Closing Date / Settlement Date: We expect that delivery of the Senior Secured System Restoration Bonds (the “Bonds”) will be made to investors on or about November 25, 2009 (such settlement being referred to as “T+5”). Under Rule 15c6-1 under the Exchange Act, trades in the secondary market are required to settle in three business days (such settlement referred to as “T+3”), unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the Bonds on the date of pricing or on the next business day will be required, by virtue of the fact that the Bonds initially will settle at T+5, to specify an alternate settlement arrangement at the time of any such trade to prevent a failed settlement. Purchasers of the Bonds who wish to trade the Bonds on the date of pricing or the next business day should consult their advisors.

Closing Date / Settlement Date: November 25, 2009

Interest Payment Dates: February 15 and August 15, commencing on August 15, 2010

Proceeds to Issuing Entity: The total amount of proceeds to the Issuing Entity (as defined below) after underwriting discounts and commissions and before deduction of expenses (estimated to be approximately \$3,700,000) is \$662,134,148.

Financial Advisory / Structuring Fee: Goldman, Sachs & Co., as structuring advisor to CenterPoint Houston, has rendered certain structuring services to CenterPoint Houston and will receive a net fee of \$600,000 for such services, which is included in estimated expenses.
