On March 15, 2023, Southern Indiana Gas and Electric Company (“SIGECO”), a wholly-owned subsidiary of CenterPoint Energy, Inc. (the “Company”), and certain institutional investors in the private placement market (“Purchasers”) entered into a Bond Purchase Agreement (“Bond Purchase Agreement”), under which SIGECO agreed to sell, and each Purchaser agreed to severally purchase on March 15, 2023, \$100,000,000 4.98% First Mortgage Bonds, Series 2023A, Tranche A due 2028 (the “Tranche A Bonds”) and \$80,000,000 5.04% First Mortgage Bonds, Series 2023A, Tranche B due 2033 (the “Tranche B Bonds”, and together with the Tranche A Bonds, the “Bonds”) in the series and tranche as set forth in the Bond Purchase Agreement. The Bonds are issued under and entitled to the benefits of and secured by the Amended and Restated Indenture of Mortgage and Deed of Trust dated as of January 1, 2023 (the “Amended and Restated Mortgage Indenture”) between SIGECO and Deutsche Bank Trust Company Americas (the “Trustee”), as amended by the First Supplemental Indenture dated as of March 15, 2023 (the “First Supplemental Indenture”), between SIGECO and the Trustee relating to the Bonds (the Amended and Restated Mortgage Indenture, as amended by the First Supplemental Indenture is referred to as the “Indenture”). Accordingly, the Bonds will be secured ratably with SIGECO’s first mortgage bonds currently outstanding and those that may be issued in the future by the collateral pledged to secure such bonds. The proceeds of the Bonds will be used for general corporate purposes, including repaying short-term debt and refunding long-term debt at maturity or otherwise. Until the net proceeds from the sale of the Bonds have been used, SIGECO may invest them temporarily in interest-bearing obligations, including investments in the Company’s money pool.

Interest will accrue on the Tranche A Bonds at 4.98% per annum and will be payable on March 15 and September 15 of each year, beginning on September 15, 2023 and continue until the maturity date of March 15, 2028, or earlier prepayment. Interest will accrue on the Tranche B Bonds at 5.04% per annum and will be payable on March 15 and September 15 of each year, beginning on September 15, 2023 and continue until the maturity date of March 15, 2033, or earlier prepayment. SIGECO may prepay at any time all, or from time to time any part of, the Bonds, in an amount not less than 10% in aggregate principal amount of the Bonds or tranche of Bonds then outstanding in the case of a partial prepayment, at 100% of the aggregate principal amount so prepaid together with interest accrued thereon to the date of such prepayment plus a make-whole amount, if any, determined for the prepayment date with respect to such principal amount. The Bonds will not be registered under the Securities Act of 1933, as amended (“Securities Act”), or under the securities laws of any jurisdiction. The Bonds will be subject to certain restrictions on transfer and may only be sold in transactions exempt from, or not subject to, the registration requirements of the Securities Act.

The Bond Purchase Agreement contains customary representations and warranties of SIGECO and the Purchasers, respectively. A “completed default” under the Amended and Restated Mortgage Indenture constitutes an event of default under the Bond Purchase Agreement. The remedies available to the Trustee upon the occurrence and continuance of a completed default are included in the Indenture.

Deutsche Bank Trust Company Americas and its affiliates have performed other trust, bank and advisory services for the Company, SIGECO and their affiliates from time to time for which they have received customary fees and expenses and may, from time to time, engage in transactions with and perform services for the Company and SIGECO and their affiliates in the ordinary course of their businesses.

The above descriptions of the Amended and Restated Mortgage Indenture, the First Supplemental Indenture and the Bond Purchase Agreement are not complete and are qualified in their entirety by reference to the entire Amended and Restated Mortgage Indenture, First Supplemental Indenture, together with the forms of the Bonds included therein, and the Bond Purchase Agreement attached hereto as Exhibits 4.1, 4.2 and 10.1 and incorporated by reference.

This Bond is one of a duly authorized issue of bonds of the Company, designated as “Southern Indiana Gas and Electric Company First Mortgage Bonds, Series 2023A” (sometimes referred to herein as the “*Series 2023A Bonds*”), issued or to be issued under and equally and ratably secured by that certain Amended and Restated Indenture of Mortgage and Deed of Trust dated as of January 1, 2023 (the “*Original Indenture*”) between the Company and Deutsche Bank Trust Company Americas, as trustee (the “*Trustee*,” which term shall include any successor trustee as provided in the Indenture), as such Original Indenture may be amended and supplemented by indentures supplemental thereto from time to time, including that First Supplemental Indenture dated as of March 15, 2023 (the “*First Supplemental Indenture*”), duly executed by the Company to the Trustee, to which Original Indenture and all indentures supplemental thereto (herein sometimes collectively called the “*Indenture*”) reference is hereby made for a description of the property mortgaged and pledged and the respective rights of the Company, the Trustee and the holders of bonds in respect thereof, and for a specification of the principal amount of bonds from time to time issuable thereunder and the conditions upon which bonds may be issued.

The Series 2023A Bonds may be issued in two Tranches; Series 2023A, Tranche A Bonds and Series 2023A, Tranche B Bonds are issued pursuant to the First Supplemental Indenture. This Bond is a “Series 2023A, Tranche A Bond.” The Series 2023A, Tranche A Bonds are of similar tenor hereto and are limited to the aggregate authorized principal amount of \$100,000,000 (except for Series 2023A, Tranche A Bonds authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Series 2023A, Tranche A Bonds pursuant to the Indenture and except for any Series 2023A, Tranche A Bonds which, pursuant to the Indenture, are deemed never to have been authenticated and delivered hereunder). Except as otherwise provided, this Bond is subject to all of the terms, conditions and covenants of the Indenture as supplemented, including by the First Supplemental Indenture and is entitled to the benefits thereof.

The Indenture and the Bond Purchase Agreement provide that such declarations referred to in the two preceding paragraphs may in certain events be waived by the holders of a majority in principal amount of the relevant bonds Outstanding.

Interest payments for this Bond shall be computed and paid on the basis of a 360-day year of twelve 30-day months. Anything in the Bond Purchase Agreement or the Indenture to the contrary notwithstanding (but without limiting the requirement in Section 8.2 of the Bond Purchase Agreement that the notice of any optional prepayment specify a Business Day (as defined in the Bond Purchase Agreement) as the date fixed for such prepayment), (a) any payment of interest on this Bond that is due on a date other than a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day and (b) any payment of principal of or Make-Whole Amount on any Bond (including principal due on the Maturity Date of this Bond) that is due on a date that is not a Business Day shall be made on the next succeeding Business Day and shall include the additional days elapsed (but excluding the Business Day on which such payment is made) in the computation of interest payable on such next succeeding Business Day.

As more fully described in the Indenture, the Company, at its option, and subject to the terms and conditions provided in the Indenture, will be discharged from any and all obligations in respect of the Series 2023A, Tranche A Bonds (except for certain obligations as specifically set forth in the Indenture) upon a Legal Defeasance as provided in the Indenture.

The Series 2023A, Tranche A Bonds are issuable only in registered form, without coupons, in denominations of \$100,000 and integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Series 2023A, Tranche A Bonds are exchangeable for a like aggregate principal amount of Series 2023A, Tranche A Bonds of like tenor and of a different authorized denomination, as requested by the holder surrendering the same.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Bond is registrable in the books for the registration and transfer of bonds issued under the Indenture maintained by or on behalf of the Company. Upon surrender of this Bond for registration of transfer at the corporate trust office of the Trustee or such other office or agency as may be designated by the Company, endorsed by or accompanied by a written instrument of transfer in form satisfactory to the Company, the Trustee and any agent of the Company or the Trustee, duly executed by the holder hereof or the attorney in fact of such holder duly authorized in writing, one or more new bonds of like tenor and of authorized denominations and for the same aggregate principal amount will be issued to the designated transferee or transferees.

No service charge shall be made for any such registration of transfer or exchange but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to the transfer of registration of this Bond on the registration books maintained by or on behalf of the Company, the Company, the Trustee and any agent of the Company or the Trustee may treat the person in whose name this Bond is registered as the owner thereof for all purposes, whether or not this Bond is overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

As more fully provided in the Indenture, certain of the provisions of the Indenture or bonds issued pursuant thereto may be altered, amended or eliminated, or additional provisions added, without the consent of the holders, while other provisions of the Indenture or bonds issued pursuant thereto may be altered, amended or eliminated, or additional provisions added only with the consent of holders of not less than a majority in aggregate principal amount of the bonds of all series then Outstanding, considered as one class; *provided, however*, that if there shall be bonds of more than one series Outstanding under the Indenture and if a proposed supplemental indenture shall directly affect the rights of the holders of bonds of one or more, but less than all, of such series, then the consent only of the holders of a majority in aggregate principal amount of the Outstanding bonds of all series so directly affected, considered as one class, shall be required; and *provided, further*, that if the bonds of any series shall have been issued in more than one Tranche and if a proposed supplemental indenture shall directly affect the rights of the holders of bonds of one or more, but less than all, of such Tranches, then the consent only of the holders of a majority in aggregate principal amount of the Outstanding bonds of all Tranches so directly affected, considered as one class, shall be required. Notwithstanding the foregoing, as provided in the Indenture, certain provisions of this Bond may not be changed without the consent of the holder of this Bond.

No recourse shall be had for the payment of the principal of or premium, if any, Make-Whole Amount, if any, or interest, if any, on this Bond, or any part thereof, or for any claim based thereon or otherwise in respect hereof, or of the indebtedness represented hereby, or upon any obligation, covenant or agreement under the Indenture, any indenture supplemental thereto or this Bond, against any past, present or future incorporator, stockholder, officer or director, as such, of the Company or of any predecessor or successor corporation (either directly or through the Company or a predecessor or successor corporation), whether by virtue of any constitutional provision, statute or rule of law or by the enforcement of any assessment or legal or equitable proceeding, penalty or otherwise; it being expressly agreed and understood that this Bond and the obligations evidenced hereby are solely corporate obligations and that no personal liability whatsoever shall attach to, or be incurred by, any incorporator, stockholder, officer or director, past, present or future, of the Company or of any predecessor or successor corporation, either directly or indirectly through the Company or any predecessor or successor corporation, because of the indebtedness evidenced hereby or under or by reason of any of the obligations, covenants or agreements contained in the Indenture, any supplemental indenture or in this Bond or to be implied therefrom or herefrom; and such personal liability, if any, is hereby expressly waived and released as a condition of, and as part of the consideration for, the execution and delivery of the Indenture, as originally executed and delivered, and the issuance of this Bond.

This Bond shall be governed by and construed in accordance with the law of the State of New York, except to the extent that the law of any jurisdiction wherein any portion of the Mortgaged and Pledged Property is located shall mandatorily govern the creation of a mortgage lien on and security interest in, or perfection, priority or enforcement of the Lien of the Indenture or exercise of remedies with respect to, such portion of the Mortgaged and Pledged Property.

Unless the certificate of authentication hereon has been executed by the Trustee by manual or electronic signature of an authorized officer, this Bond shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

IN WITNESS WHEREOF, Southern Indiana Gas and Electric Company has caused this Bond to be signed in its name by its President or a Vice President, by [his] [her] signature or a facsimile thereof, and attested by its Secretary or an Assistant Secretary, by [his] [her] signature or a facsimile thereof.

To the extent permitted by law, the Company shall pay interest (a) on any overdue payment of interest and (b) during the continuance of an Event of Default, on the unpaid principal of this Bond and on any overdue payment of any Make-Whole Amount, at the Default Rate (as hereinafter defined). Default Rate means 1% above the Interest Rate stated above.

Capitalized terms used but not defined in this Bond that are defined in the Indenture shall have such meanings as provided in the Indenture (as modified by the First Supplemental Indenture referred to below), except that the terms “Event of Default” and “Make-Whole Amount” shall have the respective meanings assigned to such term in the Bond Purchase Agreement.

Except as otherwise provided in the Indenture, all payments of principal hereof, Make-Whole Amount, if any, and interest hereon shall be paid at the corporate trust office of the Trustee (as hereinafter defined), or at such other place as the Company shall have designated by written notice to the holder of this Bond as provided in the Bond Purchase Agreement, in such coin or currency of the United States of America as at the time of payment shall constitute legal tender for the payment of public and private debts.

Except as otherwise provided in the Indenture, any such interest not so punctually paid or duly provided for will forthwith cease to be payable to the holder on such Regular Record Date and shall be paid to the person in whose name this Bond is registered at the close of business on a Special Record Date for the payment of such defaulted interest to be fixed as provided in the Indenture.

This Bond is one of a duly authorized issue of bonds of the Company, designated as “Southern Indiana Gas and Electric Company First Mortgage Bonds, Series 2023A” (sometimes referred to herein as the “*Series 2023A Bonds*”), issued or to be issued under and equally and ratably secured by that certain Amended and Restated Indenture of Mortgage and Deed of Trust dated as of January 1, 2023 (the “*Original Indenture*”) between the Company and Deutsche Bank Trust Company Americas, as trustee (the “*Trustee*,” which term shall include any successor trustee as provided in the Indenture), as such Original Indenture may be amended and supplemented by indentures supplemental thereto from time to time, including that First Supplemental Indenture dated as of March 15, 2023 (the “*First Supplemental Indenture*”), duly executed by the Company to the Trustee, to which Original Indenture and all indentures supplemental thereto (herein sometimes collectively called the “*Indenture*”) reference is hereby made for a description of the property mortgaged and pledged and the respective rights of the Company, the Trustee and the holders of bonds in respect thereof, and for a specification of the principal amount of bonds from time to time issuable thereunder and the conditions upon which bonds may be issued.

The Series 2023A Bonds may be issued in two Tranches; Series 2023A, Tranche A Bonds and Series 2023A, Tranche B Bonds are issued pursuant to the First Supplemental Indenture. This Bond is a “Series 2023A, Tranche B Bond.” The Series 2023A, Tranche B Bonds are of similar tenor hereto and are limited to the aggregate authorized principal amount of \$80,000,000 (except for Series 2023A, Tranche B Bonds authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Series 2023A, Tranche B Bonds pursuant to the Indenture and except for any Series 2023A, Tranche B Bonds which, pursuant to the Indenture, are deemed never to have been authenticated and delivered hereunder). Except as otherwise provided, this Bond is subject to all of the terms, conditions and covenants of the Indenture as supplemented, including by the First Supplemental Indenture and is entitled to the benefits thereof.

This Bond is also issued in accordance with the terms of the Bond Purchase Agreement, dated as of March 15, 2023 (as from time to time amended in accordance with its terms, the “*Bond Purchase Agreement*”), among the Company and the purchasers of the Series 2023A Bonds listed in Schedule B thereto and is subject to all of the terms, conditions and covenants of the Bond Purchase Agreement and is entitled to the benefits thereof.

