#### THE COMPANY

The Company operates principally in the electric utility business, under the name "Houston Lighting & Power Company," and in the natural gas distribution and transmission business, through its NorAm Energy Corp. subsidiary. Based on an order of the Commission, the Company will be exempt from regulation under Section 3(a)(2) of the Public Utility Holding Company Act of 1935 (the "1935 Act"), except with respect to the (i) acquisition of certain voting securities of other domestic public utility companies and utility holding companies and (ii) the provisions of Section 33 of the 1935 Act regarding the acquisition, ownership and financing of foreign utility companies.

#### THE NORAM MERGER

On August 6, 1997, (i) Old HI merged into the Company and the Company changed its name to "Houston Industries Incorporated" and (ii) NorAm Energy Corp., a Delaware corporation, merged into a subsidiary of Old HI, the name of which was changed to "NorAm Energy Corp." As a result of these mergers, NorAm became a wholly owned subsidiary of the Company. As consideration for the acquisition of NorAm, the Company issued approximately 47.8 million shares of Common Stock and paid approximately \$1.4 billion in cash. At the time of the merger, NorAm and its subsidiaries had approximately \$1.7 billion of outstanding indebtedness.

The Company's executive offices are located at Houston Industries Plaza, 1111 Louisiana, Houston, Texas 77002 (telephone number 713-207-1111).

#### USE OF PROCEEDS

Because the shares of Common Stock offered hereby will be issued upon conversion of the Convertible Debentures, the Company will not receive any proceeds upon such issuance.

#### PLAN OF DISTRIBUTION

##### ISSUANCE OF COMMON STOCK UPON CONVERSION OF CONVERTIBLE DEBENTURES

Pursuant to the Agreement and Plan of Merger, dated as of August 11, 1996, as amended (the "Merger Agreement"), by and among Old HI, the Company, NorAm Energy Corp., a Delaware corporation ("Old NorAm"), and HI Merger, Inc., a Delaware corporation and a wholly owned subsidiary of Old HI ("Merger Sub"), (i) Old HI was merged (the "Company Merger") with and into the Company on August 6, 1997, with the Company continuing in existence as the surviving corporation being renamed "Houston Industries Incorporated," and (ii) Old NorAm was merged (the "NorAm Merger" and collectively with the Company Merger, the "Mergers") with and into Merger Sub on August 6, 1997 immediately following the Company Merger, with Merger Sub continuing in existence as the surviving corporation being renamed "NorAm Energy Corp." ("NorAm"). As a result of the Mergers, NorAm became a wholly owned subsidiary of the Company. Pursuant to the terms and conditions of the Merger Agreement, the Company agreed to be bound by the conversion provisions of the Convertible Debentures.

Under the terms of the Indenture, dated as of March 1, 1987, as amended and supplemented (the "Indenture"), between NorAm, as successor in interest to Old NorAm and Arkla, Inc., and The Chase Manhattan Bank (National Association), as trustee, the holder of a Convertible Debenture has the right to convert such Convertible Debenture at any time on or prior to March 15,

2012 into the amount, subject to the adjustments provided for in the Indenture, of Stock Consideration (as defined below) and Cash Consideration (as defined below) which the holder thereof would have had the right to receive after the effective time of the NorAm Merger if such Convertible Debenture had been converted immediately prior to the effective time of the NorAm Merger and the holder thereof had made the election to receive Stock Consideration with respect to 50% of the shares of NorAm Common Stock (as defined below) and Cash Consideration with respect to the remaining 50% of the shares of NorAm Common Stock. At the effective time of the NorAm Merger, the Convertible Debentures were convertible into NorAm Common Stock at a conversion price of \$28.625 per share.

"NorAm Common Stock" means the common stock, par value \$.625 per share, of Old NorAm that a holder of a Convertible Debenture would have had the right to receive under the terms of the Indenture if such holder had exercised the conversion privilege of the Convertible Debentures immediately prior to the effective time of the NorAm Merger.

"Cash Consideration" means the cash amount of \$16.3051 per share of NorAm Common Stock.

"Stock Consideration" means 0.74963 shares of Common Stock per share of NorAm Common Stock.

Pursuant to the terms of the Indenture and the Merger Agreement, Common Stock may be issued to holders of Convertible Debentures from time to time upon the exercise of the conversion privilege of the Convertible Debentures by a holder thereof in accordance with the terms of the Indenture.

