 hereof, except that any fraction of a share of Common Stock shall be valued as of the trading date immediately preceding the date on which the Plan is terminated. The Administrator shall promptly send each affected Participant notice of such suspension, modification or termination.

Section 9.2. Rules and Regulations. The Company may from time to time adopt such administrative rules and regulations concerning the Plan as it deems necessary or desirable for the administration of the Plan. The Company shall have the power and authority to interpret the terms and the provisions of the Plan and shall interpret and construe the Plan and reconcile any inconsistency or supply any omitted detail in a manner consistent with the general terms of the Plan and applicable law.

Section 9.3. Costs. All costs of administration of the Plan shall be paid by the Company; provided, however, that any brokerage commissions, service charges or applicable taxes incurred in connection with open market purchases and sales of shares of Common Stock made under the Plan shall be borne by the Participants.

Section 9.4. Termination of a Participant. If a Participant does not have at least one whole Account Share or own or hold any other Reinvestment Eligible Securities, the Participant's participation in the Plan shall be terminated by the Company. Additionally, the Company, in its sole discretion, may terminate any Participant's participation in the Plan after written notice mailed in advance to such Participant at his address of record. Upon any such termination, the Account of such Participant shall be treated as if he had elected to terminate his participation in the Plan pursuant to Section 7.3 hereof, except that any fraction of a share of Common Stock shall be valued as of the trading date immediately preceding the date on which such Participant's participation is terminated.

Section 9.5. Interpretation of Plan. With respect to any matter relating to the Plan, including, without limitation, the timing and pricing of purchases and sales of Common Stock for Participants, the written provisions of the Plan as set forth herein shall be controlling. None of the Company, the Administrator or any Independent Agent shall be liable for a

Participant's reliance on any oral statement that is inconsistent with the written provisions of the Plan as set forth herein.

ARTICLE X

Administration of the Plan

Section 10.1. Selection of an Administrator. The Administrator shall be appointed by the Company. The Administrator's appointment to serve as such may be revoked by the Company at any time. The Administrator may resign at any time upon reasonable notice to the Company. In the event that no Administrator is appointed, the Company shall be deemed to be the Administrator for purposes of the Plan. The Company shall be the initial Administrator.

Section 10.2. Compensation. The officers of the Company shall make such arrangements regarding compensation, reimbursement of expenses and indemnification of the Administrator and any Independent Agent as they from time to time deem reasonable and appropriate.

Section 10.3. Authority and Duties of Administrator. The Administrator shall have the authority to undertake any act necessary to fulfill its duties as set forth in the various provisions of the Plan. Upon receipt, the Administrator shall deposit all Dividends, Interest, optional cash investments and initial cash investments in the Trust Account. The Administrator shall maintain appropriate records of the Accounts of Participants and the Fractional Share Account.

Section 10.4. Liability of the Company, the Administrator and Any Independent Agent. The Company, the Administrator and any Independent Agent shall not be liable for any act done in good faith, or for the good faith omission to act in administering or performing their duties with respect to the Plan, including, without limitation, any claim of liability arising out of failure to terminate a Participant's Account upon such Participant's death prior to receipt of notice in writing of such death, or with respect to the prices at which shares are purchased or sold for a Participant's Account and the times when such purchases and sales are made, or with respect to any loss or fluctuation in the market value after the purchase or sale of such shares.

Section 10.5. Records and Reports. The Administrator shall keep appropriate records concerning the Plan, Accounts of Participants, purchases and sales of Common Stock made under the Plan and Participants' addresses of record and shall send Statements of Account and confirmations to each Participant in accordance with the provisions of Section 7.6 hereof.

Section 10.6. Selection of Independent Agent. Any Independent Agent serving in such capacity pursuant to the Plan shall be selected by the Company, and the Administrator and the Company, or either of them, shall, subject to the provisions of Section 3.3 hereof, make such arrangements and enter into such agreements with the Independent Agent in connection with the activities contemplated by the Plan as the Administrator and the Company, or either of them, deem reasonable and appropriate.

Section 10.7. Source of Shares of Common Stock. The Company shall not change the source of shares of Common Stock purchased by Participants in the Plan (i.e., either (i) newly issued shares of Common Stock or shares of Common Stock held in the Company's treasury purchased from the Company or (ii) shares of Common Stock purchased in the open market) more than once in any three-month period.

ARTICLE XI

Trust Agreement

Section 11.1. Continuation of Trust Account. The Company has previously created with the Trustee a trust consisting of all Dividends, Interest, optional cash investments and initial cash investments deposited by the Administrator in that certain non-interest bearing trust account (together with all Dividends, Interest, optional cash investments and initial cash investments deposited therein from time to time, the "Trust Account") established by the Company at JPMorgan Chase Bank Texas, account no. 0010-091-2428, or such other non-interest bearing accounts as the Company may establish from time to time hereunder with any commercial bank organized under the laws of the United States or any state, which commercial bank must have assets in excess of \$500,000,000. The Trust Account is hereby continued.