The Company or the paying agent, as the case may be, will make required prepayments in respect of this Bond on the dates and in the amounts specified in the Bond Purchase Agreement. This Bond is also subject to optional prepayment, in whole or in part, at the times and on the terms specified in the Bond Purchase Agreement, but not otherwise. In the event of a prepayment of this Bond in part only, a new Series 2023A, Tranche B Bond or Bonds for the unpaid portion hereof may be issued in the name of the holder hereof upon the cancellation hereof.

If an Event of Default shall occur and be continuing, the principal of this Bond may be declared or otherwise become due and payable in the manner, at the price (including any applicable Make-Whole Amount) and with the effect provided in the Indenture and this Bond. In the event that the principal of this Bond shall have been declared or otherwise become due and payable as described in the preceding sentence then, in addition to the entire principal amount, any accrued interest and the Make-Whole Amount, if any, shall also become due and payable.

If an “Event of Default” shall occur and be continuing, the principal of all the Series 2023A Bonds at any such time outstanding under the Bond Purchase Agreement may be declared or may become due and payable, upon the conditions and in the manner, at the price (including any applicable Make-Whole Amount) and with the effect provided in the Indenture and the Bond Purchase Agreement.

The Indenture and the Bond Purchase Agreement provide that such declarations referred to in the two preceding paragraphs may in certain events be waived by the holders of a majority in principal amount of the relevant bonds Outstanding.

Interest payments for this Bond shall be computed and paid on the basis of a 360-day year of twelve 30-day months. Anything in the Bond Purchase Agreement or the Indenture to the contrary notwithstanding (but without limiting the requirement in Section 8.2 of the Bond Purchase Agreement that the notice of any optional prepayment specify a Business Day (as defined in the Bond Purchase Agreement) as the date fixed for such prepayment), (a) any payment of interest on this Bond that is due on a date other than a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day and (b) any payment of principal of or Make-Whole Amount on any Bond (including principal due on the Maturity Date of this Bond) that is due on a date that is not a Business Day shall be made on the next succeeding Business Day and shall include the additional days elapsed (but excluding the Business Day on which such payment is made) in the computation of interest payable on such next succeeding Business Day.

As more fully described in the Indenture, the Company, at its option, and subject to the terms and conditions provided in the Indenture, will be discharged from any and all obligations in respect of the Series 2023A, Tranche B Bonds (except for certain obligations as specifically set forth in the Indenture) upon a Legal Defeasance as provided in the Indenture.

The Series 2023A, Tranche B Bonds are issuable only in registered form, without coupons, in denominations of \$100,000 and integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Series 2023A, Tranche B Bonds are exchangeable for a like aggregate principal amount of Series 2023A, Tranche B Bonds of like tenor and of a different authorized denomination, as requested by the holder surrendering the same.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Bond is registrable in the books for the registration and transfer of bonds issued under the Indenture maintained by or on behalf of the Company. Upon surrender of this Bond for registration of transfer at the corporate trust office of the Trustee or such other office or agency as may be designated by the Company, endorsed by or accompanied by a written instrument of transfer in form satisfactory to the Company, the Trustee and any agent of the Company or the Trustee, duly executed by the holder hereof or the attorney in fact of such holder duly authorized in writing, one or more new bonds of like tenor and of authorized denominations and for the same aggregate principal amount will be issued to the designated transferee or transferees.

No service charge shall be made for any such registration of transfer or exchange but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to the transfer of registration of this Bond on the registration books maintained by or on behalf of the Company, the Company, the Trustee and any agent of the Company or the Trustee may treat the person in whose name this Bond is registered as the owner thereof for all purposes, whether or not this Bond is overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

As more fully provided in the Indenture, certain of the provisions of the Indenture or bonds issued pursuant thereto may be altered, amended or eliminated, or additional provisions added, without the consent of the holders, while other provisions of the Indenture or bonds issued pursuant thereto may be altered, amended or eliminated, or additional provisions added only with the consent of holders of not less than a majority in aggregate principal amount of the bonds of all series then Outstanding, considered as one class; *provided, however*, that if there shall be bonds of more than one series Outstanding under the Indenture and if a proposed supplemental indenture shall directly affect the rights of the holders of bonds of one or more, but less than all, of such series, then the consent only of the holders of a majority in aggregate principal amount of the Outstanding bonds of all series so directly affected, considered as one class, shall be required; and *provided, further*, that if the bonds of any series shall have been issued in more than one Tranche and if a proposed supplemental indenture shall directly affect the rights of the holders of bonds of one or more, but less than all, of such Tranches, then the consent only of the holders of a majority in aggregate principal amount of the Outstanding bonds of all Tranches so directly affected, considered as one class, shall be required. Notwithstanding the foregoing, as provided in the Indenture, certain provisions of this Bond may not be changed without the consent of the holder of this Bond.

No recourse shall be had for the payment of the principal of or premium, if any, Make-Whole Amount, if any, or interest, if any, on this Bond, or any part thereof, or for any claim based thereon or otherwise in respect hereof, or of the indebtedness represented hereby, or upon any obligation, covenant or agreement under the Indenture, any indenture supplemental thereto or this Bond, against any past, present or future incorporator, stockholder, officer or director, as such, of the Company or of any predecessor or successor corporation (either directly or through the Company or a predecessor or successor corporation), whether by virtue of any constitutional provision, statute or rule of law or by the enforcement of any assessment or legal or equitable proceeding, penalty or otherwise; it being expressly agreed and understood that this Bond and the obligations evidenced hereby are solely corporate obligations and that no personal liability whatsoever shall attach to, or be incurred by, any incorporator, stockholder, officer or director, past, present or future, of the Company or of any predecessor or successor corporation, either directly or indirectly through the Company or any predecessor or successor corporation, because of the indebtedness evidenced hereby or under or by reason of any of the obligations, covenants or agreements contained in the Indenture, any supplemental indenture or in this Bond or to be implied therefrom or herefrom; and such personal liability, if any, is hereby expressly waived and released as a condition of, and as part of the consideration for, the execution and delivery of the Indenture, as originally executed and delivered, and the issuance of this Bond.

This Bond shall be governed by and construed in accordance with the law of the State of New York, except to the extent that the law of any jurisdiction wherein any portion of the Mortgaged and Pledged Property is located shall mandatorily govern the creation of a mortgage lien on and security interest in, or perfection, priority or enforcement of the Lien of the Indenture or exercise of remedies with respect to, such portion of the Mortgaged and Pledged Property.

Unless the certificate of authentication hereon has been executed by the Trustee by manual or electronic signature of an authorized officer, this Bond shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

IN WITNESS WHEREOF, Southern Indiana Gas and Electric Company has caused this Bond to be signed in its name by its President or a Vice President, by [his] [her] signature or a facsimile thereof, and attested by its Secretary or an Assistant Secretary, by [his] [her] signature or a facsimile thereof.

PART IIA

DESCRIPTION OF SERIES 2023A, TRANCHE A BONDS

Series 2023A, Tranche A Bonds shall mature, subject to prior redemption, on the date set forth in the form of bond relating hereto hereinbefore set forth, and shall bear interest at the rate set forth in the form of bond relating hereto hereinbefore set forth. Such interest shall be payable semiannually in arrears on March 15 and September 15 in each year, commencing on September 15, 2023, and all bonds of said series and Tranche shall be designated as hereinbefore in the sixth WHEREAS clause set forth in this Supplemental Indenture. Principal of, premium, if any, Make-Whole Amount, if any, and interest on said bonds shall be payable, to the extent specified in the form of bond hereinabove set forth, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts, at the office or agency of the Company in the Borough of Manhattan, The City of New York, N.Y. or at such other place as the Company shall have designated by written notice to the holder of said bonds as provided in the Bond Purchase Agreement. Definitive bonds of said series may be issued, originally or otherwise, only as registered bonds; and they and the Trustee's certificate of authentication shall be substantially in the forms hereinbefore recited, respectively. Definitive registered Series 2023A Bonds may be issued in the denomination of \$100,000 and in integral multiples of \$1,000 in excess thereof as the Board of Directors of the Company shall approve, and execution and delivery to the Trustee for authentication shall be conclusive evidence of such approval. In the manner and upon payment of the charges prescribed in the Indenture, registered bonds of said series and Tranche may be exchanged for a like aggregate principal amount of fully registered bonds of other authorized denominations of the same series and Tranche, upon presentation and surrender thereof for cancellation to the Trustee at its designated corporate trust office, currently in the Borough of Manhattan, The City of New York, N.Y. However, no charge shall be made upon any transfer or exchange of bonds of said series other than for any tax or taxes or other governmental charge required to be paid by the Company. The form of the temporary bonds of said series and Tranche shall be in substantially the form of the form of registered bond hereinbefore recited with such appropriate changes therein as are required on account of the temporary nature thereof. Said temporary bonds of said series and Tranche shall be in registered form, registrable as to principal, and shall be exchangeable for definitive bonds of said series and Tranche when prepared.

The person in whose name any registered bond of the Series 2023A, Tranche A Bonds is registered at the close of business on any Regular Record Date (as defined in such bond) with respect to any Interest Payment Date (as defined in such bond) shall be entitled to receive the interest payable on such Interest Payment Date notwithstanding the cancellation of such registered bond upon any transfer or exchange thereof subsequent to the Regular Record Date and prior to such interest payment date, except in the case of Defaulted Interest (as defined below) which will cease to be payable to the holder on such Regular Record Date and shall be paid to the person in whose name the Series 2023A, Tranche A Bond is registered at the close of business on a date (herein called a "*Special Record Date*") for payment of such defaulted interest to be fixed as hereinafter provided in this Supplemental Indenture.

Except as provided in this Section, every registered bond of the Series 2023A, Tranche A Bonds shall be dated and shall bear interest as provided in the form of bond relating hereto hereinbefore set forth; *provided, however*; that so long as there is no existing default in the payment of interest on the bonds, the holder of any bond authenticated by the Trustee between the Regular Record Date for any Interest Payment Date and such Interest Payment Date shall not be entitled to the payment of the interest due on such Interest Payment Date and shall have no claim against the Company with respect thereto; and *provided, further*; that, if and to the extent the Company shall default in the payment of the interest due on such Interest Payment Date, then any such bond shall bear interest from the interest payment date to which interest has been paid.

Any interest on any Series 2023A Bond, or any Tranche thereof, which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called "*Defaulted Interest*") shall forthwith cease to be payable to the holder on the related Regular Record Date by virtue of having been such holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in clause (a) or (b) below:

(a) The Company may elect to make payment of any Defaulted Interest to the persons in whose names the Series 2023A Bonds, or any Tranche thereof (or their respective predecessor Series 2023A Bonds), are registered on the Special Record Date to determine the holders of record who will receive such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Series 2023A Bond, or any Tranche thereof, and the date of the proposed payment (the "*Payment Date*"), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this clause provided. Thereupon, the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than thirty (30) days and not less than ten (10) days prior to the date of the proposed payment and not less than twenty-five (25) days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall, not less than five (5) days prior to such Payment Date, cause notice of the proposed payment of such Defaulted Interest and the Payment Date therefor to be given to each holder of Series 2023A Bonds, or any Tranche thereof. Notice of the proposed payment of such Defaulted Interest and the Payment Date therefor having been so given, such Defaulted Interest shall be paid to the persons in whose names the Series 2023A Bonds, or any Tranche thereof (or their respective predecessor Series 2023A Bonds), are registered at the close of business on such Special Record Date.

(b) The Company may make payment of any Defaulted Interest on the Series 2023A Bonds, or any Tranche thereof, in any other lawful manner, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section and Section 2.03 of the Indenture, each the Series 2023A Bond or any Tranche thereof delivered under the Indenture upon registration of transfer of or in exchange for or in lieu of any other Series 2023A Bonds shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other related Series 2023A Bond or any Tranche thereof.

PART IIB

DESCRIPTION OF SERIES 2023A, TRANCHE B BONDS

Series 2023A, Tranche B Bonds shall mature, subject to prior redemption, on the date set forth in the form of bond relating hereto hereinbefore set forth, and shall bear interest at the rate set forth in the form of bond relating hereto hereinbefore set forth. Such interest shall be payable semiannually in arrears on March 15 and September 15 in each year, commencing on September 15, 2023, and all bonds of said series and Tranche shall be designated as hereinbefore in the sixth WHEREAS clause set forth in this Supplemental Indenture. Principal of, premium, if any, Make-Whole Amount, if any, and interest on said bonds shall be payable, to the extent specified in the form of bond hereinabove set forth, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts, at the office or agency of the Company in the Borough of Manhattan, The City of New York, N.Y. or at such other place as the Company shall have designated by written notice to the holder of said bonds as provided in the Bond Purchase Agreement. Definitive bonds of said series may be issued, originally or otherwise, only as registered bonds; and they and the Trustee's certificate of authentication shall be substantially in the forms hereinbefore recited, respectively. Definitive registered Series 2023A Bonds may be issued in the denomination of \$100,000 and in integral multiples of \$1,000 in excess thereof as the Board of Directors of the Company shall approve, and execution and delivery to the Trustee for authentication shall be conclusive evidence of such approval. In the manner and upon payment of the charges prescribed in the Indenture, registered bonds of said series and Tranche may be exchanged for a like aggregate principal amount of fully registered bonds of other authorized denominations of the same series and Tranche, upon presentation and surrender thereof for cancellation to the Trustee at its designated corporate trust office, currently in the Borough of Manhattan, The City of New York, N.Y. However, no charge shall be made upon any transfer or exchange of bonds of said series other than for any tax or taxes or other governmental charge required to be paid by the Company. The form of the temporary bonds of said series and Tranche shall be in substantially the form of the form of registered bond hereinbefore recited with such appropriate changes therein as are required on account of the temporary nature thereof. Said temporary bonds of said series and Tranche shall be in registered form, registrable as to principal, and shall be exchangeable for definitive bonds of said series and Tranche when prepared.

The person in whose name any registered bond of the Series 2023A, Tranche B Bonds is registered at the close of business on any Regular Record Date (as defined in such bond) with respect to any Interest Payment Date (as defined in such bond) shall be entitled to receive the interest payable on such Interest Payment Date notwithstanding the cancellation of such registered bond upon any transfer or exchange thereof subsequent to the Regular Record Date and prior to such interest payment date, except in the case of Defaulted Interest (as defined below) which will cease to be payable to the holder on such Regular Record Date and shall be paid to the person in whose name the Series 2023A, Tranche B Bond is registered at the close of business on a date (herein called a "*Special Record Date*") for payment of such defaulted interest to be fixed as provided in the Indenture.