#### DESCRIPTION OF COMMON STOCK

The authorized capital stock of the Company consists of 700,000,000 shares of Common Stock, 10,000,000 shares of Preferred Stock, without par value, and 10,000,000 shares of Preference Stock, without par value ("Preference Stock"), of which (i) 700,000 shares have been designated by the Board of Directors of the Company as Series A Preference Stock ("Series A Preference Stock") and (ii) 27,000 shares have been designated by the Board of Directors of the Company as Series B Preference Stock ("Series B Preference Stock"). Each share of Common Stock offered hereby includes an associated preference stock purchase right (a "Right"). The shares of Series A Preference Stock have been initially reserved for issuance upon exercise of the Rights. ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Article 2.02.A.(16) and Article 2.02-1 of the Texas Business Corporation Act and Article V of the Company's Amended and Restated Bylaws provide the Company with broad powers and authority to indemnify its directors and officers and to purchase and maintain insurance for such purposes. Pursuant to such statutory and Bylaw provisions, the Company has purchased insurance against certain costs of indemnification that may be incurred by it and by its officers and directors.

Additionally, Article IX of the Company's Restated Articles of Incorporation provides that a director of the Company is not liable to the Company or its shareholders for monetary damages for any act or omission in the director's capacity as director, except that Article IX does not eliminate or limit the liability of a director for (i) breaches of such director's duty of loyalty to the Company and its shareholders, (ii) acts or omissions not in good faith or which involve intentional misconduct or knowing violations of law, (iii) transactions from which a director receives an improper benefit, irrespective of whether the benefit resulted from an action taken within the scope of the director's office, (iv) acts or omissions for which liability is specifically provided by statute and (v) acts relating to unlawful stock repurchases or payments of dividends.

Article IX also provides that any subsequent amendments to Texas statutes that further limit the liability of directors will inure to the benefit of the directors, without any further action by shareholders. Any repeal or modification of Article IX shall not adversely affect any right of protection of a director of the Company existing at the time of the repeal or modification.

See "Item 17. Undertakings" for a description of the Commission's position regarding such indemnification provisions.

ITEM 16. EXHIBITS.

See Index to Exhibits at page II-4.

ITEM 17. UNDERTAKINGS.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement.

Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

AGREEMENT

WHEREAS, NorAm Energy Corp. ("NorAm"), Houston Industries Incorporated ("HI"), Houston Lighting & Power Company and HI Merger Inc. (together, the "Parties") have entered into that certain Agreement and Plan of Merger dated as of August 11, 1996 (the "Merger Agreement"); and

WHEREAS, NorAm and HI have subsequently discussed continuing the participation of NorAm employees in certain annual variable pay plans through December 31, 1997, rather than making pro-rated payments to participants under such plans as provided in Section 5.10(e) of the Merger Agreement.

NOW, THEREFORE, the Parties hereby agree as follows:

1. Section 5.10(e) of the Merger Agreement is hereby amended to read as follows:

"For the calendar year ending December 31, 1996, NorAm will pay to each employee of NorAm and the NorAm Affiliates who is a participant in a NorAm annual incentive compensation plan or a variable pay program the amount of annual incentive compensation or variable pay awarded to such employee for 1996 based on the level of performance goals actually attained by NorAm. The amount of such incentive compensation or variable pay will be determined in accordance with normal practice and will be paid on or before March 15, 1997.

For the calendar year ending December 31, 1997, annual incentive compensation and annual variable pay awarded to employees of NorAm and the NorAm Affiliates under any plan or program including, without limitation, Section 9 of the 1994 Incentive Equity Plan (also known as the Annual Incentive Award Plan), the All Employee Incentive Plan (also known as the All Employee Incentive Opportunity Plan) and the Gas Marketing Incentive Plan (the "Plans") will be paid to such employees in accordance with the terms and conditions on which the awards were originally based, subject to the following modifications:

(1) In no event shall any individual who is an employee of NorAm or any affiliate of NorAm at the close of business on August 5, 1997 be paid less than an amount equal to 218/365 multiplied by the amount of the award that would have been payable to the employee had the applicable performance goals been achieved at the target level of performance. Any individual whose employment with NorAm and its affiliates terminates on or after the Effective Time and prior to December 31, 1997, shall be paid the award contemplated hereby as soon as practicable following termination of employment, but in no event later than 10 days following termination of employment.