Section 11.2. Acceptance of Trust. This provision is no longer applicable.

Section 11.3. Successor Trustees. The person serving at any particular time as the Chief Financial Officer of the Company shall be the trustee of the trust hereunder. Therefore, if any person who is serving as trustee for any reason ceases to serve as Chief Financial Officer of the Company, that person shall also be deemed to have ceased to serve as trustee hereunder, and the successor Chief Financial Officer of the Company shall be the trustee hereunder. If the situation arises, under the preceding part of this Section 11.3 or otherwise, in which no trustee is either serving or designated to serve hereunder, a trustee of the trust shall be appointed by the Company in accordance with Section 11.4 or, if the Company fails to appoint a successor within sixty (60) days of receiving notification that a vacancy has occurred, a trustee for the trust shall be appointed in accordance with applicable law.

Section 11.4. Method of Appointment by Company. The appointment of a successor trustee hereunder by the Company shall be accomplished by (i) an instrument in writing appointing such successor trustee, executed by the Company, together with a certified copy of resolutions of the Board of Directors of the Company to such effect and (ii) an acceptance in writing of the office of successor trustee hereunder executed by the successor so appointed. The Company shall send notice of such appointment to the Administrator. Any successor trustee hereunder may be either a corporation authorized and empowered to exercise trust powers or one or more individuals.

Section 11.5. Removal of Trustee. Any person or entity serving as trustee may be removed as such by the Company at any time, with or without cause, effective sixty (60) days after delivery of written notice to the trustee, but such notice may be waived by the trustee. Such removal shall be effected by delivering to the trustee a written notice of removal executed by the

Company and by giving notice to the trustee of the appointment of a successor trustee in the manner set forth in Section 11.4.

Section 11.6. Resignation of Trustee. Any person or entity serving as trustee may resign as such, effective sixty (60) days after delivery of notice thereof in writing to the Company.

Section 11.7. Trustee Defined. As used or applied below in this Article XI, the term "Trustee" refers collectively to the one or ones at any particular time serving as the trustee or trustees of the trust. The neuter gender is used in referring to that term.

Section 11.8. General Duties of the Company. The Company shall provide the Trustee with a true and correct copy of the Plan and true and correct copies of any amendments to the Plan promptly upon their adoption and shall certify to the Trustee the names and specimen signatures of any person who shall have authority to control and manage the operation and administration of the Plan on behalf of the Administrator.

Section 11.9. General Duties and Powers of the Trustee. No bond or other security shall ever be required of the Trustee.

The Trustee shall keep accurate and detailed records of receipts and disbursements and other transactions affecting the Trust Account, and shall make disbursements from the Trust Account at such times, to such persons (including the Administrator) and in such amounts as the Administrator shall direct in writing. All such disbursements shall comply with the provisions of the Plan, and no disbursement shall be made which would cause any property in the Trust Account to be used or diverted for purposes not consistent with the provisions of the Plan.

The Trustee shall, in the Trustee's sole and absolute discretion, perform such other acts as the Trustee may deem necessary or proper for the protection of the Trust Account and, except to the extent inconsistent with the provisions of the Plan, may exercise all such further rights and powers as may be granted to trustees generally under the Texas Trust Code.

Section 11.10. Liability of Trustee. The Trustee shall use ordinary care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims. The Trustee shall not be liable or responsible for any loss sustained by the Trust Account by reason of the insolvency of the financial institution holding such account or for acting without question on the direction of, or failing to act in the absence of any direction from, the Administrator or any person with authority to act on behalf of the Administrator, unless the Trustee knows that by such action or failure to act he or she will be in breach of his or her fiduciary duty. The Trustee shall not be responsible in any respect for the administration of the Plan.

The duties and obligations of the Trustee hereunder shall be governed solely by the terms of this Article XI, and no implied covenants or obligations shall be read into this Article XI against the Trustee.

Section 11.11. Transfer of Trust Account to Successor. Upon resignation or removal, the Trustee shall transfer and deliver control over the Trust Account and all records relating to the Trust Account to the successor trustee of the trust. All of the provisions set forth herein with respect to the Trustee shall relate to each successor trustee hereunder with the same force and effect as if such successor trustee had been originally named herein as the Trustee hereunder.

Section 11.12. Trustee's Compensation. The officers of the Company shall make such arrangements regarding compensation, reimbursement of expenses and indemnification of the Trustee as they from time to time deem reasonable and appropriate.

ARTICLE XII