Except as provided in this Section, every registered bond of the Series 2023A, Tranche B Bonds shall be dated and shall bear interest as provided in the form of bond relating hereto hereinbefore set forth; *provided, however*; that so long as there is no existing default in the payment of interest on the bonds, the holder of any bond authenticated by the Trustee between the Regular Record Date for any Interest Payment Date and such Interest Payment Date shall not be entitled to the payment of the interest due on such Interest Payment Date and shall have no claim against the Company with respect thereto; and *provided, further*; that, if and to the extent the Company shall default in the payment of the interest due on such Interest Payment Date, then any such bond shall bear interest from the interest payment date to which interest has been paid.

Any interest on any Series 2023A Bond, or any Tranche thereof, which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called "*Defaulted Interest*") shall forthwith cease to be payable to the holder on the related Regular Record Date by virtue of having been such holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in clause (a) or (b) below:

(a) The Company may elect to make payment of any Defaulted Interest to the persons in whose names the Series 2023A Bonds, or any Tranche thereof (or their respective predecessor Series 2023A Bonds), are registered on the Special Record Date to determine the holders of record who will receive such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Series 2023A Bond, or any Tranche thereof, and the date of the proposed payment (the "*Payment Date*"), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this clause provided. Thereupon, the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than thirty (30) days and not less than ten (10) days prior to the date of the proposed payment and not less than twenty-five (25) days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall, not less than five (5) days prior to such Payment Date, cause notice of the proposed payment of such Defaulted Interest and the Payment Date therefor to be given to each holder of Series 2023A Bonds, or any Tranche thereof. Notice of the proposed payment of such Defaulted Interest and the Payment Date therefor having been so given, such Defaulted Interest shall be paid to the persons in whose names the Series 2023A Bonds, or any Tranche thereof (or their respective predecessor Series 2023A Bonds), are registered at the close of business on such Special Record Date.

(b) The Company may make payment of any Defaulted Interest on the Series 2023A Bonds, or any Tranche thereof, in any other lawful manner, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section and Section 2.03 of the Indenture, each the Series 2023A Bond or any Tranche thereof delivered under the Indenture upon registration of transfer of or in exchange for or in lieu of any other Series 2023A Bond shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other related Series 2023A Bond or any Tranche thereof.

PART III

REDEMPTION PROVISIONS

Section 1. Notwithstanding Article IX of the Amended and Restated Indenture, the Series 2023A Bonds shall be redeemable as set forth in the Bond Purchase Agreement. The Trustee shall not be responsible for the calculation of the Make-Whole Amount. The Company shall calculate the Make-Whole Amount, if any, with respect to any such redemption and shall promptly notify the Trustee thereof.

Section 2. In case the Company shall desire to exercise its right to redeem Series 2023A Bonds, notice of redemption shall be mailed at the direction of the Company, postage prepaid, as set forth in the Bond Purchase Agreement, to the owners of the Series 2023A Bonds to be redeemed, as a whole or in part, at their addresses as the same shall appear on the registration books maintained by or on behalf of the Company pursuant to the Indenture as of the most recent practicable date prior to such notice. Failure to duly give notice by mail, or defect in the notice, to the owner of any such Series 2023A Bond shall not affect the validity of the proceedings for the redemption of any other Series 2023A Bond.

Section 3 For the avoidance of doubt, the term “prepayment” under the Bond Purchase Agreement and “redemption” under the Indenture shall be synonymous.

PART IV

REMEDIES ON DEFAULT

Notwithstanding Article XI of the Amended and Restated Indenture, upon the Series 2023A Bonds becoming due and payable under Section 11.01 of the Amended and Restated Indenture, the Series 2023A Bonds will forthwith mature and the entire unpaid principal amount of such Series 2023A Bonds, plus (x) all accrued and unpaid interest thereon (including interest accrued thereon and on any overdue payment of any Make-Whole Amount, at the Default Rate) and (y) the Make-Whole Amount determined in respect of such principal amount, shall all be immediately due and payable, in each case without presentment, demand, protest or further notice, all of which are hereby waived.

PART V

The Supplemental Indenture shall be substantially in the form set out in Exhibit A hereto, with such changes therefrom, if any, as may be approved by the Purchasers and the Company. The term “**Bonds**” shall include any such Bonds of the same series and tranche issued in substitution therefor pursuant to the terms and provisions of the Indenture. The Bonds shall be substantially in the respective forms set out in the Supplemental Indenture, with such changes therefrom, if any, as may be approved by the Purchasers and the Company. Certain capitalized terms used herein shall have the meaning ascribed to such terms in the Indenture unless otherwise defined in Schedule A to this Agreement or the context hereof shall otherwise require; and references to a “**Schedule**” or an “**Exhibit**” are, unless otherwise specified, to a Schedule or an Exhibit attached to this Agreement.

SECTION 2. SALE AND PURCHASE OF BONDS.

Subject to the terms and conditions of this Agreement, the Company will issue and sell to each Purchaser and each Purchaser will purchase from the Company, at the Closing provided for in Section 3, Bonds of the series and tranche and in the principal amount specified opposite such Purchaser's name in Schedule B to this Agreement at the purchase price of 100% of the principal amount thereof. The Purchasers' obligations hereunder are several and not joint obligations and no Purchaser shall have any liability to any Person for the performance or non-performance of any obligation by any other Purchaser hereunder.

SECTION 3. CLOSING.

The sale and purchase of the Bonds to be purchased by each Purchaser shall occur at the offices of Hunton Andrews Kurth LLP, 200 Park Avenue, New York, New York 10166 at 10:00 a.m., Eastern time, at a closing (the "**Closing**") on March 15, 2023 or on such other Business Day thereafter as may be agreed upon by the Company and the Purchasers. At the Closing the Company will deliver to each Purchaser the Bonds to be purchased by such Purchaser in the form of a single Bond (or such greater number of Bonds in denominations of at least \$100,000 as such Purchaser may request) of each series and tranche dated the date of the Closing and registered in such Purchaser's name (or in the name of its nominee), against delivery by such Purchaser to the Company or its order of immediately available funds in the amount of the purchase price therefor by wire transfer of immediately available funds for the account of the Company specified in the funding instructions letter provided pursuant to Section 4.14 of this Agreement. If at the Closing the Company shall fail to tender such Bonds to any Purchaser as provided above in this Section 3, or any of the conditions specified in Section 4 shall not have been fulfilled to such Purchaser's satisfaction, such Purchaser shall, at its election, be relieved of all further obligations under this Agreement, without thereby waiving any rights such Purchaser may have by reason of such failure by the Company to tender such Bonds or any of the conditions specified in Section 4 not having been fulfilled to such Purchaser's satisfaction.

SECTION 4. CONDITIONS TO CLOSING.

Each Purchaser's obligation to purchase and pay for the Bonds to be sold to such Purchaser at the Closing is subject to the fulfillment to such Purchaser's satisfaction, prior to or at the Closing, of the following conditions:

Section 4.1. Representations and Warranties. The representations and warranties of the Company in this Agreement shall be correct when made and at the time of the Closing (as if made at such time), except for any representation or warranty that by its terms speaks as of a particular time, in which case such representation or warranty shall have been correct as of that time.

Section 4.5. Purchase Permitted By Applicable Law, Etc. On the date of the Closing such Purchaser's purchase of Bonds shall (a) be permitted by the laws and regulations of each jurisdiction to which such Purchaser is subject, without recourse to provisions (such as section 1405(a)(8) of the New York Insurance Law) permitting limited investments by insurance companies without restriction as to the character of the particular investment, (b) not violate any applicable law or regulation (including Regulation T, U or X of the Board of Governors of the Federal Reserve System) and (c) not subject such Purchaser to any tax, penalty or liability under or pursuant to any applicable law or regulation, which law or regulation was not in effect on the date hereof. If requested by such Purchaser, such Purchaser shall have received an Officer's Certificate certifying as to such matters of fact as such Purchaser may reasonably specify to enable such Purchaser to determine whether such purchase is so permitted.

Section 4.6. Sale of Other Bonds. Contemporaneously with the Closing, the Company shall sell to each other Purchaser and each other Purchaser shall purchase the Bonds to be purchased by it at the Closing as specified in Schedule B to this Agreement.

Section 4.7. Payment of Special Counsel Fees. Without limiting the provisions of Section 15.1, the Company shall have paid on or before the Closing the reasonable and documented fees, charges and disbursements of the Purchasers' special counsel referred to in Section 4.4 to the extent reflected in a statement of such counsel rendered to the Company at least two Business Days prior to the Closing.

Section 4.9. Changes in Corporate Structure. The Company shall not have changed its jurisdiction of incorporation or organization, as applicable, or been a party to any merger or consolidation or succeeded to all or any substantial part of the liabilities of any other entity, at any time following the date of the most recent financial statements referred to in Schedule 5.5.

Section 4.10. Amended and Restated Mortgage. The Amended and Restated Mortgage shall have been duly authorized, executed and delivered by the Company and the Trustee and the conditions to effectiveness thereto shall have been satisfied or waived.

Section 4.11. Execution, Authentication and Delivery of Supplemental Indenture. The Supplemental Indenture shall have been duly authorized, executed and delivered by the Company and the Trustee.

Section 4.13. Approvals. The Company shall have furnished to such Purchaser and such Purchaser's special counsel true and correct copies of all certificates, approvals, authorizations, consents, recordings and filings necessary for the execution, delivery or performance by the Company of this Agreement, the Bonds, and the Indenture relating to the authorization and issuance of the Bonds including, without limitation, (a) the consents and approvals referred to in Section 5.7 of this Agreement and in the Indenture, if any, and (b) such recordings and filings as may be necessary or appropriate to perfect the liens and security interests granted or conveyed by the Indenture.

Section 4.14. Funding Instructions. At least five (5) Business Days prior to the date of the Closing, each Purchaser shall have received written instructions signed by a Responsible Officer on letterhead of the Company confirming funding instructions including (i) the name and address of the transferee bank, (ii) such transferee bank's ABA number and (iii) the account name and number into which the applicable purchase price for the Bonds is to be deposited, which account shall be fully opened and able to receive micro deposits in accordance with this Section at least five (5) Business Days prior to the date of the Closing. If a Purchaser delivers a micro deposit, a Responsible Officer must verbally verify the receipt and amount of the micro deposit to such Purchaser on a telephone call initiated by such Purchaser prior to the Closing. The Company shall not be obligated to return the amount of the micro deposit, nor will the amount of the micro deposit be netted against the Purchaser's purchase price of the Bonds.

All corporate and other proceedings in connection with the transactions contemplated by this Agreement and all documents and instruments incident to such transactions shall be reasonably satisfactory to such Purchaser and its special counsel, and such Purchaser and its special counsel shall have received all such counterpart originals or certified or other copies of such documents as such Purchaser or such special counsel may reasonably request.

SECTION 5. REPRESENTATIONS AND WARRANTIES OF THE COMPANY.

The Company represents and warrants to each Purchaser that, on and as of the date of the Closing:

Section 5.1. Organization; Power and Authority. The Company is a corporation duly organized and validly existing under the laws of its jurisdiction of incorporation, and is duly qualified as a foreign corporation and is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The Company has the corporate power and authority to own or hold under lease the properties it purports to own or hold under lease, to transact the business it transacts and proposes to transact, to execute and deliver this Agreement and the Bonds and to perform the provisions hereof and thereof.

Section 5.2. Authorization, Etc.; Matters Relating to the Indenture. (a) This Agreement and the Bonds have been duly authorized by all necessary corporate action on the part of the Company, and this Agreement constitutes, and upon execution and delivery thereof and authentication by the Trustee in accordance with the Indenture and delivered and paid for as provided herein, each Bond will constitute, a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except as such enforceability may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

(b) The Amended and Restated Mortgage has been duly authorized, executed and delivered by the Company. The Supplemental Indenture has been authorized by the Company and, when duly executed and delivered by the Company, assuming due authorization, execution and delivery thereof by the Trustee, the Indenture will constitute a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as such enforceability may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

Section 5.3. Disclosure. The Company, through its agent, Mizuho Securities USA LLC, has delivered to each Purchaser a copy of a Private Placement Memorandum, dated February, 2023 (including for the avoidance of doubt, the documents incorporated by reference therein, or deemed to be incorporated by reference therein) (the “**Memorandum**”), and an Investor Presentation, dated February, 2023 (the “**Investor Presentation**”), each relating to the transactions contemplated hereby. This Agreement, the Memorandum, the Investor Presentation, the financial statements listed in Schedule 5.5 and the documents, certificates or other writings delivered to the Purchasers by or on behalf of the Company prior to February 15, 2023 in connection with the transactions contemplated hereby and identified in Schedule 5.3 (this Agreement, the Memorandum, the Investor Presentation and such documents, certificates or other writings identified in Schedule 5.3 and such financial statements listed in Schedule 5.5 delivered to each Purchaser being referred to, collectively, as the “**Disclosure Documents**”), taken as a whole, do not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein not misleading in light of the circumstances under which they were made. Except as disclosed in the Disclosure Documents, since September 30, 2022, there has been no change in the financial condition, operations, business or properties of the Company or any Subsidiary except changes that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 5.4. Subsidiaries. The Company has no subsidiaries that would be deemed “Significant Subsidiaries” under Regulation S-X under the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”).

Section 5.5. Financial Statements; Material Liabilities. The Company has delivered to each Purchaser copies of the financial statements of the Company listed on Schedules 5.5(a) and (b). All of such financial statements (including in each case the related schedules and notes) contained in Schedule 5.5(a) fairly present in all material respects the financial position of the Company as of the respective dates specified in such Schedule and the results of its operations and cash flows for the respective periods so specified and have been prepared in accordance with GAAP consistently applied throughout the periods involved except as set forth in the notes thereto (subject, in the case of any interim or unaudited financial statements, to normal year-end adjustments and the exclusion of detailed footnotes). Nothing has come to the attention of the Company that would cause it to believe that (i) any of the financial statements listed in Schedule 5.5(b) do not present fairly, in all material respects, the financial position of the Company as of the respective dates specified in such Schedule and the results of its operations and cash flows for the respective periods so specified and (ii) except as otherwise disclosed in the Disclosure Documents, such financial statements have not been prepared in conformity with GAAP consistently applied throughout the periods involved except as set forth in the notes thereto.