(2) Performance with respect to any goals based on (i) earnings per share, or (ii) cash flow (where applicable), shall be measured utilizing the following assumptions:

(A) The number of shares and the level of convertible securities outstanding at any applicable time shall be deemed to be the same as the number of shares and level of convertible securities outstanding immediately prior to the Effective Time.

(B) Interest expense and distributions on convertible securities will be calculated from August 6, 1997 through December 31, 1997 as if the balances outstanding on August 6, 1997 remained outstanding through December 31, 1997.

(C) Corporate overhead expenses will be determined from August 6, 1997 through December 31, 1997 in accordance with NorAm's 1997 budget.

(D) No costs directly related to the Merger, and no costs related to amortization of new goodwill will be taken into account.

Houston Industries Incorporated  
Houston Industries Plaza  
1111 Louisiana  
Houston, Texas 77002

Ladies and Gentlemen:

We have acted as counsel for Houston Industries Incorporated (formerly known as Houston Lighting & Power Company), a Texas corporation (the "Company"), in connection with the Registration Statement on Form S-3 (the "Registration Statement") filed by the Company with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act"), relating to the issuance from time to time of up to 1,702,192 shares (the "Shares") of common stock, without par value, of the Company (and associated rights to purchase Series A Preference Stock, without par value, of the Company (the "Rights")) upon conversion of the 6% Convertible Subordinated Debentures due 2012 (the "Debentures") of NorAm Energy Corp. (formerly known as HI Merger, Inc.), a Delaware corporation ("New NorAm"). The Debentures are governed by an Indenture dated as of March 1, 1987, as amended and supplemented (the "Indenture"), between New NorAm as successor in interest to NorAm Energy Corp., a Delaware corporation ("Old NorAm"), and Arkla, Inc., and The Chase Manhattan Bank (National Association), as trustee.

In our capacity as your counsel in the connection referred to above, we have examined the Restated Articles of Incorporation and Amended and Restated Bylaws of the Company, each as amended to date, the Agreement and Plan of Merger dated as of August 11, 1996, as amended, by and among Houston Industries Incorporated, a Texas corporation ("Old HII"), the Company (formerly a wholly owned subsidiary of Old HII), New NorAm and Old NorAm, the Indenture, and the Amended and Restated Rights Agreement dated as of August 6, 1997 between the Company and Texas Commerce Bank National Association (the "Rights Agreement") and have examined originals, or copies certified or otherwise identified, of corporate records of the Company, including minute books of the Company as furnished to us by the Company, certificates of public officials and of representatives of the Company, statutes and other instruments or documents, as a basis for the opinions hereinafter expressed. In giving such opinions, we have relied upon certificates of officers of the Company with respect to the accuracy of the material factual matters contained in such certificates. In making our examination, we have assumed that all signatures on all documents examined by us are genuine, that all documents submitted to us as originals are accurate and complete, that all documents submitted to us as copies are true and correct copies of the originals thereof and that all information submitted to us was accurate and complete.

On the basis of the foregoing, and subject to the assumptions, limitations and qualifications set forth herein, we are of the opinion that:

1. The Company is a corporation duly organized and validly existing in good standing under the laws of the State of Texas.
2. The Shares, when duly issued upon conversion of the Debentures in accordance with the terms thereof and the terms and provisions of the Indenture, will be validly issued, fully paid and non-assessable.
3. The issuance of the Rights associated with the Shares has been duly authorized by all requisite corporate action on the part of the Company and, upon issuance from time to time in connection with the issuance of the associated Shares as provided above and in accordance with the terms of the Rights Agreement, the Rights associated with such Shares will be validly issued.

The opinion set forth in paragraph 3 above is limited to the valid issuance of the Rights under the Texas Business Corporation Act. In this connection, we do not express any opinion herein on any other aspect of the Rights, the effect of any equitable principles or fiduciary considerations relating to the adoption of the Rights Agreement or the issuance of the Rights, the enforceability of any particular provisions of the Rights Agreement, or the provisions of the Rights Agreement which discriminate or create unequal voting power among shareholders.

The opinions set forth above are limited in all respects to matters of Texas law as in effect on the date hereof. At your request, this opinion is being furnished to you for filing as Exhibit 5 to the Registration Statement. Additionally, we hereby consent to the reference to our Firm under the caption "Legal Opinions" in the Registration Statement. In giving such consent, we do not thereby concede that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission promulgated thereunder.

Very truly yours,

BAKER & BOTTS, L.L.P.