Section 5.6. Compliance with Laws, Other Instruments, Etc. The execution, delivery and performance by the Company of this Agreement and the Indenture, the issuance and delivery of the Bonds, the consummation of the transactions herein contemplated and the fulfillment of the terms hereof, and compliance with the terms and provisions of this Agreement, the Bonds and the Indenture did not or will not, as applicable (i) contravene, result in any breach of, or constitute a default under, or result in the creation of any Lien (other than the lien of the Indenture or otherwise permitted under the Indenture) in respect of any property of the Company or any Subsidiary under, any indenture, mortgage, deed of trust, loan, purchase or credit agreement, lease, corporate charter, regulations or by-laws, shareholders agreement or any other agreement or instrument to which the Company or any Subsidiary is bound or by which the Company or any Subsidiary or any of their respective properties may be bound or affected, except which would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, (ii) conflict with or result in a breach of any of the terms, conditions or provisions of any order, judgment, decree or ruling of any court, arbitrator or Governmental Authority applicable to the Company or any Subsidiary or (iii) violate any provision of any statute or other rule or regulation of any Governmental Authority applicable to the Company or any Subsidiary.

Section 5.7. Governmental Authorizations, Etc. The Indiana Utility Regulatory Commission (the “IURC”) has issued its order approving the Company’s issuance of the Bonds and such order is final and in full force and effect on the date hereof; no other approval of, or any consent, authorization or order of, or filing or registration with, any regulatory public body, state or federal, or any court having jurisdiction over the Company, is, or will be at the Closing, necessary in connection with the issuance and sale of the Bonds pursuant to this Agreement and the Indenture or the execution, delivery and performance of this Agreement and the Indenture, other than (i) such approvals that may be required under state securities laws, (ii) post-issuance informational filings to be made with the IURC, (iii) recordings and filings to perfect liens and security interests created by the Indenture or (iv) such matters relating to performance as would ordinarily be done in the ordinary course of business after Closing.

Section 5.8. Litigation; Observance of Statutes and Orders. (a) Except as disclosed in the Disclosure Documents, there are no actions, suits, investigations or proceedings pending or, to the knowledge of the Company, threatened against or affecting the Company or any Subsidiary or any property of the Company or any Subsidiary in any court or before any arbitrator of any kind or before or by any Governmental Authority that would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(b) Except as disclosed in the Disclosure Documents, neither the Company nor any Subsidiary is (i) in violation of any order, judgment, decree or ruling of any court, any arbitrator of any kind or any Governmental Authority or (ii) in violation of any applicable law, ordinance, rule or regulation of any Governmental Authority (including Environmental Laws, the USA PATRIOT Act or any of the other laws and regulations that are referred to in Section 5.16), which violation would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 5.9. Taxes. Except as disclosed in the Disclosure Documents, the Company and its Subsidiaries have filed all tax returns (or have been included on consolidated tax returns, as applicable, that have been filed) that are required to have been filed in any jurisdiction, and have paid all taxes shown to be due and payable on such returns and all other taxes and assessments payable by them, to the extent such taxes and assessments have become due and payable and before they have become delinquent, except for any taxes and assessments (i) the amount of which, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect or (ii) the amount, applicability or validity of which is currently being contested in good faith by appropriate proceedings.

Section 5.10. Mortgage Property. (a) To the extent it is not excepted from the lien of the Indenture, the Company has good title to all real property owned by it and good title to all personal property owned by it (except, in each case, such properties as have been released from the lien of the Indenture in accordance with the terms thereof), subject only to (i) the lien of the Indenture, (ii) Excepted Encumbrances (as defined in the Indenture), (iii) taxes and assessments not yet delinquent, (iv) as to parts of the Company's property, easements, conditions, restrictions, leases, and similar encumbrances which would not, individually or in the aggregate be expected to have a Material Adverse Effect, (v) defects in titles which would not, individually or in the aggregate, be expected to have a Material Adverse Effect, (vi) mechanics' lien claims being contested or not of record or for the satisfaction or discharge of which adequate provision has been made by the Company or would not, individually or in the aggregate, be expected to have a Material Adverse Effect and (vii) defects which do not in any Material way impair the security afforded by the Indenture.

(b) The Bonds will be secured by and entitled to the benefits of the Indenture equally and ratably with all other present and future bonds duly issued under the Indenture by a valid and direct first mortgage lien of the Indenture, subject to any sinking funds (or equivalent) that may be hereafter created for the benefit of any particular series or tranche.

Section 5.11. Licenses, Permits, Etc. The Company and its Subsidiaries own or possess all licenses, permits, franchises, authorizations, patents, copyrights, proprietary software, service marks, trademarks and trade names, or rights thereto, that individually or in the aggregate are Material, without known conflict with the rights of others, except for those conflicts that, individually or in the aggregate, would not have a Material Adverse Effect.

Section 5.12. Compliance with Employee Benefit Plans. (a) The Company and each ERISA Affiliate have operated and administered each Plan in compliance with all applicable laws except for such instances of noncompliance as have not resulted in and could not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. Neither the Company nor any ERISA Affiliate has incurred any liability pursuant to Title IV of ERISA (other than premiums to the PBGC in the ordinary course), on account of a violation of Title I of ERISA, or pursuant to the penalty or excise tax provisions of the Code relating to employee benefit plans (as defined in section 3 of ERISA), and no event, transaction or condition has occurred or exists that would, individually or in the aggregate, reasonably be expected to result in the incurrence of any such liability by the Company or any ERISA Affiliate, or in the imposition of any Lien on any of the rights, properties or assets of the Company or any ERISA Affiliate, in either case pursuant to Title I or IV of ERISA or to section 430(k) of the Code or to any such penalty or excise tax provisions under the Code or federal law or section 4068 of ERISA or by the granting of a security interest in connection with the amendment of a Plan, other than such liabilities or Liens as would not be individually or in the aggregate be Material.

(b) The present value of the aggregate benefit liabilities under the defined benefit Plans (other than Multiemployer Plans), determined for funding purposes pursuant to Section 302 of ERISA and as set forth in such Plan's most recent actuarial valuation report, did not exceed the aggregate current value of the assets of such Plan allocable to such benefit liabilities, either in the case of any single Plan or in the aggregate for all Plans, by amounts that would reasonably be expected to have a Material Adverse Effect. The term "**benefit liabilities**" has the meaning specified in section 4001 of ERISA and the terms "**current value**" and "**present value**" have the meaning specified in section 3 of ERISA, in each case determined as of the valuation date for the Plan's most recent actuarial valuation report prepared for funding purposes.

(c) The Company and its ERISA Affiliates have not incurred withdrawal liabilities (and are not subject to contingent withdrawal liabilities) under section 4201 or 4204 of ERISA in respect of Multiemployer Plans that individually or in the aggregate are Material.

(d) The expected postretirement benefit obligation (determined as of the last day of the Company's most recently ended fiscal year in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 715-60, without regard to liabilities attributable to continuation coverage mandated by section 4980B of the Code) of the Company is not Material.

(e) The execution and delivery of this Agreement and the issuance and sale of the Bonds hereunder will not involve any transaction that is subject to the prohibitions of section 406 of ERISA or in connection with which a tax could be imposed pursuant to section 4975(c)(1)(A)-(D) of the Code. The representation by the Company to each Purchaser in the first sentence of this Section 5.12(e) is made in reliance upon and subject to the accuracy of such Purchaser's representation in Section 6.2 as to the sources of the funds to be used to pay the purchase price of the Bonds to be purchased by such Purchaser.

(f) The Company and its Subsidiaries do not have any Non-U.S. Plans.

Section 5.13. Private Offering by the Company. Neither the Company nor anyone acting on its behalf has offered the Bonds or any similar Securities for sale to, or solicited any offer to buy the Bonds or any similar Securities from, or otherwise approached or negotiated in respect thereof with, any Person other than the Purchasers and not more than 80 Institutional Investors of the type described in clause (c) of the definition thereof (including the Purchasers) in total, each of which has been offered the Bonds at a private sale for investment. Neither the Company nor anyone acting on its behalf has taken, or will take, any action that would subject the issuance or sale of the Bonds to the registration requirements of Section 5 of the Securities Act or to the registration requirements of any Securities or blue sky laws of any applicable jurisdiction.

Section 5.14. Use of Proceeds; Margin Regulations. The Company will apply the proceeds of the sale of the Bonds hereunder as set forth in the Proposed Offering and Use of Proceeds — Use of Proceeds section of the Memorandum. No part of the proceeds from the sale of the Bonds hereunder will be used, directly or indirectly, for the purpose of buying or carrying any margin stock within the meaning of Regulation U of the Board of Governors of the Federal Reserve System (12 CFR 221), or for the purpose of buying or carrying or trading in any Securities under such circumstances as to involve the Company in a violation of Regulation X of said Board (12 CFR 224) or to involve any broker or dealer in a violation of Regulation T of said Board (12 CFR 220). Margin stock does not constitute more than 5% of the value of the consolidated assets of the Company and its Subsidiaries and the Company does not have any present intention that margin stock will constitute more than 5% of the value of such assets. As used in this Section, the terms “margin stock” and “purpose of buying or carrying” shall have the meanings assigned to them in said Regulation U.

Section 5.15. Existing Indebtedness. (a) Except as described therein, Schedule 5.15 sets forth a complete and correct list of all outstanding Indebtedness of the Company and its Subsidiaries as of September 30, 2022 (including descriptions of the obligors and obligees, principal amounts outstanding, any collateral therefor and any Guaranty thereof), since which date there has been no Material change in the amounts, interest rates, sinking funds, installment payments or maturities of the Indebtedness of the Company or its Subsidiaries, except for any such changes that may be noted in the Schedule or the Disclosure Documents. Neither the Company nor any Subsidiary is in default and no waiver of default is currently in effect, in the payment of any principal or interest on any Indebtedness of the Company or such Subsidiary and no event or condition exists with respect to any Indebtedness of the Company or any Subsidiary that would permit (or that with notice or the lapse of time, or both, would permit) one or more Persons to cause such Indebtedness to become due and payable before its stated maturity or before its regularly scheduled dates of payment.

(b) Neither the Company nor any Subsidiary is a party to, or otherwise subject to any provision contained in, any instrument evidencing Indebtedness of the Company or such Subsidiary, any agreement relating thereto or any other agreement (including its charter or any other organizational document) which limits the amount of, or otherwise imposes restrictions on the incurring of, Indebtedness of the Company, except as pursuant to any instrument or agreement related to Indebtedness disclosed in Schedule 5.15 or in the Disclosure Documents.

Section 5.16. Foreign Assets Control Regulations, Etc. The Company has implemented and maintains in effect policies and procedures designed to ensure compliance by the Company, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable U.S. Economic Sanctions Laws, and the Company, its Subsidiaries and, to the knowledge of the Company, their respective officers, employees, directors and agents, are in compliance with Anti-Corruption Laws and applicable U.S. Economic Sanctions Laws in all material respects. None of (a) the Company, any Subsidiary or, to the knowledge of the Company, any of their respective directors, officers or employees, or (b) to the knowledge of the Company, any agent of the Company or any Subsidiary that will act in any capacity in connection with or benefit from this Agreement, is a Sanctioned Person. Assuming that no Purchaser is a Sanctioned Person, no purchase or sale of the Bonds, or use of proceeds thereof, or other transaction contemplated by this Agreement will result in a violation by the Company or any of its Subsidiaries of any applicable Anti-Corruption Law or applicable U.S. Economic Sanctions Laws.

Section 5.17. Status under Certain Statutes. Neither the Company nor any Subsidiary is an “investment company” registered or required to be registered under the Investment Company Act of 1940, as amended, or is subject to the ICC Termination Act of 1995, as amended. The Company is subject to the Public Utility Holding Company Act of 2005, as amended, and the Federal Power Act, as amended.

Section 5.18. Lien Recordation. The Indenture (and/or financing statements or similar notices thereof to the extent permitted or required by applicable law) has been filed for record or recorded in all public offices wherein such filing or recordation is necessary to perfect the lien of the Indenture and security interest granted thereby in the collateral therein described against creditors of and purchasers from the Company and the Indenture creates a valid and perfected first Lien and security interest in the collateral described therein effective as against creditors of and purchasers from the Company, subject only to Excepted Encumbrances.

SECTION 6. REPRESENTATIONS OF THE PURCHASERS.

Section 6.1. Purchase for Investment. Each Purchaser severally represents that (i) it is purchasing the Bonds for its own account or for one or more separate accounts maintained by such Purchaser or for the account of one or more pension or trust funds and not with a view to the distribution thereof, *provided* that the disposition of such Purchaser's or their property shall at all times be within such Purchaser's or their control and (ii) it is an "accredited investor" within the meaning of Rule 501(a)(1), (2), (3) or (7) of Regulation D under the Securities Act (an "**Institutional Accredited Investor**"). Each Purchaser understands that the Bonds have not been registered under the Securities Act and may be resold only to another person if such Purchaser reasonably believes that such person is an Institutional Accredited Investor, if registered pursuant to the provisions of the Securities Act, or if an exemption from registration is available, except under circumstances where neither such registration nor such an exemption is required by law, and that the Company is not required to register the resale of the Bonds under the Securities Act.

Section 6.2. Source of Funds. Each Purchaser severally represents that at least one of the following statements is an accurate representation as to each source of funds (a "**Source**") to be used by such Purchaser to pay the purchase price of the Bonds to be purchased by such Purchaser hereunder:

(b) the Source is a separate account that is maintained solely in connection with such Purchaser's fixed contractual obligations under which the amounts payable, or credited, to any employee benefit plan (or its related trust) that has any interest in such separate account (or to any participant or beneficiary of such plan (including any annuitant)) are not affected in any manner by the investment performance of the separate account; or

(c) the Source is either (i) an insurance company pooled separate account, within the meaning of PTE 90-1 or (ii) a bank collective investment fund, within the meaning of the PTE 91-38 and, except as disclosed by such Purchaser to the Company in writing pursuant to this clause (c), no employee benefit plan or group of plans maintained by the same employer or employee organization beneficially owns more than 10% of all assets allocated to such pooled separate account or collective investment fund; or

(d) the Source constitutes assets of an “investment fund” (within the meaning of Part VI of PTE 84-14 (the “**QPAM Exemption**”)) managed by a “qualified professional asset manager” or “QPAM” (within the meaning of Part VI of the QPAM Exemption), no employee benefit plan’s assets that are managed by the QPAM in such investment fund, when combined with the assets of all other employee benefit plans established or maintained by the same employer or by an affiliate (within the meaning of Part VI(c)(1) of the QPAM Exemption) of such employer or by the same employee organization and managed by such QPAM, represent more than 20% of the total client assets managed by such QPAM, the conditions of Part I(c) and (g) of the QPAM Exemption are satisfied, neither the QPAM nor a person controlling or controlled by the QPAM maintains an ownership interest in the Company that would cause the QPAM and the Company to be “related” within the meaning of Part VI(h) of the QPAM Exemption and (i) the identity of such QPAM and (ii) the names of any employee benefit plans whose assets in the investment fund, when combined with the assets of all other employee benefit plans established or maintained by the same employer or by an affiliate (within the meaning of Part VI(c)(1) of the QPAM Exemption) of such employer or by the same employee organization, represent 10% or more of the assets of such investment fund, have been disclosed to the Company in writing pursuant to this clause (d); or

(e) the Source constitutes assets of a “plan(s)” (within the meaning of Part IV(h) of PTE 96-23 (the “**INHAM Exemption**”)) managed by an “in-house asset manager” or “INHAM” (within the meaning of Part IV(a) of the INHAM Exemption), the conditions of Part I(a), (g) and (h) of the INHAM Exemption are satisfied, neither the INHAM nor a person controlling or controlled by the INHAM (applying the definition of “control” in Part IV(d)(3) of the INHAM Exemption) owns a 10% or more interest in the Company and (i) the identity of such INHAM and (ii) the name(s) of the employee benefit plan(s) whose assets constitute the Source have been disclosed to the Company in writing pursuant to this clause (e); or

(f) the Source is a governmental plan; or

(g) the Source is one or more employee benefit plans, or a separate account or trust fund comprised of one or more employee benefit plans, each of which has been identified to the Company in writing pursuant to this clause (g); or

(h) the Source does not include assets of any employee benefit plan, other than a plan exempt from the coverage of ERISA.

As used in this Section 6.2, the terms “**employee benefit plan**,” “**governmental plan**,” and “**separate account**” shall have the respective meanings assigned to such terms in section 3 of ERISA.

(f) *Resignation or Replacement of Auditors* — within 10 days following the date on which the Company's auditors resign or the Company elects to change auditors, as the case may be, notification thereof, together with such further information as the Required Holders may request; and

(a) *Covenant Compliance* — setting forth the information from such financial statements, if any, that is required in order to establish whether the Company was in compliance with the requirements of Section 10 during the quarterly or annual period covered by the financial statements then being furnished, (including with respect to each such provision that involves mathematical calculations, the information from such financial statements that is required to perform such calculations) and detailed calculations of the maximum or minimum amount, ratio or percentage, as the case may be, permissible under the terms of such Section, and the calculation of the amount, ratio or percentage then in existence. In the event that the Company or any Subsidiary has made an election to measure any financial liability using fair value (which election is being disregarded for purposes of determining compliance with this Agreement pursuant to Section 22.2) as to the period covered by any such financial statement, such Senior Financial Officer's certificate as to such period shall include a reconciliation from GAAP with respect to such election; and

(b) *Event of Default* — certifying that such Senior Financial Officer has reviewed the relevant terms hereof and has made, or caused to be made, under his or her supervision, a review of the transactions and conditions of the Company and its Subsidiaries from the beginning of the quarterly or annual period covered by the statements then being furnished to the date of the certificate and that such review shall not have disclosed the existence during such period of any condition or event that constitutes a Default or an Event of Default or, if any such condition or event existed or exists, specifying the nature and period of existence thereof and what action the Company shall have taken or proposes to take with respect thereto.

Section 7.3. Visitation. The Company shall permit the representatives of each holder of a Bond that is an Institutional Investor:

(b) *Default* — if a Default or Event of Default then exists, at the expense of the Company to visit and inspect any of the offices or properties of the Company or any Subsidiary, to examine all their respective books of account, records, reports and other papers, to make copies and extracts therefrom, and to discuss their respective affairs, finances and accounts with their respective officers and independent public accountants or independent auditors, as applicable (and by this provision the Company authorizes said accountants to discuss the affairs, finances and accounts of the Company and its Subsidiaries), all at such times and as often as may be requested.

Section 7.4. Electronic Delivery. Financial statements, opinions of independent public accountants or independent auditors (as applicable), other information and Officer's Certificates that are required to be delivered by the Company pursuant to Sections 7.1(a), (b) or (c) and Section 7.2 shall be deemed to have been delivered if the Company satisfies any of the following requirements with respect thereto:

(a) such financial statements satisfying the requirements of Section 7.1(a) or (b) and related Officer's Certificate satisfying the requirements of Section 7.2 and any other information required under Section 7.1(c) are delivered to each holder of a Bond by e-mail at the e-mail address set forth in such holder's Schedule B or as communicated from time to time in a separate writing delivered to the Company;

(b) the Company shall have timely filed such Form 10-Q or Form 10-K, satisfying the requirements of Section 7.1(a) or Section 7.1(b), as the case may be, with the SEC on EDGAR and shall have made such form and the related Officer's Certificate satisfying the requirements of Section 7.2 available through its home page on the internet, which is located at <http://centerpointenergy.com> as of the date of this Agreement;

(c) such financial statements satisfying the requirements of Section 7.1(a) or Section 7.1(b) and related Officer's Certificate(s) satisfying the requirements of Section 7.2 and any other information required under Section 7.1(c) are timely posted by or on behalf of the Company on IntraLinks or on any other similar website to which each holder of Bonds has free access; or

(d) the Company (or its parent entity) shall have timely filed any of the items referred to in Section 7.1(c) with the SEC on EDGAR and shall have made such items available through the Company's home page on the internet or on IntraLinks or on any other similar website to which each holder of Bonds has free access;

provided however, that in no case shall access to such financial statements, other information and Officer's Certificates be conditioned upon any waiver or other agreement or consent (other than confidentiality provisions consistent with Section 20 of this Agreement); *provided further*, that in the case of any of clauses (b), (c) or (d), the Company shall have given each holder of a Bond prior written notice, which may be by e-mail or in accordance with Section 18, of such posting or filing in connection with each delivery, *provided further*, that upon request of any holder to receive paper copies of such forms, financial statements, other information and Officer's Certificates or to receive them by e-mail, the Company will promptly e-mail them or deliver such paper copies, as the case may be, to such holder.

SECTION 8. PAYMENT AND PREPAYMENT OF THE BONDS.

Section 8.1. Maturity. As provided therein, the entire unpaid principal balance of each Bond shall be due and payable on the Maturity Date thereof.

Section 8.2. Optional Prepayments with Make-Whole Amount. The Company may, at its option, upon notice as provided below, prepay at any time all, or from time to time any part of, the Bonds or any series or tranche of Bonds, in an amount not less than 10% of the aggregate principal amount of the Bonds or such series or tranche of Bonds then outstanding in the case of a partial prepayment, at 100% of the principal amount so prepaid, and the Make-Whole Amount determined for the prepayment date with respect to such principal amount. The Company will give each holder of Bonds to be prepaid written notice of each optional prepayment under this Section 8.2 not less than ten (10) days and not more than forty-five (45) days prior to the date fixed for such prepayment unless the Company and the Required Holders agree to another time period pursuant to Section 17. Each such notice shall specify such date (which shall be a Business Day), the aggregate principal amount and series or tranche of Bonds to be prepaid on such date, the principal amount of each Bond held by such holder to be prepaid (determined in accordance with Section 8.3), and the interest to be paid on the prepayment date with respect to such principal amount being prepaid, and shall be accompanied by a certificate of a Senior Financial Officer as to the estimated Make-Whole Amount due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. Two Business Days prior to such prepayment, the Company shall deliver to each holder of Bonds to be prepaid a certificate of a Senior Financial Officer specifying the calculation of such Make-Whole Amount as of the specified prepayment date.

Section 8.3. Allocation of Partial Prepayments. In the case of each partial prepayment of Bonds pursuant to Section 8.2, the principal amount of the Bonds or series of Bonds to be prepaid shall be allocated among all of the Bonds or series of Bonds, as applicable, at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof not theretofore called for prepayment.

Section 8.4. Maturity; Surrender, Etc. In the case of each prepayment of Bonds pursuant to this Section 8, the principal amount of each Bond to be prepaid shall mature and become due and payable on the date fixed for such prepayment, together with interest on such principal amount accrued to such date and the applicable Make-Whole Amount, if any. From and after such date, unless the Company shall fail to pay such principal amount when so due and payable, together with the interest and Make-Whole Amount, if any, as aforesaid, interest on such principal amount shall cease to accrue. Any Bond paid or prepaid in full shall be surrendered to the Company and cancelled and shall not be reissued, and no Bond shall be issued in lieu of any prepaid principal amount of any Bond.

Section 8.5. Purchase of Bonds. The Company will not and will not permit any Affiliate to purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding Bonds except (a) upon the payment or prepayment of the Bonds in accordance with this Agreement, the Indenture and the Bonds or (b) pursuant to an offer to purchase made by the Company or an Affiliate pro rata to the holders of all Bonds or series of Bonds, as applicable, at the time outstanding upon the same terms and conditions. Any such offer shall provide each holder with sufficient information to enable it to make an informed decision with respect to such offer, and shall remain open for at least fifteen (15) Business Days. The Company will promptly cancel all Bonds acquired by it or any Affiliate pursuant to any payment, prepayment or purchase of Bonds pursuant to this Agreement and no Bonds may be issued in substitution or exchange for any such Bonds.

Section 8.6. Make-Whole Amount.

The term “**Make-Whole Amount**” means, with respect to any Bond, an amount equal to the excess, if any, of the Discounted Value of the Remaining Scheduled Payments with respect to the Called Principal of such Bond over the amount of such Called Principal, *provided* that the Make-Whole Amount may in no event be less than zero. For the purposes of determining the Make-Whole Amount, the following terms have the following meanings:

“**Called Principal**” means, with respect to any Bond, the principal of such Bond that is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 11.01 of the Amended and Restated Mortgage, as the context requires.

“**Discounted Value**” means, with respect to the Called Principal of any Bond, the amount obtained by discounting all Remaining Scheduled Payments with respect to such Called Principal from their respective scheduled due dates to the Settlement Date with respect to such Called Principal, in accordance with accepted financial practice and at a discount factor (applied on the same periodic basis as that on which interest on the Bonds is payable) equal to the Reinvestment Yield with respect to such Called Principal.

“Reinvestment Yield” means, with respect to the Called Principal of any Bond, the sum of (a) 0.50% plus (b) the yield to maturity implied by the “Ask Yield(s)” reported as of 10:00 a.m. (New York City time) on the second Business Day preceding the Settlement Date with respect to such Called Principal, on the display designated as “Page PX1” (or such other display as may replace Page PX1) on Bloomberg Financial Markets for the most recently issued actively traded on-the-run U.S. Treasury securities (**“Reported”**) having a maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there are no such U.S. Treasury securities Reported having a maturity equal to such Remaining Average Life, then such implied yield to maturity will be determined by (i) converting U.S. Treasury bill quotations to bond equivalent yields in accordance with accepted financial practice and (ii) interpolating linearly between the “Ask Yields” Reported for the applicable most recently issued actively traded on-the-run U.S. Treasury securities with the maturities (1) closest to and greater than such Remaining Average Life and (2) closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Bond.

If such yields are not Reported or the yields Reported as of such time are not ascertainable (including by way of interpolation), then **“Reinvestment Yield”** means, with respect to the Called Principal of any Bond, the sum of (x) 0.50% plus (y) the yield to maturity implied by the U.S. Treasury constant maturity yields reported, for the latest day for which such yields have been so reported as of the second Business Day preceding the Settlement Date with respect to such Called Principal, in Federal Reserve Statistical Release H.15 (or any comparable successor publication) for the U.S. Treasury constant maturity having a term equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there is no such U.S. Treasury constant maturity having a term equal to such Remaining Average Life, such implied yield to maturity will be determined by interpolating linearly between (1) the U.S. Treasury constant maturity so reported with the term closest to and greater than such Remaining Average Life and (2) the U.S. Treasury constant maturity so reported with the term closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Bond.

“Remaining Average Life” means, with respect to any Called Principal, the number of years obtained by dividing (i) such Called Principal into (ii) the sum of the products obtained by multiplying (a) the principal component of each Remaining Scheduled Payment with respect to such Called Principal by (b) the number of years, computed on the basis of a 360-day year comprised of twelve 30-day months and calculated to two decimal places, that will elapse between the Settlement Date with respect to such Called Principal and the scheduled due date of such Remaining Scheduled Payment.

“Remaining Scheduled Payments” means, with respect to the Called Principal of any Bond, all payments of such Called Principal and interest thereon that would be due after the Settlement Date with respect to such Called Principal if no payment of such Called Principal were made prior to its scheduled due date, *provided* that if such Settlement Date is not a date on which interest payments are due to be made under the Bonds, then the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued to such Settlement Date and required to be paid on such Settlement Date pursuant to Section 8.2 or Section 11.01 of the Amended and Restated Mortgage.

“Settlement Date” means, with respect to the Called Principal of any Bond, the date on which such Called Principal is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 11.01 of the Amended and Restated Mortgage, as the context requires.

Section 8.7. Payments Due on Non-Business Days. Anything in this Agreement or the Bonds to the contrary notwithstanding, (x) except as set forth in clause (y), any payment of interest on any Bond that is due on a date that is not a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day; and (y) any payment of principal of or Make-Whole Amount on any Bond (including principal due on the Maturity Date of such Bond) that is due on a date that is not a Business Day shall be made on the next succeeding Business Day and shall include the additional days elapsed (but excluding the Business Day on which such payment is made) in the computation of interest payable on such next succeeding Business Day.

Section 8.8. Redemption under the Supplemental Indenture. For the avoidance of doubt, the term “prepayment” under this Agreement and “redemption” under the Indenture shall be synonymous.

SECTION 9. AFFIRMATIVE COVENANTS.

Reference is made to Article VII of the Amended and Restated Mortgage for affirmative covenants of the Company.

Notwithstanding the foregoing, so long as any of the Bonds are outstanding, the Company covenants that:

Section 9.1. Compliance with Laws. The Company will, and will cause each of its Subsidiaries to, comply with all laws, ordinances or governmental rules or regulations to which each of them is subject (including, as applicable, ERISA, Environmental Laws, the USA PATRIOT Act and the other laws and regulations that are referred to in Section 5.16) and will obtain and maintain in effect all licenses, certificates, permits, franchises and other governmental authorizations necessary to the ownership of their respective properties or to the conduct of their respective businesses, in each case to the extent necessary to ensure that non-compliance with such laws, ordinances or governmental rules or regulations or failures to obtain or maintain in effect such licenses, certificates, permits, franchises and other governmental authorizations would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 9.2. Insurance. The Company will, and will cause each of its Subsidiaries to, maintain, with financially sound and reputable insurers, insurance with respect to their respective properties and businesses against such casualties and contingencies, of such types, on such terms and in such amounts (including deductibles, co-insurance and self-insurance, if adequate reserves are maintained with respect thereto) as is customary in the case of entities of established reputations engaged in the same or a similar business, of comparable size and financial strength and with comparable risks.

Section 9.3. Maintenance of Properties. The Company will, and will cause each of its Subsidiaries to, maintain and keep, or cause to be maintained and kept, their respective properties in good repair, working order and condition (other than ordinary wear and tear), so that the business carried on in connection therewith may be properly conducted at all times, *provided* that this Section 9.3 shall not prevent the Company or any Subsidiary from discontinuing the operation and the maintenance of any of its properties if such discontinuance (i) is permitted by the Indenture or (ii) is determined by the Company to be desirable in the conduct of its business and the Company has concluded that such discontinuance would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 9.4. Corporate Existence, Etc. The Company will at all times preserve and keep its corporate existence in full force and effect, *provided* that the foregoing shall not prohibit any merger, consolidation, liquidation or dissolution or other transaction otherwise permitted by the Indenture. The Company will at all times preserve and keep in full force and effect the corporate existence of each of its Subsidiaries (unless merged into the Company) and all rights and franchises of the Company and its Subsidiaries unless, in the good faith judgment of the Company, the termination of or failure to preserve and keep in full force and effect such corporate existence, right or franchise would not reasonably be expected, individually or in the aggregate, have a Material Adverse Effect.

Section 9.5. Books and Records. The Company will, and will cause each of its Subsidiaries to, maintain proper books of record and account in conformity with GAAP and all applicable Material requirements of any Governmental Authority having legal or regulatory jurisdiction over the Company or such Subsidiary, as the case may be. The Company will, and will cause each of its Subsidiaries to, keep books, records and accounts which, in reasonable detail, accurately reflect all transactions and dispositions of assets. The Company and its Subsidiaries maintain a system of internal accounting controls sufficient to provide reasonable reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles and the Company will, and will cause each of its Subsidiaries to, continue to maintain such system.

SECTION 10. [RESERVED].

SECTION 11. EVENTS OF DEFAULT.

Reference is made to Section 11.01 of the Amended and Restated Mortgage for Events of Default.

SECTION 12. REMEDIES ON DEFAULT, ETC.

Reference is made to Sections 11.01 through 11.18 of the Amended and Restated Mortgage and Part IV of the Supplemental Indenture for remedies upon Events of Default and other related provisions.

SECTION 13. REGISTRATION; EXCHANGE; SUBSTITUTION OF BONDS.

Reference is made to Article II of the Amended and Restated Mortgage for provisions relating to the registration, exchange and substitution of Bonds.

SECTION 14. PAYMENTS ON BONDS.

Section 14.1. Place of Payment. Payments of principal, Make-Whole Amount, if any, and interest becoming due and payable on the Bonds shall be made in accordance with the terms and provisions of the Indenture.

Section 14.2. Home Office Payment. So long as any Purchaser or its nominee shall be the holder of any Bond and any Purchaser or its nominee shall have given written notice to the Trustee requesting that the provisions of this Section 14.2 apply (such notice hereby given in Schedule B to this Agreement), and notwithstanding anything contained in Section 14.1, the Company will pay all sums becoming due on such Bond for principal, premium, if any, and interest by the method and at the address specified for such purpose for such Purchaser in Schedule B, or by such other method (reasonably acceptable to the Trustee) or at such other address as such Purchaser shall have from time to time specified to the Trustee in writing for such purpose, without the presentation or surrender of such Bond. Each Purchaser hereby agrees that (i) before any sale or other transfer by any Purchaser or its nominee of any Bond in respect of which any principal payments or prepayments have been made in the manner provided in this Section 14.2, any Purchaser or its nominee, respectively, will present such Bond to the Trustee in exchange for a new Bond or Bonds and in a principal amount equal to the unpaid principal amount of such Bond and (ii) promptly following payment in full of any Bond thereby, such Purchaser, its nominee or subsequent Institutional Investor will promptly surrender such Bond to the Trustee for cancellation.

Section 14.3. FATCA Information. By acceptance of any Bond, the holder of such Bond agrees that such holder will with reasonable promptness duly complete and deliver to the Company, or to such other Person as may be reasonably requested by the Company, from time to time (a) in the case of any such holder that is a United States Person, such holder's United States tax identification number or other Forms reasonably requested by the Company necessary to establish such holder's status as a United States Person under FATCA and as may otherwise be necessary for the Company to comply with its obligations under FATCA and (b) in the case of any such holder that is not a United States Person, such documentation prescribed by applicable law (including as prescribed by section 1471(b)(3)(C)(i) of the Code) and such additional documentation as may be necessary for the Company to comply with its obligations under FATCA and to determine that such holder has complied with such holder's obligations under FATCA or to determine the amount (if any) to deduct and withhold from any such payment made to such holder. Nothing in this Section 14.3 shall require any holder to provide information that is confidential or proprietary to such holder unless the Company is required to obtain such information under FATCA and, in such event, the Company shall treat any such information it receives as confidential.

SECTION 15. EXPENSES, ETC.

Section 15.1. Transaction Expenses. Whether or not the transactions contemplated hereby are consummated, the Company will pay all reasonable and documented costs and expenses (including reasonable attorneys' fees of a special counsel and, if reasonably required by the Required Holders, local or other counsel) incurred by the Purchasers and each other holder of a Bond in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement or any Bond Document (whether or not such amendment, waiver or consent becomes effective), including: (a) the reasonable and documented costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement, or any Bond Document or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement or any other Bond Document, or by reason of being a holder of any Bond, (b) the reasonable and documented costs and expenses, including financial advisors' fees, incurred in connection with the insolvency or bankruptcy of the Company or any Subsidiary or in connection with any work-out or restructuring of the transactions contemplated hereby and by the Bonds and any Bond Document and (c) the reasonable costs and expenses incurred in connection with the initial filing of this Agreement and all related documents and financial information with the SVO *provided*, that such costs and expenses under this clause (c) shall not exceed \$4,000. If required by the NAIC, the Company shall obtain and maintain at its own cost and expense a Legal Entity Identifier (LEI).

The Company will pay, and will save each Purchaser and each other holder of a Bond harmless from, all claims in respect of any fees, costs or expenses, if any, of brokers and finders (other than those, if any, retained by a Purchaser or other holder in connection with its purchase of the Bonds).

Section 15.2. Certain Taxes. The Company agrees to pay all stamp, documentary or similar taxes or fees which may be payable in respect of the execution and delivery or the enforcement of this Agreement or any Bond Document or the execution and delivery (but not the transfer) or the enforcement of any of the Bonds in the United States or any other jurisdiction where the Company has assets or of any amendment of, or waiver or consent under or with respect to, this Agreement or any Bond Document or of any of the Bonds. The Company may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any transfer of the Bonds.

Section 15.3. Survival. The obligations of the Company under this Section 15 will survive the payment or transfer of any Bond, the enforcement, amendment or waiver of any provision of this Agreement, the Bonds and any other Bond Document, and the termination of this Agreement.

SECTION 16. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein shall survive the execution and delivery of this Agreement and the Bonds, the purchase or transfer by any Purchaser of any Bond or portion thereof or interest therein and the payment of any Bond, and may be relied upon by any subsequent holder of a Bond, regardless of any investigation made at any time by or on behalf of such Purchaser or any other holder of a Bond. All statements contained in any certificate or other instrument delivered by or on behalf of the Company pursuant to this Agreement shall be deemed representations and warranties of the Company under this Agreement. Subject to the preceding sentence, this Agreement and the Bonds embody the entire agreement and understanding between each Purchaser and the Company and supersede all prior agreements and understandings relating to the subject matter hereof.

SECTION 17. AMENDMENT AND WAIVER.

Section 17.1. Requirements. In addition to and not in limitation of any rights of a holder of a Bond to amend or waive any provision of the Indenture in accordance with the terms of the Indenture, or consent to an amendment or waiver thereof in accordance with the terms of the Indenture, this Agreement may be amended, and the observance of any term hereof may be waived (either retroactively or prospectively), with (and only with) the written consent of the Company and the Required Holders, except that:

(a) no amendment or waiver of any of the provisions of Sections 1, 2, 3, 4, 5, 6 or 21 hereof, or any defined term (as it is used therein), will be effective as to any Purchaser unless consented to by such Purchaser in writing; and

(b) no amendment or waiver may, without the written consent of each Purchaser and the holder of each Bond at the time outstanding, (i) change the percentage of the principal amount of the Bonds the holders of which are required to consent to any amendment or waiver or the principal amount of the Bonds that the Purchasers are to purchase pursuant to Section 2 upon the satisfaction of the conditions to Closing that appear in Section 4, or (ii) amend any of Sections 17 or 20.

Section 17.2. Solicitation of Holders of Bonds.

(a) *Solicitation.* The Company will provide each holder of a Bond with sufficient information, sufficiently far in advance of the date a decision is required as set forth in Article XVII of the Indenture, to enable such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or any other Bond Documents. The Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to this Section 17 to each holder of a Bond promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite holders of Bonds.

(b) *Payment.* The Company will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any holder of a Bond as consideration for or as an inducement to the entering into by such holder of any waiver or amendment of any of the terms and provisions hereof or any Bond unless such remuneration is concurrently paid, or security is concurrently granted or other credit support concurrently provided, on the same terms, ratably to each holder of a Bond even if such holder did not consent to such waiver or amendment.

(c) *Consent in Contemplation of Transfer.* Any consent given pursuant to this Section 17 by a holder of a Bond that has transferred or has agreed to transfer its Bond to (i) the Company, (ii) any Subsidiary or any other Affiliate or (iii) any other Person in connection with, or in anticipation of, such other Person acquiring, making a tender offer for or merging with the Company and/or any of its Affiliates, in each case in connection with such consent, shall be void and of no force or effect except solely as to such holder, and any amendments effected or waivers granted or to be effected or granted that would not have been or would not be so effected or granted but for such consent (and the consents of all other holders of Bonds that were acquired under the same or similar conditions) shall be void and of no force or effect except solely as to such holder.

Section 17.3. Binding Effect, Etc. Any amendment or waiver consented to as provided in this Section 17 applies equally to all holders of Bonds and is binding upon them and upon each future holder of any Bond and upon the Company without regard to whether such Bond has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Company and any holder of a Bond and no delay in exercising any rights hereunder or under any Bond shall operate as a waiver of any rights of any holder of such Bond. As used herein, the term “this Agreement” and references thereto shall mean this Agreement as it may from time to time be amended or supplemented.

Section 17.4. Bonds Held by Company, Etc. Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Bonds then outstanding approved or consented to any amendment, waiver or consent to be given under this Agreement or the Bonds, or have directed the taking of any action provided herein or the Bonds to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Bonds then outstanding, Bonds directly or indirectly owned by the Company or any of its Affiliates shall be deemed not to be outstanding.

SECTION 18. NOTICES.

Except to the extent otherwise provided in Section 7.4, all notices and communications provided for hereunder shall be in writing and sent (a) by telecopy if the sender on the same day sends a confirming copy of such notice by an internationally recognized overnight delivery service (charges prepaid), or (b) by registered or certified mail with return receipt requested (postage prepaid), or (c) by an internationally recognized overnight delivery service (charges prepaid). Any such notice must be sent:

(i) if to any Purchaser or its nominee, to such Purchaser or nominee at the address specified for such communications in the Schedule B attached to this Agreement, or at such other address as such Purchaser or nominee shall have specified to the Company in writing,

(ii) if to any other holder of any Bond, to such holder at such address as such other holder shall have specified to the Company and the Trustee, as bond registrar, in writing, or

(iii) if to the Company, to the Company at 1111 Louisiana, Houston, Texas 77002, attention of Jacqueline M. Richert, or at such other address as the Company shall have specified to the holder of each Bond in writing.

Notices under this Section 18 will be deemed given only when actually received.

SECTION 19. REPRODUCTION OF DOCUMENTS.

This Agreement and all documents relating thereto, including (a) consents, waivers and modifications that may hereafter be executed, (b) documents received by any Purchaser at the Closing (except the Bonds themselves), and (c) financial statements, certificates and other information previously or hereafter furnished to any Purchaser, may be reproduced by such Purchaser by any photographic, photostatic, electronic, digital, or other similar process and such Purchaser may destroy any original document so reproduced. The Company agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such Purchaser in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 19 shall not prohibit the Company or any other holder of Bonds from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

SECTION 20. CONFIDENTIAL INFORMATION.

For the purposes of this Section 20, “**Confidential Information**” means information delivered to any Purchaser by or on behalf of the Company or any Subsidiary in connection with the transactions contemplated by or otherwise pursuant to this Agreement or the Bond Documents, *provided* that such term does not include information that (a) was publicly known (other than through the breach by such Purchaser of its obligations under this Agreement) or otherwise known to such Purchaser (and not subject to any other obligation of confidentiality) prior to the time of such disclosure, (b) subsequently becomes publicly known through no act or omission by such Purchaser or any Person acting on such Purchaser’s behalf (and not known to be subject to any other obligation of confidentiality), or (c) constitutes financial statements delivered to such Purchaser under Section 7.1 that are otherwise publicly available. Each Purchaser will maintain the confidentiality of such Confidential Information in accordance with procedures adopted by such Purchaser in good faith to protect confidential information of third parties delivered to such Purchaser, *provided* that such Purchaser may deliver or disclose Confidential Information to (i) its directors, officers, employees, agents, attorneys, trustees and affiliates (to the extent such

disclosure reasonably relates to the administration of the investment represented by its Bonds) and such individuals are bound by the terms of this Section 20 or agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 20), (ii) its auditors, financial advisors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with this Section 20, (iii) any other holder of any Bond or the Trustee, (iv) any Institutional Investor to which it sells or offers to sell such Bond or any part thereof or any participation therein (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by this Section 20), (v) any Person from which it offers to purchase any Security of the Company (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by this Section 20), (vi) any federal or state regulatory authority having jurisdiction over such Purchaser, (vii) the NAIC or the SVO or, in each case, any similar organization, or any nationally recognized rating agency that requires access to information about such Purchaser's investment portfolio, or (viii) any other Person to which such delivery or disclosure may be necessary or appropriate (w) to effect compliance with any law, rule, regulation or order applicable to such Purchaser, (x) in response to any subpoena or other legal process, (y) in connection with any litigation to which such Purchaser is a party or (z) if an Event of Default has occurred and is continuing, to the extent such Purchaser may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under such Purchaser's Bonds, this Agreement or any Bond Document (*provided* with respect to subclauses (w) (except where required disclosure of the purchase of the Bonds is to be made to any supervisory or regulatory body during the normal course of its exercise of its regulatory or supervisory function over such Purchaser and consistent with such Purchaser's usual practice), (x) and (y) that, to the extent not prohibited by applicable law, rule, regulation or order, such Purchaser shall use commercially reasonable efforts to notify the Company of such pending disclosure so that the Company may seek a protective order or to pursue such further legal action as may be necessary to preserve the privileged nature and confidentiality of the Confidential Information). Each holder of a Bond, by its acceptance of a Bond, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 20 as though it were a party to this Agreement. On reasonable request by the Company in connection with the delivery to any holder of a Bond of information required to be delivered to such holder under this Agreement or requested by such holder (other than a holder that is a party to this Agreement or its nominee), such holder will enter into an agreement with the Company embodying this Section 20.

In the event that as a condition to receiving access to information relating to the Company or its Subsidiaries in connection with the transactions contemplated by or otherwise pursuant to this Agreement, any Purchaser or holder of a Bond is required to agree to a confidentiality undertaking (whether through IntraLinks, another secure website, a secure virtual workspace or otherwise) which is different from this Section 20, this Section 20 shall not be amended thereby and, as between such Purchaser or such holder and the Company, this Section 20 shall supersede any such other confidentiality undertaking.

SECTION 21. SUBSTITUTION OF PURCHASER.

Each Purchaser shall have the right to substitute any one of its Affiliates or another Purchaser or any one of such other Purchaser's Affiliates (a "**Substitute Purchaser**") as the purchaser of the Bonds that it has agreed to purchase hereunder, by written notice to the Company, which notice shall be signed by both such Purchaser and such Substitute Purchaser, shall contain such Substitute Purchaser's agreement to be bound by this Agreement and shall contain a confirmation by such Substitute Purchaser of the accuracy with respect to it of the representations set forth in Section 6. Upon receipt of such notice, any reference to such Purchaser in this Agreement (other than in this Section 21), shall be deemed to refer to such Substitute Purchaser in lieu of such original Purchaser. In the event that such Substitute Purchaser is so substituted as a Purchaser hereunder and such Substitute Purchaser thereafter transfers to such original Purchaser all of the Bonds then held by such Substitute Purchaser, upon receipt by the Company of notice of such transfer, any reference to such Substitute Purchaser as a "Purchaser" in this Agreement (other than in this Section 21), shall no longer be deemed to refer to such Substitute Purchaser, but shall refer to such original Purchaser, and such original Purchaser shall again have all the rights of an original holder of the Bonds under this Agreement.

SECTION 22. MISCELLANEOUS.

Section 22.1. Successors and Assigns. All covenants and other agreements contained in this Agreement by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and assigns (including any subsequent holder of a Bond) whether so expressed or not, except that, subject to Article XIV of the Indenture, the Company may not assign or otherwise transfer any of its rights or obligations hereunder or under the Bonds without the prior written consent of each holder. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto and their respective successors and assigns permitted hereby) any legal or equitable right, remedy or claim under or by reason of this Agreement.

Section 22.2. Accounting Terms. All accounting terms used herein which are not expressly defined in this Agreement have the meanings respectively given to them in accordance with GAAP. Except as otherwise specifically provided herein, (i) all computations made pursuant to this Agreement shall be made in accordance with GAAP, and (ii) all financial statements shall be prepared in accordance with GAAP, except as set forth in the notes thereto (subject in the case of any interim or unaudited financial statements, to normal year-end adjustments and the exclusion of detailed footnotes), *provided* that, if the Company notifies the holders of Bonds that the Company requests an amendment to any provision hereof to eliminate the effect of any change occurring after the date hereof in GAAP or in the application thereof on the operation of such provision, regardless of whether any such notice is given before or after such change in GAAP or in the application thereof (or if the Required Holder(s) notify the Company that the Required Holder(s) request an amendment to any provision hereof for such purposes), then (i) such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision amended in accordance herewith and (ii) the Company shall provide to the holders financial statements and other documents required by this Agreement or requested by any holder setting forth reconciliations between the computations relating to the compliance with the provisions hereof and financial statements provided hereunder made before and after giving effect to such changes in GAAP or the application thereof. Any reference herein to any specific citation, section or form of law, statute, rule or regulation shall refer to such new, replacement or analogous citation,

section or form should such citation, section or form be modified, amended or replaced. For purposes of determining compliance with this Agreement (including Section 9, and the definition of “Indebtedness”), any election by the Company to measure any financial liability using fair value (as permitted by Financial Accounting Standards Board Accounting Standards Codification Topic No. 825-10-25 – *Fair Value Option*, International Accounting Standard 39 – *Financial Instruments: Recognition and Measurement* or any similar accounting standard) shall be disregarded and such determination shall be made as if such election had not been made.

Section 22.3. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law) not invalidate or render unenforceable such provision in any other jurisdiction.

Section 22.4. Construction, Etc. Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. Where any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

Defined terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words “include,” “includes” and “including” shall be deemed to be followed by the phrase “without limitation.” The word “will” shall be construed to have the same meaning and effect as the word “shall.” Unless the context requires otherwise (a) any definition of or reference to any agreement, instrument or other document herein shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein) and, for purposes of the Bonds, shall also include any such bonds issued in substitution therefor pursuant to Section 13, (b) subject to Section 22.1, any reference herein to any Person shall be construed to include such Person’s successors and assigns, (c) the words “herein,” “hereof” and “hereunder,” and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (d) all references herein to Sections and Schedules shall be construed to refer to Sections of, and Schedules to, this Agreement, and (e) any reference to any law or regulation herein shall, unless otherwise specified, refer to such law or regulation as amended, modified or supplemented from time to time.

Section 22.5. Counterparts; Electronic Signatures. This Agreement may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or in electronic (i.e., “pdf” or “tif”) format shall be effective as delivery of a manually executed counterpart of this Agreement. The words “execution,” “signed,” “signature,” and words of similar import in this Agreement shall be deemed to include electronic or digital signatures or the keeping of records in electronic form, each of which shall be of the same effect, validity and enforceability as manually executed signatures or a paper-based recordkeeping system, as the case may be, to the extent and as provided for under applicable law, including the Electronic Signatures in Global and National Commerce Act of 2000, the Electronic Signatures and Records Act of 1999, or any other similar state Laws based on the Uniform Electronic Transactions Act.

Section 22.6. Governing Law. This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of New York excluding choice-of-law principles of the law of such State that would permit the application of the laws of a jurisdiction other than such State.

Section 22.7. Jurisdiction and Process; Waiver of Jury Trial. (a) The Company irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, The City of New York, over any suit, action or proceeding arising out of or relating to this Agreement or the Bonds. To the fullest extent permitted by applicable law, the Company irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

(b) The Company agrees, to the fullest extent permitted by applicable law, that a final judgment in any suit, action or proceeding of the nature referred to in Section 22.7(a) brought in any such court shall be conclusive and binding upon it subject to rights of appeal, as the case may be, and may be enforced in the courts of the United States of America or the State of New York (or any other courts to the jurisdiction of which it or any of its assets is or may be subject) by a suit upon such judgment.

(c) The Company consents to process being served by or on behalf of any holder of Bonds in any suit, action or proceeding of the nature referred to in Section 22.7(a) by mailing a copy thereof by registered, certified priority or express mail (or any substantially similar form of mail), postage prepaid, return receipt or delivery confirmation requested, to it at its address specified in Section 18 or at such other address of which such holder shall then have been notified pursuant to said Section. The Company agrees that such service upon receipt (i) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (ii) shall, to the fullest extent permitted by applicable law, be taken and held to be valid personal service upon and personal delivery to it. Notices hereunder shall be conclusively presumed received as evidenced by a delivery receipt furnished by the United States Postal Service or any reputable commercial delivery service.

(d) Nothing in this Section 22.7 shall affect the right of any holder of a Bond to serve process in any manner permitted by law, or limit any right that the holders of any of the Bonds may have to bring proceedings against the Company in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction.

(e) THE PARTIES HERETO HEREBY WAIVE TRIAL BY JURY IN ANY ACTION BROUGHT ON OR WITH RESPECT TO THIS AGREEMENT, THE BONDS OR ANY OTHER DOCUMENT EXECUTED IN CONNECTION HEREWITH OR THEREWITH.

If you are in agreement with the foregoing, please sign the form of agreement on a counterpart of this Agreement and return it to the Company, whereupon this Agreement shall become a binding agreement between you and the Company.

Very truly yours,

This Bond is one of a duly authorized issue of bonds of the Company, designated as “Southern Indiana Gas and Electric Company First Mortgage Bonds, Series 2023A” (sometimes referred to herein as the “*Series 2023A Bonds*”), issued or to be issued under and equally and ratably secured by that certain Amended and Restated Indenture of Mortgage and Deed of Trust dated as of January 1, 2023 (the “*Original Indenture*”) between the Company and Deutsche Bank Trust Company Americas, as trustee (the “*Trustee*,” which term shall include any successor trustee as provided in the Indenture), as such Original Indenture may be amended and supplemented by indentures supplemental thereto from time to time, including that First Supplemental Indenture dated as of March 15, 2023 (the “*First Supplemental Indenture*”), duly executed by the Company to the Trustee, to which Original Indenture and all indentures supplemental thereto (herein sometimes collectively called the “*Indenture*”) reference is hereby made for a description of the property mortgaged and pledged and the respective rights of the Company, the Trustee and the holders of bonds in respect thereof, and for a specification of the principal amount of bonds from time to time issuable thereunder and the conditions upon which bonds may be issued.

The Series 2023A Bonds may be issued in two Tranches; Series 2023A, Tranche A Bonds and Series 2023A, Tranche B Bonds are issued pursuant to the First Supplemental Indenture. This Bond is a “Series 2023A, Tranche A Bond.” The Series 2023A, Tranche A Bonds are of similar tenor hereto and are limited to the aggregate authorized principal amount of \$100,000,000 (except for Series 2023A, Tranche A Bonds authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Series 2023A, Tranche A Bonds pursuant to the Indenture and except for any Series 2023A, Tranche A Bonds which, pursuant to the Indenture, are deemed never to have been authenticated and delivered hereunder). Except as otherwise provided, this Bond is subject to all of the terms, conditions and covenants of the Indenture as supplemented, including by the First Supplemental Indenture and is entitled to the benefits thereof.

This Bond is also issued in accordance with the terms of the Bond Purchase Agreement, dated as of March 15, 2023 (as from time to time amended in accordance with its terms, the “*Bond Purchase Agreement*”), among the Company and the purchasers of the Series 2023A Bonds listed in Schedule B thereto is subject to all of the terms, conditions and covenants of the Bond Purchase Agreement and is entitled to the benefits thereof.

In the event of a prepayment of this Bond in part only, a new Series 2023A, Tranche A Bond or Bonds for the unpaid portion hereof may be issued in the name of the holder hereof upon the cancellation hereof.

If an Event of Default shall occur and be continuing, the principal of this Bond may be declared or otherwise become due and payable in the manner, at the price (including any applicable Make-Whole Amount) and with the effect provided in the Indenture and this Bond. In the event that the principal of this Bond shall have been declared or otherwise become due and payable as described in the preceding sentence then, in addition to the entire principal amount, any accrued interest and the Make-Whole Amount, if any, shall also become due and payable.

If an “Event of Default” shall occur and be continuing, the principal of all the Series 2023A Bonds at any such time outstanding under the Bond Purchase Agreement may be declared or may become due and payable, upon the conditions and in the manner, at the price (including any applicable Make-Whole Amount) and with the effect provided in the Indenture and the Bond Purchase Agreement.

The Indenture and the Bond Purchase Agreement provide that such declarations referred to in the two preceding paragraphs may in certain events be waived by the holders of a majority in principal amount of the relevant bonds Outstanding.

Interest payments for this Bond shall be computed and paid on the basis of a 360-day year of twelve 30-day months. Anything in the Bond Purchase Agreement or the Indenture to the contrary notwithstanding (but without limiting the requirement in Section 8.2 of the Bond Purchase Agreement that the notice of any optional prepayment specify a Business Day (as defined in the Bond Purchase Agreement) as the date fixed for such prepayment), (a) any payment of interest on this Bond that is due on a date other than a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day and (b) any payment of principal of or Make-Whole Amount on any Bond (including principal due on the Maturity Date of this Bond) that is due on a date that is not a Business Day shall be made on the next succeeding Business Day and shall include the additional days elapsed (but excluding the Business Day on which such payment is made) in the computation of interest payable on such next succeeding Business Day.

As more fully described in the Indenture, the Company, at its option, and subject to the terms and conditions provided in the Indenture, will be discharged from any and all obligations in respect of the Series 2023A, Tranche A Bonds (except for certain obligations as specifically set forth in the Indenture) upon a Legal Defeasance as provided in the Indenture.

The Series 2023A, Tranche A Bonds are issuable only in registered form, without coupons, in denominations of \$100,000 and integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Series 2023A, Tranche A Bonds are exchangeable for a like aggregate principal amount of Series 2023A, Tranche A Bonds of like tenor and of a different authorized denomination, as requested by the holder surrendering the same.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Bond is registrable in the books for the registration and transfer of bonds issued under the Indenture maintained by or on behalf of the Company. Upon surrender of this Bond for registration of transfer at the corporate trust office of the Trustee or such other office or agency as may be designated by the Company, endorsed by or accompanied by a written instrument of transfer in form satisfactory to the Company, the Trustee and any agent of the Company or the Trustee, duly executed by the holder hereof or the attorney in fact of such holder duly authorized in writing, one or more new bonds of like tenor and of authorized denominations and for the same aggregate principal amount will be issued to the designated transferee or transferees.

No service charge shall be made for any such registration of transfer or exchange but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to the transfer of registration of this Bond on the registration books maintained by or on behalf of the Company, the Company, the Trustee and any agent of the Company or the Trustee may treat the person in whose name this Bond is registered as the owner thereof for all purposes, whether or not this Bond is overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

As more fully provided in the Indenture, certain of the provisions of the Indenture or bonds issued pursuant thereto may be altered, amended or eliminated, or additional provisions added, without the consent of the holders, while other provisions of the Indenture or bonds issued pursuant thereto may be altered, amended or eliminated, or additional provisions added only with the consent of holders of not less than a majority in aggregate principal amount of the bonds of all series then Outstanding, considered as one class; *provided, however*, that if there shall be bonds of more than one series Outstanding under the Indenture and if a proposed supplemental indenture shall directly affect the rights of the holders of bonds of one or more, but less than all, of such series, then the consent only of the holders of a majority in aggregate principal amount of the Outstanding bonds of all series so directly affected, considered as one class, shall be required; and *provided, further*, that if the bonds of any series shall have been issued in more than one Tranche and if a proposed supplemental indenture shall directly affect the rights of the holders of bonds of one or more, but less than all, of such Tranches, then the consent only of the holders of a majority in aggregate principal amount of the Outstanding bonds of all Tranches so directly affected, considered as one class, shall be required. Notwithstanding the foregoing, as provided in the Indenture, certain provisions of this Bond may not be changed without the consent of the holder of this Bond.

No recourse shall be had for the payment of the principal of or premium, if any, Make-Whole Amount, if any, or interest, if any, on this Bond, or any part thereof, or for any claim based thereon or otherwise in respect hereof, or of the indebtedness represented hereby, or upon any obligation, covenant or agreement under the Indenture, any indenture supplemental thereto or this Bond, against any past, present or future incorporator, stockholder, officer or director, as such, of the Company or of any predecessor or successor corporation (either directly or through the Company or a predecessor or successor corporation), whether by virtue of any constitutional provision, statute or rule of law or by the enforcement of any assessment or legal or equitable proceeding, penalty or otherwise; it being expressly agreed and understood that this Bond and the obligations evidenced hereby are solely corporate obligations and that no personal liability whatsoever shall attach to, or be incurred by, any incorporator, stockholder, officer or director, past, present or future, of the Company or of any predecessor or successor corporation, either directly or indirectly through the Company or any predecessor or successor corporation, because of the indebtedness evidenced hereby or under or by reason of any of the obligations, covenants or agreements contained in the Indenture, any supplemental indenture or in this Bond or to be implied therefrom or herefrom; and such personal liability, if any, is hereby expressly waived and released as a condition of, and as part of the consideration for, the execution and delivery of the Indenture, as originally executed and delivered, and the issuance of this Bond.

This Bond shall be governed by and construed in accordance with the law of the State of New York, except to the extent that the law of any jurisdiction wherein any portion of the Mortgaged and Pledged Property is located shall mandatorily govern the creation of a mortgage lien on and security interest in, or perfection, priority or enforcement of the Lien of the Indenture or exercise of remedies with respect to, such portion of the Mortgaged and Pledged Property.

Unless the certificate of authentication hereon has been executed by the Trustee by manual or electronic signature of an authorized officer, this Bond shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

PART IIA
DESCRIPTION OF SERIES 2023A, TRANCHE A BONDS

Series 2023A, Tranche A Bonds shall mature, subject to prior redemption, on the date set forth in the form of bond relating hereto hereinbefore set forth, and shall bear interest at the rate set forth in the form of bond relating hereto hereinbefore set forth. Such interest shall be payable semiannually in arrears on March 15 and September 15 in each year, commencing on September 15, 2023, and all bonds of said series and Tranche shall be designated as hereinbefore in the sixth WHEREAS clause set forth in this Supplemental Indenture. Principal of, premium, if any, Make-Whole Amount, if any, and interest on said bonds shall be payable, to the extent specified in the form of bond hereinabove set forth, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts, at the office or agency of the Company in the Borough of Manhattan, The City of New York, N.Y. or at such other place as the Company shall have designated by written notice to the holder of said bonds as provided in the Bond Purchase Agreement. Definitive bonds of said series may be issued, originally or otherwise, only as registered bonds; and they and the Trustee's certificate of authentication shall be substantially in the forms hereinbefore recited, respectively. Definitive registered Series 2023A Bonds may be issued in the denomination of \$100,000 and in integral multiples of \$1,000 in excess thereof as the Board of Directors of the Company shall approve, and execution and delivery to the Trustee for authentication shall be conclusive evidence of such approval. In the manner and upon payment of the charges prescribed in the Indenture, registered bonds of said series and Tranche may be exchanged for a like aggregate principal amount of fully registered bonds of other authorized denominations of the same series and Tranche, upon presentation and surrender thereof for cancellation to the Trustee at its designated corporate trust office, currently in the Borough of Manhattan, The City of New York, N.Y. However, no charge shall be made upon any transfer or exchange of bonds of said series other than for any tax or taxes or other governmental charge required to be paid by the Company. The form of the temporary bonds of said series and Tranche shall be in substantially the form of the form of registered bond hereinbefore recited with such appropriate changes therein as are required on account of the temporary nature thereof. Said temporary bonds of said series and Tranche shall be in registered form, registrable as to principal, and shall be exchangeable for definitive bonds of said series and Tranche when prepared.

The person in whose name any registered bond of the Series 2023A, Tranche A Bonds is registered at the close of business on any Regular Record Date (as defined in such bond) with respect to any Interest Payment Date (as defined in such bond) shall be entitled to receive the interest payable on such Interest Payment Date notwithstanding the cancellation of such registered bond upon any transfer or exchange thereof subsequent to the Regular Record Date and prior to such interest payment date, except in the case of Defaulted Interest (as defined below) which will cease to be payable to the holder on such Regular Record Date and shall be paid to the person in whose name the Series 2023A, Tranche A Bond is registered at the close of business on a date (herein called a "*Special Record Date*") for payment of such defaulted interest to be fixed as hereinafter provided in this Supplemental Indenture.

Except as provided in this Section, every registered bond of the Series 2023A, Tranche A Bonds shall be dated and shall bear interest as provided in the form of bond relating hereto hereinbefore set forth; *provided, however*; that so long as there is no existing default in the payment of interest on the bonds, the holder of any bond authenticated by the Trustee between the Regular Record Date for any Interest Payment Date and such Interest Payment Date shall not be entitled to the payment of the interest due on such Interest Payment Date and shall have no claim against the Company with respect thereto; and *provided, further*; that, if and to the extent the Company shall default in the payment of the interest due on such Interest Payment Date, then any such bond shall bear interest from the interest payment date to which interest has been paid.

Any interest on any Series 2023A Bond, or any Tranche thereof, which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called "*Defaulted Interest*") shall forthwith cease to be payable to the holder on the related Regular Record Date by virtue of having been such holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in clause (a) or (b) below:

(a) The Company may elect to make payment of any Defaulted Interest to the persons in whose names the Series 2023A Bonds, or any Tranche thereof (or their respective predecessor Series 2023A Bonds), are registered on the Special Record Date to determine the holders of record who will receive such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Series 2023A Bond, or any Tranche thereof, and the date of the proposed payment (the "*Payment Date*"), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such

Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this clause provided. Thereupon, the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than thirty (30) days and not less than ten (10) days prior to the date of the proposed payment and not less than twenty-five (25) days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall, not less than five (5) days prior to such Payment Date, cause notice of the proposed payment of such Defaulted Interest and the Payment Date therefor to be given to each holder of Series 2023A Bonds, or any Tranche thereof. Notice of the proposed payment of such Defaulted Interest and the Payment Date therefor having been so given, such Defaulted Interest shall be paid to the persons in whose names the Series 2023A Bonds, or any Tranche thereof (or their respective predecessor Series 2023A Bonds), are registered at the close of business on such Special Record Date.

(b) The Company may make payment of any Defaulted Interest on the Series 2023A Bonds, or any Tranche thereof, in any other lawful manner, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section and Section 2.03 of the Indenture, each the Series 2023A Bond or any Tranche thereof delivered under the Indenture upon registration of transfer of or in exchange for or in lieu of any other Series 2023A Bonds shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other related Series 2023A Bond or any Tranche thereof.

PART IIB **DESCRIPTION OF SERIES 2023A, TRANCHE B BONDS**

Series 2023A, Tranche B Bonds shall mature, subject to prior redemption, on the date set forth in the form of bond relating hereto hereinbefore set forth, and shall bear interest at the rate set forth in the form of bond relating hereto hereinbefore set forth. Such interest shall be payable semiannually in arrears on March 15 and September 15 in each year, commencing on September 15, 2023, and all bonds of said series and Tranche shall be designated as hereinbefore in the sixth WHEREAS clause set forth in this Supplemental Indenture. Principal of, premium, if any, Make-Whole Amount, if any, and interest on said bonds shall be payable, to the extent specified in the form of bond hereinabove set forth, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts, at the office or agency of the Company in the Borough of Manhattan, The City of New York, N.Y. or at such other place as the Company shall have designated by written notice to the holder of said bonds as provided in the Bond Purchase Agreement. Definitive bonds of said series may be issued, originally or otherwise, only as registered bonds; and they and the Trustee's certificate of authentication shall be substantially in the forms hereinbefore recited, respectively. Definitive registered Series 2023A Bonds may be issued in the denomination of \$100,000 and in integral multiples of \$1,000 in excess thereof as the Board of Directors of the Company shall approve, and execution and delivery to the Trustee for authentication shall be conclusive evidence of such approval. In the manner and upon payment of the charges prescribed in the Indenture, registered bonds of said series and Tranche may be exchanged for a like aggregate principal amount of fully registered bonds of other authorized denominations of the same series and Tranche, upon presentation and surrender thereof for cancellation to the Trustee at its designated corporate trust office, currently in the Borough of Manhattan, The City of New York, N.Y. However, no charge shall be made upon any transfer or exchange of bonds of said series other than for any tax or taxes or other governmental charge required to be paid by the Company. The form of the temporary bonds of said series and Tranche shall be in substantially the form of the form of registered bond hereinbefore recited with such appropriate changes therein as are required on account of the temporary nature thereof. Said temporary bonds of said series and Tranche shall be in registered form, registrable as to principal, and shall be exchangeable for definitive bonds of said series and Tranche when prepared.

The person in whose name any registered bond of the Series 2023A, Tranche B Bonds is registered at the close of business on any Regular Record Date (as defined in such bond) with respect to any Interest Payment Date (as defined in such bond) shall be entitled to receive the interest payable on such Interest Payment Date notwithstanding the cancellation of such registered bond upon any transfer or exchange thereof subsequent to the Regular Record Date and prior to such interest payment date, except in the case of Defaulted Interest (as defined below) which will cease to be payable to the holder on such Regular Record Date and shall be paid to the person in whose name the Series 2023A, Tranche B Bond is registered at the close of business on a date (herein called a "*Special Record Date*") for payment of such defaulted interest to be fixed as provided in the Indenture.

Except as provided in this Section, every registered bond of the Series 2023A, Tranche B Bonds shall be dated and shall bear interest as provided in the form of bond relating hereto hereinbefore set forth; *provided, however*; that so long as there is no existing default in the payment of interest on the bonds, the holder of any bond authenticated by the Trustee between the Regular Record Date for any Interest Payment Date and such Interest Payment Date shall not be entitled to the payment of the interest due on such Interest Payment Date and shall have no claim against the Company with respect thereto; and *provided, further*; that, if and to the extent the Company shall default in the payment of the interest due on such Interest Payment Date, then any such bond shall bear interest from the interest payment date to which interest has been paid.

Any interest on any Series 2023A Bond, or any Tranche thereof, which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called “*Defaulted Interest*”) shall forthwith cease to be payable to the holder on the related Regular Record Date by virtue of having been such holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in clause (a) or (b) below:

(a) The Company may elect to make payment of any Defaulted Interest to the persons in whose names the Series 2023A Bonds, or any Tranche thereof (or their respective predecessor Series 2023A Bonds), are registered on the Special Record Date to determine the holders of record who will receive such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Series 2023A Bond, or any Tranche thereof, and the date of the proposed payment (the “*Payment Date*”), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this clause provided. Thereupon, the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than thirty (30) days and not less than ten (10) days prior to the date of the proposed payment and not less than twenty-five (25) days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall, not less than five (5) days prior to such Payment Date, cause notice of the proposed payment of such Defaulted Interest and the Payment Date therefor to be given to each holder of Series 2023A Bonds, or any Tranche thereof. Notice of the proposed payment of such Defaulted Interest and the Payment Date therefor having been so given, such Defaulted Interest shall be paid to the persons in whose names the Series 2023A Bonds, or any Tranche thereof (or their respective predecessor Series 2023A Bonds), are registered at the close of business on such Special Record Date.

(b) The Company may make payment of any Defaulted Interest on the Series 2023A Bonds, or any Tranche thereof, in any other lawful manner, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section and Section 2.03 of the Indenture, each the Series 2023A Bond or any Tranche thereof delivered under the Indenture upon registration of transfer of or in exchange for or in lieu of any other Series 2023A Bond shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other related Series 2023A Bond or any Tranche thereof.

PART III REDEMPTION PROVISIONS

Section 1. Notwithstanding Article IX of the Amended and Restated Indenture, the Series 2023A Bonds shall be redeemable as set forth in the Bond Purchase Agreement. The Trustee shall not be responsible for the calculation of the Make-Whole Amount. The Company shall calculate the Make-Whole Amount, if any, with respect to any such redemption and shall promptly notify the Trustee thereof.

Section 2. In case the Company shall desire to exercise its right to redeem Series 2023A Bonds, notice of redemption shall be mailed at the direction of the Company, postage prepaid, as set forth in the Bond Purchase Agreement, to the owners of the Series 2023A Bonds to be redeemed, as a whole or in part, at their addresses as the same shall appear on the registration books maintained by or on behalf of the Company pursuant to the Indenture as of the most recent practicable date prior to such notice. Failure to duly give notice by mail, or defect in the notice, to the owner of any such Series 2023A Bond shall not affect the validity of the proceedings for the redemption of any other Series 2023A Bond.

Section 3 For the avoidance of doubt, the term “prepayment” under the Bond Purchase Agreement and “redemption” under the Indenture shall be synonymous.

**PART IV
REMEDIES ON DEFAULT**

Section 1. Notwithstanding Article XI of the Amended and Restated Indenture, upon the Series 2023A Bonds becoming due and payable under Section 11.01 of the Amended and Restated Indenture, the Series 2023A Bonds will forthwith mature and the entire unpaid principal amount of such Series 2023A Bonds, plus (x) all accrued and unpaid interest thereon (including interest accrued thereon and on any overdue payment of any Make-Whole Amount, at the Default Rate) and (y) the Make-Whole Amount determined in respect of such principal amount, shall all be immediately due and payable, in each case without presentment, demand, protest or further notice, all of which are hereby waived.

**PART V
MISCELLANEOUS**

Section 1. Except as herein otherwise expressly provided, no duties, responsibilities or liabilities are assumed, or shall be construed to be assumed, by the Trustee by reason of this Supplemental Indenture, other than as set forth in the Indenture. The Trustee shall not be responsible for the recitals herein or in the bonds (except the Trustee’s certificate of authentication), all of which are made by the Company solely.

Section 2. The headings of the Parts in this Supplemental Indenture are for convenience only and shall not affect the construction hereof.

Section 3. In case any provision in this Supplemental Indenture shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 4. As supplemented and amended by this Supplemental Indenture, the Indenture is in all respects ratified and confirmed, and the Indenture and this Supplemental Indenture shall be read, taken and construed as one and the same instrument.

Section 5. This Supplemental Indenture may be executed in several counterparts and all such counterparts executed and delivered, each as an original, shall constitute but one and the same instrument.
